Dear Parents and Well-Wishers,

It gives me great pleasure to welcome you to our school. Our institution is a place where young minds are nurtured with care, values, and quality education. We believe that every child is unique and has the potential to grow academically, socially, and emotionally.

Our dedicated team of motherly-teachers works with commitment and passion to create a safe, joyful, and disciplined learning environment. Along with academic excellence, we focus on moral values, creativity, confidence, and overall personality development of our students.

We encourage active participation of parents, as we believe that a strong partnership between school and home plays a vital role in a child's success. Together, let us guide our children towards a bright and meaningful future.

I warmly invite you to be a part of our school family and join us in this journey of learning and growth.

With best wishes,

**OSERD**

Oriental Public School, Baramboi, is managed by the Oriental Society for Education Research and Development(OSERD), an educational society dedicated to promoting quality education and educational research. The Society is guided by the principles of equity, inclusion, and holistic development, in alignment with the National Education Policy (NEP) 2020 and NCF 2023.

The management believes that education should foster the cognitive, social, emotional, physical, and ethical development of every learner. Guided by child-centric and research-based educational practices, the School offers a safe, inclusive, and enriching learning environment that nurtures critical thinking, creativity, strong values, and lifelong learning.

Through effective governance, continuous professional development of teachers, and active community engagement, the management strives to develop confident, responsible, and globally competent citizens who are well-prepared to meet the challenges of a rapidly changing world.

## **AN EDUCATION WE WANT**

We are committed to offering a well-rounded education that goes beyond academics. Our aim is to nurture students' physical, emotional, social, and intellectual growth through a balanced curriculum that includes co-curricular and extra-curricular activities.

## **TECHNOLOGY INTEGRATION**

As part of our strategic plan, we are embracing technology to enhance the learning experience. Our classrooms are equipped with modern educational tools, and we are implementing digital learning platforms to ensure that students develop the skills needed to succeed in a tech-driven world.

## **QUALITY ASSURANCE**

Continuous improvement is at the heart of our strategy. We have implemented a rigorous system of performance assessments for both students and teachers. Regular feedback, data-driven insights, and professional development programs for faculty are part of our ongoing commitment to maintaining high educational standards.

## **INNOVATION AND CREATIVITY**

Innovation is a key driver of our academic program. We are focused on promoting creative thinking, problem-solving, and a mindset of curiosity among our students. Through project-based learning, cross-disciplinary activities, and innovation labs, we aim to cultivate a culture of innovation.

## **SUSTAINABILITY AND GROWTH**

Our strategic plan is designed for long-term sustainability and growth. We are focused on building a robust infrastructure, maintaining financial stability, and expanding our programs to ensure Oriental Public School continues to thrive for generations to come.
