North Carolina Arts Council Priorities for Funding

The first priority of the Grassroots Arts subgrant program is to provide operating or program support to qualified arts organizations including theaters, symphonies, galleries, art guilds, choral societies, dance companies, folk arts societies, writer's groups and arts festivals, among others. Grassroots funds are not generally awarded to arts organizations that receive funding through the N.C. Arts Council's State Arts Resources.

The second priority of the Grassroots Arts subgrant program is to support arts learning and arts in education programs conducted by qualified artists. These can be artist residencies in schools, after school summer camps or adult arts learning classes.

The third priority of Grassroots Arts subgrants is to support community, civic and municipal organizations that provide quality art experiences for the greater community. These programs must be conducted by qualified artists.

Also, please be advised that 50% of the total Sampson County Grassroots funds must be used for multicultural programming to reflect the multicultural percentage of our county. Please think about this when applying for your specific arts program, as priority is given to applications that will be contracting or funding multicultural artists and/or groups.

Funding Policies

- Tribal organizations that receive grassroots funds must represent state or federally recognized tribes.
- Colleges, universities and libraries may receive grants for arts programs that are community based or generate regional arts involvement. Grants may not support their internal programs, administration or operation expenses (library books, band boosters, equipment purchases).
- Subgrants may not be awarded to individuals or to organizations for prizes, including scholarships and financial awards.
- Grassroots funds may not be used for art supplies or equipment.
- Religious organizations or churches may not receive grassroots funds unless the programs are presented outside regular church services, engage the larger community, and do not contain religious content.

- Grassroots funds may not be used for activities associated with a school's internal arts programs such as in-school student performances, the purchase of art supplies, or student arts competitions and publications.
- Municipalities (city/county government) may receive grants for arts programs which use qualified artists to conduct programs that involve the greater community. Grants may not support internal programs, administration, or operating expenses.

Grassroots Arts Program money may NOT be used for the following kind of expenditures:

- Art, music and dance therapists
- Fundraising events
- Artifacts
- School band activities or equipment
- School choral activities
- Purchase of artwork
- Purchase equipment or art supplies
- Interest on loans, fines or litigation costs

Grassroots Arts Program Subgrant Requirements

Matching Requirement:

All subgrantees must match their grant amounts dollar for dollar. The funds must come from other public or private sources. Other N.C. Arts Council funds cannot be used as a match. Contact Kara Donatelli at 910-596-2533 or director@sampsonarts.org with questions.

Meeting the Racial and Cultural Diversity Requirement: The NC Arts Council works to provide a representative portion of grant funds for arts programming that reflects the racial and cultural diversity of the state. As a central strategy for achieving this objective, we require that each Grassroots partner spend a percentage of its annual county allotment for programming that reflects African American, Asian American, Latino, and Native American cultures. The percentage is determined by calculating the portion of each county's population made up of African American, Asian American, Latino, and Native American people.

Sampson County's multicultural percentage for this year is 50%.

North Carolina Arts Council Recognition: Subgrantees must acknowledge the N. C. Arts Council's support of their event or projects by including the N.C. Arts Council's logo, and funding credit line in all print and promotional materials related to the grant. The N.C. Arts Council's Website offers information and downloadable logos, at <http://www.ncarts.org/Grants/Logo-Use>

Reporting Requirements: Each subgrantee is required to submit a final report providing a detailed description of the funded project, participation statistics and demographics, sample marketing and program materials using the N. C. Arts Council credit line and logo, and copies of their legislative letters. The Subgrant Report form can be downloaded from the N. C. Arts Council Web Site at <https://www.ncarts.org/resources/local-arts-council-resources>. Look for **FY 2023-2024 final report for Grassroots Subgrantees.**

Final reports must be mailed or hand delivered to the Sampson Arts Council by **June 25, 2025.**

Legislative Letters: Applicants may be required to write their state representatives to thank them for appropriating Grassroots funds. If required, the letter should provide information about how Grassroots funds were used to support your program or project, and the community impact of the event. A copy of all letters to legislators must be included in the subgrantee's final report.

How Subgrant Applications are Evaluated

Subgrant applications are reviewed by a diverse panel of community members including artists, county and public officials and board members of the Sampson Arts Council among others. The panel evaluates applications based on the subgrant guidelines and the following criteria:

- Artistic quality of proposed project or programs
- Community impact of project or programs
- Multicultural aspect of the program, if applicable
- Educational impact of the project
- Ability to plan and implement project
- Stability and fiscal responsibility of the organization

Panelists discuss and score the grant using an established rating system. The subgrant panel's funding decisions are then presented as recommendations to the Sampson Arts Council's board of directors. The board of directors votes and gives final approval to the subgrant panel's recommendations.

Note: Membership Requirement

The Sampson Arts Council Board of Directors requires that all 2023-2024 Grassroots subgrant applicants are members of the Sampson Arts Council. Please fill out the membership form included in your packet and return with payment when you submit your application. Thank you!
