Fixed Gobo

Rotating Gobo

Colour Wheel

Vela 380BSW featuring the MSD Silver 380W high power LED light source, designed for professional lighting applications.

Optical System

Light Source: MSD Silver 380W

Colour Temperature: 7650K

Light Source Life: ≥1500hours

Zoom Angle: 2.6°~21° (beam mode)

5°~42° (gobo mode)

30°~48° (wash mode)

Atomization: Independent atomization

Dimming: 0-100% linear dimming

Strobe: up to 25Hz, can choose random strobe or pulse strobe.

Control: High temperature automatic protection

Standard DMX512 protocol

DMX shortcut interface

RDM function

Specifications

Product Size: 559x322x314mm

Net Weight: 16.5kg

Environment: IP 20 -10°C - 45°C

Electrical Parameters

Voltage: AC90-264V, 50/60Hz

Power: 490W (90V)
