

A Clear and Present Danger

Threat #2 – U.N. Agenda 21 / 2030

June: 2023

102 Pages, plus 8 pages of reference notes

List of Addendas by topic:

Net-Zero Emissions

Addenda #1 - June 2023	Swedish Parliament to allow nuclear power, NYC crackdown on wood pizza ovens
Addenda #2 - June 2023	Energy-Related CO2 emissions, NYS Climate Action Council Scoping Plan
Addenda #13 - September 2023	Kansas EV battery plant electric requirements delay closure of coal fired power plant
Addenda #15 - November 2023	Mark Mills: Oil Will Power The Global Economy for Another Century
Addenda #18 - November 2023	U.N. pressure mounts for urgent climate action to meet 2030/2050 climate goals Impossible!! due to numerous reasons; electric grid, EV manufacturing/infrastructure
Addenda #27 - December 2023	U.N. Energy Directive sets "rules and obligations" to reduce consumption & GHG
Addenda #48 - June 2024	EU greenhouse gas emissions, trading scheme
Addenda #53 - July 2024	Germany Climate action Law, wind turbines give way to coal mines
Addenda #54 - August 2024	"Innovative Solutions" to reduce GHG emissions; carbon credits/offsets, carbon capture
Addenda #58 - August 2024	California, New York & Virginia will miss 2030 emissions goal targets
Addenda #68 - November 2024	Biden EPA emissions ruling on heavy-duty diesel trucks
Addenda #77 - March 2025	Germany GHG emissions unacheivable, Federal government voted out
Addenda #85 - August 2025	US solar & wind projects not profitable without government subsidies, tax credits
Addenda #68 - November 2025U	California abandons heavy-duty vehicle electrification and reduced emissions laws UN agrees to "weakened climate targets", COP30
Addenda #98 - March 2026	Micron Technologies Megafab site; water, electricity, natural gas demand
Addenda #100 - July 2026	Red heat alerts in France, Italy and Spain: air conditioning is restricted, thousands die
Addenda #101 - August 2026	Canada rolls back climate rules; 2030 climate target "far out of reach"

Electric Grid

Addenda #24 - November 2023	Existing electric grid will not be capable of carrying loads required by electrification NY State grid upgrades; schedule & cost, massive utility rate increases
Addenda #25 - November 2023	NY State grid; permitting & interconnection delays, generation unlikely to meet target electricity shortages could result in blackouts and brownouts
Addenda #44 - April 2024	NY State electrical grid; system, reliability, NYISO Power Trends, resource adequacy
Addenda #47 - June 2024	US electricity load growth forecast jumps 81% led by data centers, industry NYISO 2019 CARIS 70x30 load forecast
Addenda #57 - August 2024	US power grid & required transmission grid construction, land owner resistance
Addenda #59 - August 2024	NY electricity demand growth, Power Grid Study, grid upgrade requirements
Addenda #47 - June 2024U	US data center load growth; Dominion & Duke Energy can't meet demand
Addenda #48 - September 2024U	PJM Interconnection prices hit record high; tight energy supply
Addenda #47 - January 2025U	"Explosive demand growth puts more than half of North America at risk of blackouts"
Addenda #78 - March 2025	Electricity demand higher than forecast, new generation & grid upgrades years out, utilities may charge customers more to pay for growth in data centers
Addenda #92 - October 2025	Low water levels result in decline of imported hydroelectricity from Quebec, adding to "capacity deficiency" in New England electric grid & NY City
Addenda #84 - June 2026U	"New York Electric Grid Faces Narrow Reliability Margin Heading into Summer"
Addenda #78 - June 2026U	New York Democrat bill forces pause on data center construction

List of Addendas by topic:

