INSTALLATION

INSTALL TWO WAYS

A fixed shelving installation with standard pin drive anchored hardware is the fastest and most economical installation method. For installations that require adjustability such as Assisted Living Facilities or ADA compliant units combine WireTrac Shelving with SpaceTrac Standards and Brackets.

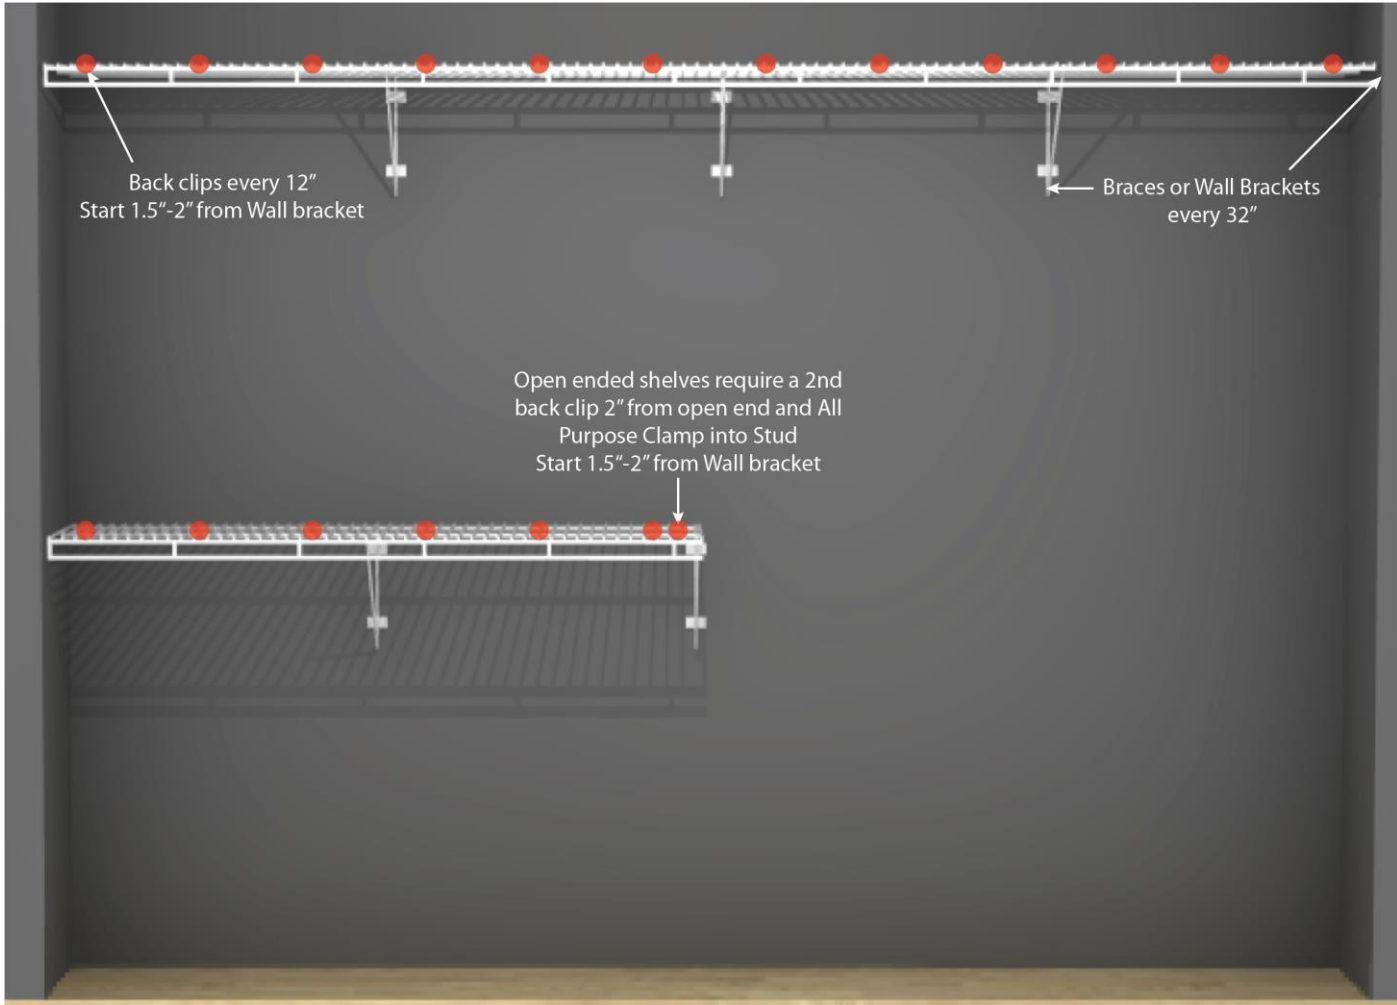

FIXED SHELVING

ADJUSTABLE SHELVING

PRODUCT SPECIFICATIONS

PRODUCT FINISH

Finish coat of epoxy/polyester hybrid powder coating, which provides a hard smooth, durable finish of between 3-5 mils thick to provide continuous protective coating.

