

PULSE DOGECOIN

THE PREMIER MEME COIN FOR PULSECHAIN
AND A TOKEN OF THE STAKERS

 [PULSEDGECOIN.COM](https://pulsedogecoin.com)

 [/PULSEDGECOIN](https://twitter.com/pulsedogecoin)

TLDR: People like to buy meme coins (just look at the SHIB INU and Dogecoin!) Those communities are passionate and absolutely huge! Meme coins also pump harder than any other crypto currency! PulseDogecoin aims to create the ultimate scarce meme coin to live on PulseChain natively and help onboard the currently missing market participants of meme coins. The only people to receive these meme coins for free are a certain class of crypto Stakers (HEX Stakers, aka Strongest Diamond hands. The distribution of PLSD is fair and does not unfairly benefit existing whales. The claim process is limited in time. Let the fun begin!

Key Takeaways

- Meme coins pump the hardest among all crypto currencies, just look at the charts!
- No expectations of profit from the work of others

INTRODUCTION

A MEME COIN MIGHT SOUND DUMB, WHO WOULD EVER WANT TO OWN A MEME COIN? WHO WOULD EVER PAY ACTUAL MONEY FOR A COIN THAT WAS CREATED AS A JOKE?

THE ANSWER: EVERYONE EXCEPT FOR YOU, THE PERSON ASKING SUCH A SILLY QUESTION IN THE FIRST PLACE.

THE WORLD IS FULL OF PEOPLE AND THOSE PEOPLE LIKE DOGS. A CRYPTO CURRENCY THAT HAS A DOG ON THE COIN'S LOGO SELLS. IT'S REALLY THAT SIMPLE! PEOPLE LIKE TO BUY WHAT THEIR FRIENDS LIKE TO BUY BECAUSE HUMAN NATURE TRIGGERS THIS FEAR OF MISSING OUT EMOTION. TRADING CARDS, HOT WHEELS, BEANIE BABIES, NFTS, DOG COINS, ETC. ARE JUST AMONG A FEW OBJECTS IN THE WORLD CREATED TO SELL "SCARCITY".

WHETHER YOU REALIZE IT, TENS OF MILLIONS OF PEOPLE IN THE WORLD ACTIVELY HOLD AND VALUE MEME COINS, SO MUCH SO THAT THE LARGEST CRYPTO EXCHANGES OFFER IT: COINBASE, FTX, BINANCE, ETC., AND EVEN THE WORLD'S RICHEST MAN ELON MUSK CAN'T STOP TWEETING ABOUT IT!

COIN'S SUCH AS SHIBA INU AND DOGECOIN HAVE PERFORMED JUST AS WELL OR EVEN BETTER THAN HEX, DOING THOUSANDS OF MULTIPLES OUTPERFORMING NEARLY ALL OTHER "USEFUL" CRYPTOS! DON'T BELIEVE ME, CHECK OUT THE CHART FROM LOOKINTOHEX.COM BELOW:

THAT BEING SAID, PULSEDODGECOIN HAS BEEN CREATED TO ACCOMPLISH THE GOAL OF BECOMING THE ULTIMATE SCARCE MEME COINS FOR PULSECHAIN!

*** IF YOU HAVE NO IDEA WHAT PULSECHAIN IS PLEASE CHECK OUT [PULSECHAIN.COM](https://pulsechain.com) ***

IT IS IMPORTANT THAT A MEME COIN BE CREATED BY THE HEX AND PULSECHAIN COMMUNITY SO WE CAN ADOPT, MODIFY, AND LEAD THE MEME COIN NARRATIVE GOING FORWARD! IF WE WANT TO ONBOARD THE WORLD INTO CRYPTO, WE MUST CREATE THAT WHICH THE WORLD WANTS.... MEME COINS!

IT IS ALSO IMPORTANT THAT YOU, THE READER, SUPPORT THIS MEME COIN ON PULSECHAIN BECAUSE IT HAS BEEN CREATED FOR THE GOOD OF THE COMMUNITY, BY THE COMMUNITY, GIVEN TO THE COMMUNITY. IF WE DON'T CREATE IT, SOMEONE ELSE WILL! IF IT'S NOT CREATED BY THE HEX COMMUNITY, YOU WILL LIKELY NOT BE A PART OF IT AND THAT IS NOT A SITUATION YOU OR I WANT TO BE IN. THIS IS COMPLETELY ORGANIC AND GRASS ROOTS, JUST LIKE THE ORIGINAL DOGECOIN AND EVEN HEX!