Electric Vehicles

Addenda #7 - August 2023	EV bus Mfg. Proterra declares bankruptcy
Addenda #32 - January 2024	EV performance; industry "facts" vs. reality, cold weather performance issues
Addenda #37 - February 2024	NYS electric school bus mandate
Addenda #42 - April 2024	EV demand slowdown, inventory surges, production cuts, layoffs
Addenda #51 - July 2024	EV charging station problems, EV manufacturer losses, Fisker bankruptcy
Addenda #60 - August 2024	EV and battery manufacturers cut/pause production
Addenda #67 - November 2024	Biden admin order to electrify federal fleet
Addenda #68 - November 2024	Biden admin EPA final standards, 30-56% all vehicles would be electric by 2032
Addenda #73 - February 2025	Trump E.O. revokes Biden order to electrify federal fleet & EPA tailpipe emissions
Addenda #76 - March 2025	NASCAR <i>EV.R</i> electric racecar, racing crash fires, EV fires (thermal runaway)
	Formula E electric race car battery explosions & fires
Addenda #60 - June 2025U	GM to invest \$1.74B in V-8 engine production, EV sales continue to fall in the U.S.
Addenda #68 - November 2025U	Trump EPA "reconsiders" CA emissions waivers, Congress revokes them
Addenda #37 - December 2025U	Electric school bus mandate roadblocks, extreme weather & funding problems
Addenda #60 -February 2026U	Stellantis N.V. takes \$26 billion "hit" due to slow EV sales, moving away from Evs
Addenda #37 - April 2026U	WGCS D Capital Campaign fails for a second time; required for electric bus transition
Addenda #99-1 - May 2026	Lawmakers approve five-year delay in state's electric bus mandate

Global Compact for Migration

Addenda #46 - May 2024	Global Compact for Migration, Regional Refugee and Migrant Response Plan
	NGO's aid migration to all 48 states, Heritage Foundation study on immigrant movement demographics for permanent change, <i>The Plot to Change America</i>
Addenda #65 - October 2024	ICE non-detained docket of criminals, deaths/murders caused by illegals, CBP stats
	EU migrant crime, US migrant crime, FBI crime warnings
Addenda #65 - November 2024U	ICE enforcement & removal stats, illegal criminals, Sanctuary States refuse to cooperate
	Jose Ibarra trial for murder of Laken Riley
Addenda #65 - December 2025U	illegal immigrant sets fire to sleeping woman on NYC subway, Gov Hochul takes selfie
Addenda #72 - January 2025	E.O. revoke Global Compact & declare Nat Em at Southern Border, ICE arrests
Addenda #17 - January 2025U	Laiken Riley Act receives 159 Democrat "Nay" votes in House, 35 in Senate
Addenda #65 - April 2025U	ICE arrests, Nationwide Encounters fall, opponents call for violence to stop them
Addenda #89 - August 2025	Harjinder Singh, Florida traffic accident, petitions for clemency
Addenda #89 - October 2025U	Death on the Roads: How Undocumented Immigrants in Trucking Endanger American Truckers and Families
Addenda #65 - November 2025U	ICE agents targeted by press, politicians and the public
Addenda #46 - November 2025U	2 million illegals out of the U.S., reduction in immigration flow, U.S. Asylum policy char
Addenda #89 - February 2026U	ICE takes semi driver into custody after Indiana crash killed 4
Addenda #94 - March 2026	Angel Families W.H. Ceremony & SOTU Address
Addenda #89 - June 2026U	Chinese immigrant who spoke no English blamed for tour bus crash that killed five
Addenda #89 - September 2026U	ICE launches CDL fraud tipline as DHS highlights deadly crashes involving illegal trucker

SDG Enforcement by Global Organizations

Addenda #36 - January 2024	U.N. failures; pro-Palestine / anti-Israel
Addenda #50 - July 2024	EU Corporate Sustainability Due Diligence Directive; GHG emissions penalties
Addenda #94 - October 2025	U.N. failures; Protect religious groups (Jewish and Christians)
Addenda #95 - November 2025	COP30, disagreements and "weakened climate target", global Elites hypocrisy

List of Addendas by topic:

SDG Enforcement by Global Organizations, continued

Addenda #102 - September 2026 U.N.Office of the High Commissioner for Human Rights calls for slavery reparations

