

Western Mass Heat Guidelines and Code of Conduct

WELCOME AND CONGRATULATIONS!!

Heat Softball Team Inc. is excited and proud to welcome you. The following pages contain information that is necessary for parent(s)/guardian(s) and players to read. By acknowledging these guidelines, we can ensure our teams, coaches and families can have a fun and successful season.

TEAM GOALS:

- A. Develop and promote skill advancement of all players for every facet of the game.
- B. Develop and encourage effective communication with coaches, parents, players while ensuring courtesy is shown for umpires, officials and opponents.
- C. Promote healthy competition and encourage players to aspire to a higher level of play.
- D. Emphasize teamwork, skill development, leadership and personal growth.

ATTENDANCE:

All players are held to the highest level of commitment in regard to participating in practices, games and tournaments. Your commitment to attendance is necessary to improve the important physical and technical skills to become competitive on the field. Promptness to games/practices/tournaments is mandatory. Excused absences for in-season sports will be at the discretion of your daughter's coach. Commitment to the Heat team you play on comes before all Rec League, Little League and All Star type games and tournaments. If you choose to participate in those organizations, or other sports and activities, outside of the Heat, please be sure you are still able to attend your Heat events and games. If you are going to miss a game, please notify your coach as early as possible.

Each player must arrive 10 minutes prior to practice and be dressed to practice. Players must be at the field and ready to warm up one hour prior to a game, unless told otherwise by the coach. **CALL, MESSAGE OR TEXT YOUR COACH IF YOU HAPPEN TO BE RUNNING LATE.**

It is very important to notify the coach 24 hours prior to a practice or game if a problem has arisen and the player cannot attend.

UNIFORMS:

Players are responsible for bringing every article of uniform to EVERY game. All players MUST wear their complete uniform for all games. Complete uniform includes: appropriate uniform top, pants, game belt, socks, cleats, glove, facemask (10U and 12U and other ages as determined by coaches), and visor/headband (if applicable). You may not wear anything covering your game jersey during game play, such as a jacket or sweatshirt. We have multiple uniforms and it is the responsibility of the player to wear the correct uniform as instructed by your coach. According to the rules of our sanctioning bodies, players wearing the wrong uniform may not play in the game.

TEAM POLICIES:

A. Parents/guardians need to complete all paperwork and pay team fees. Failure to make payments or complete paperwork on time will result in lost practice time with your team or removal from the team roster.

1. All fees should be made payable to Heat Softball Team Inc. or through our website wmheat.com.

B. All dues and fees paid to Heat softball are NON-REFUNDABLE, without exception.

C. Everyone associated with this organization including parents, siblings, grandparents, etc. are bound by the associated league softball rules of decorum and etiquette. You are responsible for the guest you bring to games or practices.

E. "Sideline coaching" by parents and family members will not be tolerated. This is a confusing distraction and usually goes against the play called by the coach. It undermines the coach's authority in front of the team. One warning will be issued, and any other occurrences will be dealt with as decided by the Board of Directors, including possible ban from games/practice or player expulsion from the team.

F. Do not enter the dugout unless the coach requests your presence. Your child/player should not leave the dugout unless a coach has granted permission. We do not want players wandering around during games. USA Softball rules do not allow any adults without certification into a team dugout.

G. No player picnics during the games. There are concessions available during the tournament and you are free to bring food for between games. Players should not eat meals during a game. Traditional ball-player snacks during the game like sunflower seeds (if permitted by field), Gatorade and water. We want the players to be engaged in the game and supporting their teammates at all time. If your daughter has a medical reason that requires them to have food, such as diabetes, please make your head coach aware of the conditions and we will absolutely make an exception.

H. There is a specific Code of Conduct Guideline that we ask you to review together. If you have any questions, talk to your coach. These guidelines are put in place to make sure that everyone involved in playing this game is treated with respect, which will allow them to enjoy this game.
