We are a 501(c)(3) nonprofit organization focused on improving the quality of life in our community.

As grant makers and stewards of philanthropy, we're dedicated to supporting local charitable efforts. Since 2012, we've awarded more than \$200,000 in grants to help fund community projects and initiatives. Our goal is to provide financial support while also fostering positive change and encouraging collaboration. Through our work, we aim to strengthen our community and create lasting benefits for everyone.

How We Work

YOUR GIFT

01

We accept a wide variety of gifts including cash, checks, stock, life insurance, mutual funds, and annuities.

INVESTING

02

Endowment funds support our community both today and for generations to come. Your gift is invested according to our expert strategy to create long-term growth.

EARNINGS

03

As your original gift grows, a portion of the fund's income remains invested so it continues to grow and support our community in perpetuity.

GRANTS

04

The remaining income can be distributed as grants from your fund to support causes such as nonprofits, schools, churches, scholarships, and more.

DUE DILIGENCE

05

We carefully review and verify the compliance and eligibility of recommended grant recipients before distributing funds, providing donors with peace of mind.

CHECKS ISSUED

06

Checks are issued to qualifying organizations in our area making it easy for you to make a difference.

Welcoming Our New Funds

Iola Senior Citizens, Inc. Endowment

This agency fund was established to support the Iola Senior Citizens in covering project costs and operating expenses. The fund was initially created by the Senior Citizens with the primary goal of financing their initiative to provide school supplies annually for children in Allen County.

Coach Neil Crane ACC Endowment

This agency fund was founded by Allen Community College to honor Coach Neil Crane for his dedicated years of service as the college's basketball coach. The fundraiser aimed at establishing this fund will enable ACC to name the gymnasium floor in Coach Crane's honor. Future contributions to the fund will support renovations to the ACC gymnasium.

Gary & Barbara McIntosh Historical Education Endowment

The Designated Fund was established by Gary and Barbara McIntosh to provide operational support for the following historical education sites: Fort Lincoln School in Fort Scott, School House No. 9 in Linn County, and the nonprofit Free State Capital.

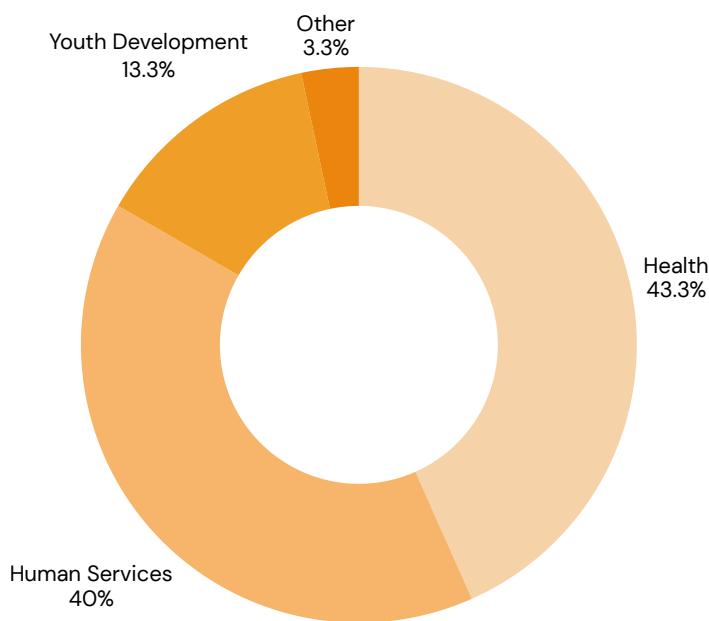

Our 2024 Community Grant Cycle

Each year, we organize a community grant cycle to support initiatives that address the most pressing needs in our area. This year, our grant cycle ran from August 1st to October 1st. During this period, we received a record number of applications. From our endowments, we were able to distribute nine grants, for a total of \$15,000. These grants are awarded to nonprofit organizations to help fund their projects and cover essential expenses, all with the goal of improving our community in the areas of greatest need.

\$1,000 – Moran Youth Recreation to purchase rec equipment and jerseys for the children.

\$2,000 – Pregnancy and Family Center to fund their project safe with access to car seats and pick-n-play bedside sleepers.

Match Month

We organized a month-long fundraising campaign aimed at growing our endowed funds. Thanks to the generous support of the Patterson Family Foundation, we were able to offer a proportional match on each donation made to the foundation during the event. The grant allowed us to match contributions up to a total of \$70,000. During the event we raised \$91,580.01, earning the full match, and bringing our total raised to \$161,580.01

Words from our loyal donors:

"If citizens in our area support our Community Foundation located in Allen County, Kansas, we can achieve much more in our efforts to support local nonprofits, foster economic development, promote education, and address various community challenges for generations to come."

~ Gary & Barbara McIntosh

"We are honored to support Your Community Foundation, recognizing that our contribution not only yields immediate benefits to the community but also ensures support that extends year after year, in perpetuity."

~ Job & Katrina Springer
