

SAUDER[™]
CLOSETS

The Possibilities are Endless!

IMAGINE A PLACE WHERE TRADITION MEETS INNOVATION

Original Sauder factory - 1937

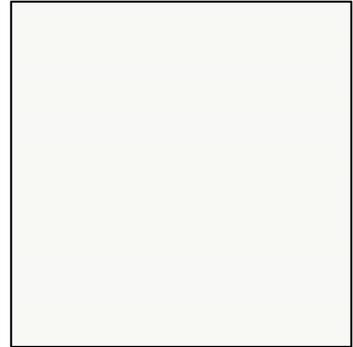

Sauder Campus - Today

ABOUT SAUDER CLOSETS

Established in 1934, we are a third-generation, family-owned company located in Archbold, Ohio. Sauder was founded on the principles of stewardship and servanthood. Three generations later, our family continues to honor these values with environmentally responsible processes that endeavor to preserve the future of our world. Sauder Closets is no exception. Manufactured in the US, we applied decades of furniture manufacturing, including integrity and craftsmanship, to create a revolutionary line of affordable closets of incredible value.

Manufactured in Archbold, Ohio U.S.A.

Since 1934

SHELF & ROD SYSTEM – INSTALLATION HEIGHT STANDARDS

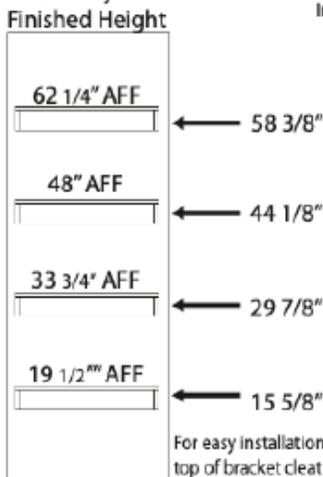

AFF- Above Finished Floor.

- Install bottom of cleats $3\frac{7}{8}$ " below desired AFF height to have top of shelf line up with AFF
- Shelf must be supported by bracket or side cleat at most every 32"
- Shelves not ending on a side cleat must be supported by a bracket no more than 10" from the shelf edge.

Single Hang only (coat or bed closets*)

Linen/Pantry 4 Shelf

Install Bottom of Cleat at heights below
Assumes 6" baseboard.
Field adjust heights if necessary.

Linen/Pantry 5 Shelf

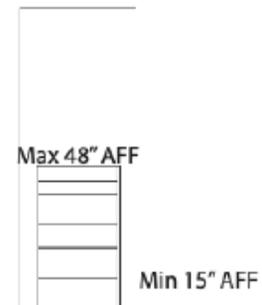

For easy installation stack bracket cleat on top of baseboard, install back cleat on top of bracket cleat set next bracket cleat on top of back cleat and repeat.

Don't secure bracket cleats if width of closet is less than 32" because no brackets will be required. Using them for spacing only.

Single Hang ANSI Accessible

ANSI Shelving

WOODTRAC® CLOSET PRODUCTS LIMITED WARRANTY

WoodTrac® by Sauder provides limited lifetime warranty coverage on WoodTrac® Closet Products (the "Products") to the original first use retail consumer ("Consumer") as set forth in this limited warranty statement. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Limited Lifetime Warranty Coverage: WoodTrac® warrants that the Products will be free from defects in material and workmanship under conditions of normal, residential use, for the lifetime of the Products. This limited warranty extends only to the original, first-use retail Consumer, and is not transferable.

Limitations on Warranty Coverage: WoodTrac's® Limited Lifetime Warranty (described above) is the only warranty coverage provided by WoodTrac® for the Products, and is in lieu of all other warranties. Under the laws of certain states, there may be no implied warranties from WoodTrac®, and ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED AND EXCLUDED TO THE FULLEST EXTENT ALLOWED BY LAW.

Exclusions from Coverage: This limited warranty does not cover defects arising from (1) the improper installation or use of the Products; (2) abuse or neglect; (3) any commercial, rental or non-residential use of the Products (including the installation and use of the Products in a commercial or rental structure); or (4) normal wear and tear.

