Hello Contestant,

Welcome to Rebecca O' Productions where we strive to recognize YOU through our wonderful pageant organization. We work hard to enhance, promote and place our queens in a position of leadership in their community as positive role models for girls their age. This is more than just a beauty pageant. It is a youth development program designed to give young women early goals in good grooming, social grace, and public speaking.

We are so excited that you have chosen to share in this event with us. We hope that you will take the opportunity to build lifelong friendships and memories that will last forever. Open to contestants from across the Rio Grande Valley, we are the pageant system you have been searching for. Natural beauty pageants with just the right touch of glamour and elegance combined with a unique blend of values separate us from the others. Rebecca O' Productions strives to provide babies, toddlers, young miss, teens and young women with excellent experiences designed to highlight individuality and foster a strong sense of self-confidence. If you are looking for a pageant, which will allow your inner beauty to shine, while developing your talent and public speaking abilities, look no further!

Our commitment to you is that we will provide an exciting and fair event for everyone. Neither our directors nor any of our staff will have ANY knowledge of the outcome of the pageant regarding scoring or tabulating. We will be hearing the results for the first time right along with you!

We created this pageant system to help empower young women and give them wonderful opportunities to grow and develop a positive self-image as well as cultivate their talents and public speaking abilities. We believe that these environments promote good sportsmanship and an opportunity to build lifelong friendships. Our hope is that you encourage your daughters to realize that they are all winners in all that they do and that they are not defined by whether they leave with the crown on their head. Through the promotion of good sportsmanship, we hope to be a guiding force in the development of strong delegates who realize the true beauty, which lies within each of them. Our focus is to teach girls and women not to define themselves by a crown or talent, but by the inner beauty they all possess. Beauty comes from within!!

Each contestant will be treated with the utmost of respect from our organization, and we ask that contestants treat each other with that same respect. At the end of the day, this is just a pageant, and our character will be defined by our hearts and actions, not whether we win or not. We hope you all enjoy your experience with us, and we welcome your comments and suggestions to help ensure that we continue to provide a pleasant experience in the future.

Welcome the Rebecca O' Productions Family!