Progressive Federal & State Climate Policies

Addenda #2 - June 2023	NYS natural gas hookup ban for residential and commercial buildings beginning in 2026
Addenda #21 - November 2023	NYS to require 100% "clean power" generation by 2030 / Electricity supply shortage
Addenda #28 - December 2023	Biden Dept of Energy nat. gas furnace efficiency regulations = increased costs
Addenda #29 - December 2023	Berkley CA ban on nat. gas appliances blocked by Circuit Court
Addenda #43 - April 2024	NY HEAT Act; no free nat. gas hookups, no maintenance or expansion of infrastructure
Addenda #45 - May 2024	National Grid rate hike request
Addenda #63 - September 2024	NYS locals resist renewable projects, RAPID Act speeds approvals, bypasses locals
Addenda #64 - September 2024	new DOE regulations on gas appliances, air conditioners, dish washers, light bulbs
Addenda #69 - November 2024	CA ABX2-1 will "oversee" refineries, CA gasoline, Phillips 66 to close LA refinery
Addenda #70 - December 2024	NY & NYC energy shortfalls, Clean Path NY, Champlain Hudson Power Express
Addenda #71-1 - December 2024	CA "ban" on motorhome sales, economic impact on industry and tourism
Addenda #71-2 - December 2024	NY "ban" on motorhome sales, economic impact on industry and tourism
Addenda #63 - April 2025U	Maple Harvest wind farm, Tully NY; permitting, landslide zone, lifespa
Addenda #45 - May 2025U	National Grid "double digit" rate hike request
Addenda #69 - June 2025U	Valero Energy closes CA refinery, Chevron transfers headquarters to Texas
Addenda #84 - July 2025	NY All-Electric Buildings Act codified, electric prices, climate mandates, grid failures
Addenda #45 - September 2025U	National Grid rate hike request approved by PSC, Gov. Hochul "outraged"
Addenda #90 - September 2025	NY State Climate Superfund Act, court challenges, CLCPA costs
Addenda #93 - October 2025	New York 2025 Draft State Energy Plan: Failure of emissions/renewable energy goals
Addenda #68 - November 2025U	Senate votes to revoke California Advance Clean Cars II Act requiring electrification
Addenda #69 - January 2026U	California refinery, pipeline and gas station closures threaten multiple states
Addenda #93 - January 2026U	New York 2025 State Energy Plan approved
Addenda #2 - February 2026U	NY All-Electric Buildings Act paused during litigation
Addenda #97 - March 2026	NYSERDA letter on the "Likely Cost of CLCPA Compliance"
Addenda #99-2 - May 2026	New York scales back green energy mandates in climate law
Addenda #84 - June 2026U	New York Electric Grid Faces Narrow Reliability Margin Heading into Summer
Addenda #2 - July 2026U	NY All-Electric Buildings Act ruled legal: electric grid costs = double digit rate hikes

Rare Earth Minerals

Addenda #15 - November 2023	Low global copper supply imperils climate goals: Freeport McMoran CEO says
Addenda #26 - December 2023	How rare earth mineral mining exploits child and forced labor
Addenda #83 - July 2025	"China's EV shame" documentary; Morowalii nickel mine, Weeder Bay nickle mine

Renewable Power Sources

Addenda #3 - July 2023	Offshore wind projects being cancelled; higher costs, supply chain issues
Addenda #10 - August 2023	Utility scale solar installations falling due to higher costs, supply chain issues
Addenda #19 - November 2023	Renewable projects pushback by local communities, rising costs and delays
	NY Offshore Wind project cancellations, NYSERDA Offshore Wind Solicitations
Addenda #20 - November 2023	Biden admin. Pressure to shut down Snake River hydroelectric dams
Addenda #22 - November 2023	Coal plant closures threaten reliable power for millions
Addenda #30 - January 2024	Equinor & bp scrap NY offshore wind project; costs, interest rates, supply chain
	NYSERDA to let developers re-bid projects after PSC refused to renegotiate contract

List of Addendas by topic:

Renewable Power Sources continued

Addenda #31 - January 2024	1st offshore floating wind farm taken offline for maintenance, capacity factor = 54%
Addenda #34 - January 2024	Orsted withdraws from offshore wind deal with Maryland
Addenda #35 - January 2024	offshore wind project hazards to fish, birds, mammals