NARRATIVE

ALL CRYPTO IS JUST A NARRATIVE, WHETHER IT BE PEER-TO-PEER MONEY, ANONYMOUS CASH, WORLD COMPUTER, NATIVE INTERNET MONEY, TRUSTLESS INTEREST, ETC. THIS IS JUST MARKETING FOR SELLING THE IDEA TO PEOPLE TO HAVE THEM BUY AND HOLD THE CRYPTO. AT THE END OF THE DAY, THIS IS THE ONLY PART THAT ACTUALLY MATTERS. THEREFORE, AIRDROPPING TO PROVABLY THE STRONGEST HOLDERS IN CRYPTO: HEX STAKERS, IS THE BEST WAY TO HAVE PEOPLE HOLD FOR A VERY LONG TIME THUS LESSENING SELLING PRESSURE FOR SAID CRYPTO .

HEXICANS LIKE TO PROVE OURSELVES TO THE OVERALL CRYPTO COMMUNITY AND TO THE WORLD THAT WE ARE THE BEST HOLDERS, THE MOST DIAMOND HANDED, THE MOST PASSIONATE GROUP SO THEREFORE WE HOLD THE CRYPTOS WE CARE ABOUT FOR THE GREATEST AMOUNT OF TIME! THIS PROCESS OVER TIME GENERATES VALUE IN THE MODERN INTERNET ERA.

IT IS TIME TO ADOPT THE PREMIER MEME COIN, DOGECOIN FOR PULSECHAIN INTO OUR ECOSYSTEM TO CAPTURE THE IMAGINATION OF ALL CRYPTO ENTHUSIASTS SO THAT WE MAY ONBOARD A WIDER AUDIENCE, THE MEME COIN AUDIENCE! SERIOUSLY, JUST LOOK AT THE MEME COIN COMMUNITY, IT'S ABSOLUTELY HUGE!

