

Blue Advance LLC

Capability Statement

COMPANY SUMMARY

Operated by senior executives who are retired Special Forces, our team consists of seasoned professionals with a deep understanding of Security Cooperation and Security Assistance environments and the specific needs of today's partner nations. Blue Advance builds enduring partnerships with relevant organizations. Our bottom-up approach galvanizes collaborations and advances bilateral and multi-lateral engagements. We are prepared to navigate the obstacles to multinational interoperability and provide world-class on-time advice, assistance, analysis, assessment, mentorship, equip and guidance. We understand how to create efficiencies and how to be effective in all we do to simplify costs while delivering world-class services.

A WORLD CLASS APPROACH

Blue Advance has a strict set of rules and values to ensure we are successful in every endeavor.

- Honesty: We are committed to keeping our word and honoring our promise to keep standards.
- Integrity: We do what is right and act sincerely and ethically. We adhere to moral principles.
- Innovation: We overcome challenges with creativity and create value through innovative ideas.
- Partnership: We work as a team and take an active role in helping shape the environment.
- Accountability: We take ownership and deliver on our promise.
- Service: We are committed to gallantly and respectfully serving our nation, and partner nations in all that we do.

Blue Advance LLC

Capability Statement

VISION

Blue Advance is quickly becoming the preferred consulting firm to accomplish the most challenging and complex Security Cooperation and Security Assistance engagements.

CERTIFICATIONS

SDVOSB

As a certified service-disabled veteran-owned small business (SDVOSB), Blue Advance can receive direct-award contracts and is authorized to compete under select set-aside categories described above.

Minority-Owned Business, Veteran-Owned Business, Hispanic American Owned Business.

DIFFERENTIATORS

Strategic Leadership. Our strategic leaders are very well structured, professionalized, and prepared to face the challenges of the uncertain environment. Our SMEs are prepared to anticipate, face challenges, interpret, decide, align, and learn.

Compliance. Timing is everything in staying compliant. We have clear and concise policies and procedures related to federal regulation compliance programs.

Quality Assurance. We execute a systematic process that establishes standards, guidelines, and procedures to prevent quality issues and maintain the integrity of a product or service throughout its development. We are focused on preventing risks that could affect quality during service delivery.

Task Order & Performance Work Statement. TO & PWS is a critical component in the realm of contracting and project management. Our strategic approach to contracting is nested on clear and concise plan to achieve desired deliverables.

Blue Advance LLC

Capability Statement

PAST PERFORMANCE

Blue Advance leadership possesses more than seventy-five (75) years of strategic, operational and tactical leadership and expertise serving our Nation in different capacities. Engaged with over fifty (50) Partner Nations, International Organizations (IO), Non-Government Organizations (NGOs) in support of Security Cooperation Programs. Led operations, actions, activities, and initiatives (OAAI) in Counter-Drug, Counter Narco-Terrorism, Humanitarian Assistance / Humanitarian Response, Training and Curriculum Development in a complex political-military environment. Our strategic leaders served with: US Central Command, US Southern Command, U.S. Special Operations Command (SOC), Special Operations Joint Task Force – Afghanistan (SOJTF-A), Command, Special Operations Joint Task Force – Central (SOJTF-C), Special Operations Command South (SOC SO), GDIT, Raytheon, Pacific, Architects and Engineers (PAE), Vistra Communications and supported dozens of U.S. Embassies across the globe.
