

**Handbuilding Class**  
**Instructed by Marsha Rogers**

**Hand building** class is a beginner class; focus will be on slab building and using the studio extruder. Students will be able to create a variety of functional pottery, from mugs, platters, bowls, and decorative plant pockets.

Class will meet for 3 weeks with an opportunity to practice in an open studio setting. One Saturday in October there will be a glaze demo and lecture free to students.

Ages: Adults ages 16 and up - Limit 8 Students

Dates: September 13,16,20,30 (Mondays and Thursdays)

Time: 5:00 - 7:30pm

Cost: \$105 (\$80.00 plus \$25.00 for a bag of clay)

*The Sampson Arts Council values the health of our guests, community, and staff members. We will follow COVID-19 protocols to make our classes safe for all. Temperature checks, masks and social distancing will be required in all classes.*

## **Beginning Wheel Throwing Instructed by Marsha Rogers**

**Wheel throwing** class will start with basic techniques on the wheel. Students will start with centering and pulling the clay to make cylinders. From there, with practice, the students will be able to create mugs, bowls and vases.

Class will meet for 3 weeks with an opportunity to practice in an open studio setting. One Saturday in October there will be a glaze demo and lecture free to students.

Ages: Adults ages 16 and up - Limit 6 Students  
6 Sessions

Dates: October 4,7,11,14,18,21 (Mondays and Thursdays)

Time: 5:00 - 7:30pm

Cost: \$145 (\$120.00 plus \$25.00 for a bag of clay)

*The Sampson Arts Council values the health of our guests, community, and staff members. We will follow COVID-19 protocols to make our classes safe for all. Temperature checks, masks and social distancing will be required in all classes.*