DESIGN

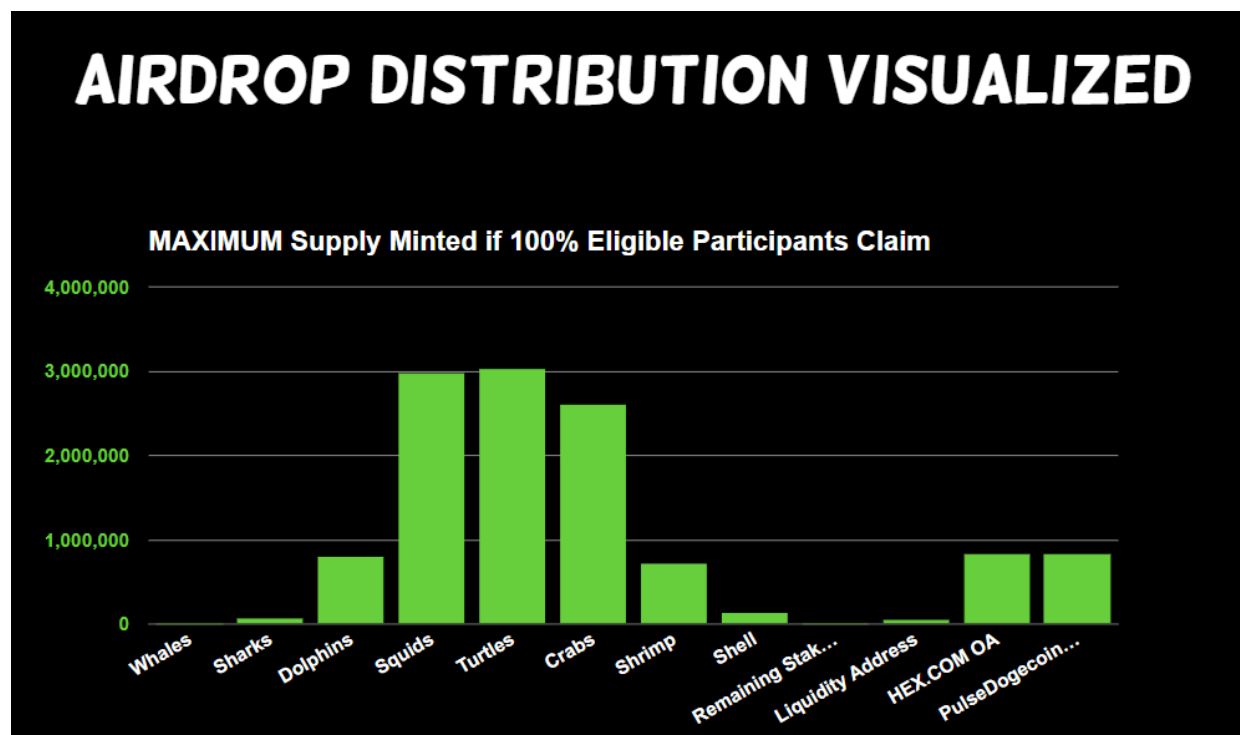

THE DESIGN OF PULSEDODGECOIN IS TO BE SCARCE. NEARLY ALL MEME COINS IN EXISTENCE HAVE MASSIVE TOKEN/COIN SUPPLY. PLSD IS DIFFERENT IN THAT THERE CAN ONLY EVER BE A MAXIMUM SUPPLY OF UP TO 12M COINS. THIS SUPPLY OF 12M CAN ONLY BE REACHED IF ALL AVAILABLE CLAIM ADDRESSES INCLUDED IN THE WHITELISTED SET OF ADDRESSES CLAIM WITHIN THE FIRST 100 DAYS! IF FEWER THAN 100 PERCENT OF ADDRESSES CLAIM THERE WILL THEN BE FEWER THAN 12M COINS EVER!

ALL COINS, WHETHER MEME COINS OR NOT, HAVE TAKEN THE ROAD OF HAVING MORE CIRCULATING SUPPLY THAN LESS. COMPARED TO BITCOIN, NEARLY EVERY CRYPTOCURRENCY HAS AN ASTOUNDINGLY HIGH SUPPLY. THIS IS ARGUED THAT HIGH SUPPLY OBJECTS HAVE A UNIT BIAS, MEANING HUMANS LIKE TO OWN A LOT OF THINGS MORE THAN A LITTLE, I GET THAT, BUT I ARGUE THAT FOR SOMETHING TO BE SCARCE IT MUST BE LOW IN NUMBER COMPARED TO POTENTIAL PARTICIPANTS! THAT IS WHY DOGECOIN FOR PULSECHAIN IS GOING WHERE NO MEME COIN HAS EVER GONE BEFORE, HAVING AN INCREDIBLY LOW SUPPLY, EVEN LOWER THAN BITCOINS! GONE ARE THE DAYS OF OWNING SEVERAL MILLIONS OR BILLIONS OF -INSERT NAME OF RANDOM MEME COIN-. ITS TIME FOR PEOPLE TO REALIZE THAT IF YOU WANT THE WORLD'S MOST SCARCE MEME COIN YOU WILL HAVE TO OWN ONLY A PORTION, IF YOU ARE LUCKY!

TOKEN DISTRIBUTION

PLSD'S TOKEN DISTRIBUTION MODEL IS DESIGNED TO REWARD THE "MIDDLE CLASS" OF HEX STAKERS. SO BASICALLY, THE VAST MAJORITY OF PLSD THAT CAN BE CLAIMED & MINTED ARE TO THOSE WHO OWN BETWEEN 0.01 PERCENT AND 0.000001 PERCENT OF THE HEX.COM STAKING SHARES.

IF YOU DON'T UNDERSTAND HEX STAKING, PLEASE CHECK OUT THE HEX LAYMAN'S GUIDE [HERE](#)

THIS DISTRIBUTION MODEL IS DESIGNED TO FAIRLY REWARD THE MAJORITY OF ADDRESSES INVOLVED IN HEX STAKING. THIS MODEL PREVENTS EXISTING HEX WHALES FROM INITIALLY HOLDING THE PRICE PERFORMANCE DOWN CAUSING STAGNATED ADOPTION. OTHER PROJECTS THAT HAVE PREVIOUSLY LAUNCHED REWARDED HEX STAKERS BY SHARE SIZE SO MUCH SO THAT THE COIN IS ULTIMATELY IN THE COMPLETE CONTROL OF THE EXISTING WHALES! THIS TENDS TO LEAD TO ONLY A FEW WHALES WHO DO NOT SEE VALUE IN SAID PROJECT TO ABSOLUTELY KILL THE PRICE WHILE SMALLER FISH TRY THEIR HARDEST TO BUY UP THE MASSIVE EXTRA SUPPLY BUT ULTIMATELY FAIL TO DO SO. WE DESERVE A BETTER OPPORTUNITY TO GROW TOGETHER WITH A PROJECT RATHER THAN LIVE IN SUFFERING AS THE VERY FEW OFFLOAD THEIR SUPPLY. WE DESERVE PULSEDODGE COIN!

CONCLUSION

TO CONCLUDE, MEME COINS PUMP HARD, BASICALLY HARDER THAN ANY OTHER "USEFUL" CRYPTO SO WHY NOT CREATE ONE AND AIRDROP IT TO THE BEST HOLDERS IN CRYPTO FAIRLY? IF YOU WANT MORE DETAILS, VISIT THE MAIN SITE: [PULSEDGECOIN.COM](https://pulsedogecoin.com) OR REACH OUT TO THE EVER-GROWING HEX, PULSECHAIN, AND PULSEDGECOIN COMMUNITY FOR INSIGHT!