Exclusive Remedy: WoodTrac® will (at its option) repair or replace any defective Products (or components) at no charge, subject to confirmation of the defect and proof of purchase, as the sole and exclusive remedy under this limited warranty. This limited warranty does not cover costs for installation, returning any defective Products to WoodTrac®, for removal or other labor costs in connection with the repair or replacement of the Products, all of which shall be the responsibility of the Consumer. WoodTrac's® liability under this limited warranty shall not exceed the purchase price of the Products. WoodTrac® shall have NO LIABILITY FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, and all such claims and damages are DISCLAIMED AND EXCLUDED FROM THIS LIMITED WARRANTY. You must notify WoodTrac®, in writing, within 90 days after discovering any defect in order to receive limited warranty coverage.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you.

To Obtain Warranty Service or Information: For warranty inquiries or claims, contact WoodTrac® at 1-855-854-7465, 502 Middle Street, Archbold, OH (USA) 43502, woodtrac@sauder.com. Return of any defective Product may be required by WoodTrac®, or we may elect to examine the product at its location. If we ask you to ship any Products to us, we will issue you a return authorization number and provide return instructions. For returned Products to qualify for limited warranty coverage, they must be returned in the original or equivalent packaging, in accordance with the shipping instructions you receive from us, and must prominently display the return authorization number on the return package.

WARNING

Please use your furniture correctly and safely. Improper use can cause safety hazards, or damage to your furniture or household items. *Carefully read the following chart.*

Look out for:	What can happen:	How to avoid the problem:
<ul style="list-style-type: none"> Loose or unstable closet components. Tall closet component structures. Closet component structures that are over five feet tall and placed in an open area or a walk-in closet. 	<ul style="list-style-type: none"> Risk of injury Closet components that are not properly connected can easily slide against each other and cause the structure to be unstable and tip over. A tall closet structure can tip unless it is properly secured. 	<ul style="list-style-type: none"> Closet components must be securely attached to each other from side to side, and top to bottom. Secure the closet structure to a wall stud whenever possible. If you cannot use a wall stud, use the supplied wall anchors into your drywall. <p>(If attaching the product to a wall made of concrete, plaster, or other material, purchase and use the appropriate mounting hardware. The attachment hardware must be rated to provide a minimum of 50 pounds of pull strength.)</p>
<ul style="list-style-type: none"> Overloaded drawers and shelves. 	<ul style="list-style-type: none"> Risk of injury. Top-heavy furniture can tip over. Overloaded drawers or shelves can break. 	<ul style="list-style-type: none"> Never exceed the weight limits shown in the instructions. Work from bottom to top when loading shelves and drawers. Place the heavier items on the lower shelves or in lower drawers.
<ul style="list-style-type: none"> Improper use of furniture to support TVs. Setting TVs on furniture items not intended to support them is hazardous. 	<ul style="list-style-type: none"> Risk of injury. TVs can be very heavy. Plus the weight and location of the picture tube tends to make TVs unbalanced and prone to tipping forward. 	<ul style="list-style-type: none"> This product is not designed to support a television.

PRODUCT COMPOSITION

Our Gracious Home wood shelving is made of 3/4" furniture-grade particleboard with a high-definition micro paper laminate. The high heat and pressure used in manufacturing result in a very strong, environmentally-friendly product.

Our wood products are made of over 80% recycled products. All wood panels used at our production facility are "Environmentally Preferred Product" (EPP) by the Composite Panel Association.

PRODUCT CARE

While laminate products are durable, like any wood product they are not water resistant. We recommend quickly wiping any spilled liquid to prevent damage.

To clean we recommend light dusting or wiping the surface with a wax-based polish (Pledge or Endust, for example) and a dry cloth. Spray should be applied to cloth and not directly to furniture. Never use any type of abrasive cleaner or soap detergent on laminate surfaces.
