

Products and websites discussed during the Bag & Cork session:

Stabilizers:

Annie's Soft & Stable / Pellon Flex Foam for structure
Fleece/SF101 Shape Flex

Glue used to adhere cork pieces: Beacon Fabric Tac or Beacon 3 in 1

For Finishing cork edges:

Aleene's Fabric Fusion
Tandy carries an edge coat that comes in colors to match various medias

Websites and Facebook Groups:

www.sewsweetness.com – Sara Lawson's website – purchase or download her patterns or watch her videos – she makes sew along videos for many of her patterns – Sara is awesome and a great teacher.

www.fabricfunhouse.com – located in San Antonio (yes, we do need a road trip!). They sell beautiful cork crafted in Spain and they also sell beautiful waxed canvas

Sew Sweetness Patterns on Facebook – great sight to follow just to see the beautiful bags that the members make. This is a very large group and lots of people to help you out if you need help when making any of the Sew Sweetness bags...this an awesome group! Also, can be found on Instagram.

Emmaline Bags on Facebook – Emmaline has beautiful hardware for bags of all kinds, they also create bag patterns, and also sell cork and other items – located in Canada, so shipping can sometimes be slow if you purchase from them. Also, can be found on Instagram.