WHITE

A bright, clean look.
Always a classic

PRODUCT COMPOSITION

Grade C 1008 bright basic cold drawn steel wire with average tensile strength 100,000 PSI. All Steel wires shall be resistance welded at intersection of cross deck wires.

PRODUCT CARE

Use a non-abrasive damp cloth with mild soapy solution. Avoid excess water and dry the surface completely with compressed air or a dry lint free cloth after cleaning. Avoid harsh chemical cleaners.

WARRANTY & WARNINGS

WOODTRAC® CLOSET PRODUCTS LIMITED WARRANTY

WoodTrac® by Sauder provides limited lifetime warranty coverage on WoodTrac® Closet Products (the "Products") to the original first use retail consumer ("Consumer") as set forth in this limited warranty statement. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Limited Lifetime Warranty Coverage: WoodTrac® warrants that the Products will be free from defects in material and workmanship under conditions of normal, residential use, for the lifetime of the Products. This limited warranty extends only to the original, first-use retail Consumer, and is not transferable.

Limitations on Warranty Coverage: WoodTrac's® Limited Lifetime Warranty (described above) is the only warranty coverage provided by WoodTrac® for the Products, and is in lieu of all other warranties. Under the laws of certain states, there may be no implied warranties from WoodTrac®, and ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE DISCLAIMED AND EXCLUDED TO THE FULLEST EXTENT ALLOWED BY LAW.

Exclusions from Coverage: This limited warranty does not cover defects arising from (1) the improper installation or use of the Products; (2) abuse or neglect; (3) any commercial, rental or non-residential use of the Products (including the installation and use of the Products in a commercial or rental structure); or (4) normal wear and tear.

Exclusive Remedy: WoodTrac® will (at its option) repair or replace any defective Products (or components) at no charge, subject to confirmation of the defect and proof of purchase, as the sole and exclusive remedy under this limited warranty. This limited warranty does not cover costs for installation, returning any defective Products to WoodTrac®, for removal or other labor costs in connection with the repair or replacement of the Products, all of which shall be the responsibility of the Consumer. WoodTrac's® liability under this limited warranty shall not exceed the purchase price of the Products. WoodTrac® shall have NO LIABILITY FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, and all such claims and damages are DISCLAIMED AND EXCLUDED FROM THIS LIMITED WARRANTY. You must notify WoodTrac®, in writing, within 90 days after discovering any defect in order to receive limited warranty coverage.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you.

To Obtain Warranty Service or Information: For warranty inquiries or claims, contact WoodTrac® at 1-855-854-7465, 502 Middle Street, Archbold, OH (USA) 43502, woodtrac@sauder.com. Return of any defective Product may be required by WoodTrac®, or we may elect to examine the product at its location. If we ask you to ship any Products to us, we will issue you a return authorization number and provide return instructions. For returned Products to qualify for limited warranty coverage, they must be returned in the original or equivalent packaging, in accordance with the shipping instructions you receive from us, and must prominently display the return authorization number on the return package.

WARNING

Please use your furniture correctly and safely. Improper use can cause safety hazards, or damage to your furniture or household items. *Carefully read the following chart.*

Look out for:	What can happen:	How to avoid the problem:
<ul style="list-style-type: none"> Loose or unstable closet components. Tall closet component structures. Closet component structures that are over five feet tall and placed in an open area or a walk-in closet. 	<ul style="list-style-type: none"> Risk of injury Closet components that are not properly connected can easily slide against each other and cause the structure to be unstable and tip over. A tall closet structure can tip unless it is properly secured. 	<ul style="list-style-type: none"> Closet components must be securely attached to each other from side to side, and top to bottom. Secure the closet structure to a wall stud whenever possible. If you cannot use a wall stud, use the supplied wall anchors into your drywall. <p>(If attaching the product to a wall made of concrete, plaster, or other material, purchase and use the appropriate mounting hardware. The attachment hardware must be rated to provide a minimum of 50 pounds of pull strength.)</p>
<ul style="list-style-type: none"> Overloaded drawers and shelves. 	<ul style="list-style-type: none"> Risk of injury. Top-heavy furniture can tip over. Overloaded drawers or shelves can break. 	<ul style="list-style-type: none"> Never exceed the weight limits shown in the instructions. Work from bottom to top when loading shelves and drawers. Place the heavier items on the lower shelves or in lower drawers.
<ul style="list-style-type: none"> Improper use of furniture to support TVs. Setting TVs on furniture items not intended to support them is hazardous. 	<ul style="list-style-type: none"> Risk of injury. TVs can be very heavy. Plus the weight and location of the picture tube tends to make TVs unbalanced and prone to tipping forward. 	<ul style="list-style-type: none"> This product is not designed to support a television.