Renewable Power Sources, continued

Addenda #38 - February 2024	California's ambitious offshore wind goal seen as unachievable
Addenda #40 - February 2024	NYS offshore wind solicitation awards; re-bid of cancelled projects at higher prices
Addenda #3, 30 & 34 - July 2024	offshore wind turbine blade failures
Addenda #56 - August 2024	SunPower solar mfg. bankruptcy
Addenda #3 - September 2024U	offshore wind project cancellations, Spain, Portugal, New Jersey, Maryland, Ohio
Addenda updates - September 2024	Maryland offshore wind project cancelled (ORECs), climate goals will not be met
Addenda #66 - October 2024	Hawaii's electric grid failures, rolling blackouts
Addenda #73 - February 2025	Trump E.O. pauses wind lease sales & offshore permitting, update on NY projects
Addenda #74-1 - February 2025	California renewable power status, state energy consumption, "peak sun" solar
Addenda #74-2 - February 2025	California battery storage requirements, fires at battery storage facilities, BESS failure rate
Addenda #75 - February 2025	California Ivanpah thermal solar facility; failure to produce cheap electricity, closure
Addenda #34 - February 2025U	Atlantic Shores wind project cancelled, increased rates, supply chain issues
Addenda #80 - May 2025	23-hour power blackout in Spain and Portugal, caused by unreliable solar, Spain's renewable energy goal, unreliability of hydro, wind and solar gen., contrast w/ NYS
Addenda #81 - June 2025	Chinese "kill switches" found in utility solar inverters, electric grid vulnerability
Addenda #24 - July 2025U	Netherlands ration electricity; fossil fuel plants close, renewables/grid improvements fall
Addenda #3 - August 2025U	"Over 100 GW of U.S. solar & wind projects no longer profitable", tax breaks cut
Addenda #85 - August 2025	Offshore wind farm installed capacity vs. actual output; Renewable is not Reliable
Addenda #86 - August 2025	Offshore wind farms devastating for fishing trade, marine mammals, environmental pollution
Addenda #87 - August 2025	Ørsted blames lack of wind for pessimistic profit forecast; renewable energy capacity factor, UK offshore wind power output chart
Addenda #88 - August 2025	Wind turbine lifespan: decreased output & profit, replacement costs
Addenda #88 - August 2026U	Trump admin. does something about unqualified & illegal truckers: 'ICE Launches Tiplin for Reporting CDL Fraud', detailing recent fatal accidents, pro-illegal advocates furious

Storage Battery issues

Addenda #55 - August 2024	Li battery explosions & fires
Addenda #61 - September 2024	FAA Li battery "incidents" on planes, EV battery fires

Smart: Cities, Meters Thermostats

Addenda #14 - October 2023	National Grid "Smart Meter" program; potential surcharges for "excessive" use?
Addenda #39 - February 2024	NYS Smart Energy Savings Initiative
Addenda #52 - July 2024	DOE Energy Savings Guide, Smart Appliances, SCE Energy Event

Sustainable Consumption

Addenda #8 - August 2023	plant based meat disappoints
Addenda #9 - August 2023	14 American cities plan to ban meat, dairy & private vehicles
Addenda #11 - September 2023	public health and cost issues of plant based foods
Addenda #33 - January 2024	Global Elites won't play by the same rules
Addenda #8&11 - July 2024	McDonald's plant-based burger a huge failure

List of Addendas by topic:

Sustainable Living

Addenda #16 - November 2023

Addenda #8 - September 2024

Addenda #99 - July 2026

NY Governor drops plan to overrule local zoning re: lot sizes for more housing

global Elites plan to change consumption patterns of "affluent middle-class"

Heat Alerts in European countries, needless heat-related deaths, restrictions on AC

Sustainable Production

Addenda #49 - July 2024

Farmers protest the European Green Deal, alt fuels, fertilizers, emissions, voter unrest

U.N. Agenda 2030

Addenda #17 - November 2023

U.N. "roadmap" for accelerated SDG action; must take **urgent** action

Energy saving innovations by private sector business

U.N. 30x30 Plan

Addenda #1 - June 2023

Addenda #4 - July 2023

Addenda #5 - August 2023

Addenda #6 - August 2023

Addenda #12 - September 2023

Addenda #41 - February 2024

Addenda #63 - September 2024

Addenda #79 - March 2025

Addenda #84 - August 2025

U.S. Bureau of Land Management "conservation leases" to prevent mining & drilling

Biden admin. kills copper mine projects in Arizona & Minnesota

Biden admin. declares Amache Natl Historical site a U.S. Park (land conservation)

Biden admin. Establishes new Natl. Monuments in AZ, NV & TX (land conservation)

Biden admin. 50-year mining ban in New Mexico (land conservation)

Regional Fisheries Compensatory Mitigation Fund for offshore wind projects

NY Governor Hochul signs 30x30 conservation legislation

2024 UN Report shows lack of progress on SDG's, importance of rain forests,

8 miles of Amazon forest felled to build road to 2025 COP30 summit in Brazil

Offshore wind farm effects; the UK & North Atlantic, "takes" and "Harrassment"

permit approvals, fishing grounds affected, whale deaths, turbine lubricant leaks

Who is Behind Climate Policy?

Addenda #23 - November 2023

Watchdog group *Protect the Public Trust* policy paper behind Biden admin. policy
