This is the Zodiac speaking.
I am the murderer of the
taxi driver over by
Washington St & Maple St last
night, to prove this here is
a blood stained piece of his
shirt. I am the same man
who did in the people in the
north bay area.

The S.F. Police could have caught
me last night if they had
searched the park properly,
instead of holding road races
with their motorcycles seeing who
could make the most noise. The
car drivers should have just
parked their cars & sat there
quietly waiting for me to come
out of cover.

School children make nice targ-
ets, I think I shall wipe out
a school bus some morning. Just
shoot out the front tire & then
pick off the kiddies as they come
bouncing out.

Sorry I haven't
written,

but I just
washed
my pen...

This is the Zodiac speaking
up to the end of Oct I have
killed 7 people. I have grown
rather angry with the police
for their telling lies about me.
So I shall change the way the
collecting of slaves. I shall
no longer announce to anyone.
when I comitt my murders,
they shall look like routine
robberies, killings of anger, &
a few fake accidents, etc.

The police shall never catch me,
because I have been too clever-
for them.

- 1 I look like the description
passed out only when I do
my thing, the rest of the time
I look entire different. I
shall not tell you what my
descise consists of when I kill
- 2 As of yet I have left no
finger-prints behind me contrary
to what the police say

Nov 9, 1969

3/6

in my killings I wear transparent finger-tip guards. All it is is 2 coats of airplane cement coated on my finger-tips - quite unnoticable & very effective.

3 my killing tools have been bought in through the mail order outfits before the ban went into effect. except one & it was bought out of the state.

So as you see the police don't have much to work on. If you wonder why I was wiping the cab down I was leaving false clues for the police to run all over town with, as one might say, I gave the cops some busy work to do to keep them happy. I enjoy needling the blue pigs. Hey blue pig I was in the park - you were using fire trucks to mask the sound of your cruising prowling cars. The dogs never came within 2 blocks of me & they were to the west & there was only 2

groups of parking about 10 min
apart then the motor cycles
went by about 150 ft away
going from south to north west.

ps. 2 cops pulled a goof abot 3
min after I left the cab. I was
walking down the hill to the
park when this cop car pulled up
& one of the m called me over
& asked if I saw any one
acting sapicious or strange
in the last 5 to 10 min & I said
yes there was this man who
was runnig by waving a gun
& the cops peeled rubber &
went around the corner as
I directed them & I dissap-
eared into the park ablock &
a half away never to be seen
again.

Hey pig doesnt it rile you up
to have you noze rubbed in your
boobooos?

If you cops think I'm going to take
on a bus the way I stated I was,
you deserve to have holes in your
heads.

the system checks out from one end to the other in my tests. What you do not know is whether the death machine is at the sight or whether it is being stored in my basement for future use. I think you do not have the manpower to stop this one by continually searching the road sides looking for this thing. & it would do to re-eval & re-schedule the bases because the bomb can be adapted to new conditions.

Have fun!! By the way it could be rather messy if you try to bluff me.

PS. Be sure to print the part I marked out on page 3 or I shall do my thing &

To prove that I am the
Zodiac, Ask the Valleso
cop about my electric gun
sight which I used to start
my collecting of slaves.

Dear Melvin

This is the Zodiac speaking I wish you a happy Christmass. The one thing I ask of you is this, please help me. I cannot reach out for help because of this thing in me wont let me. I am finding it extreemly difficult to hold it in check I am afraid I will loose control again and take my nineth & posibly tenth victom. Please help me I am drowning. At the moment the children are safe from the bomb because it is so massive to dig in & the trigger mech requires much work to get it adjusted just right. But if I hold back too long from no nine I will loose ~~complet~~ all control of my self & set the bomb up. Please help me I can not remain in control for much longer.

By the way have you cracked
the last cipher I sent you?
My name is —

A E N ⊕ ⊗ K ⊗ M ⊗ J N A M

I am mildly cerous as to how
much money you have on my
head now. I hope you do not
think that I was the one
who wiped out that blue
meannie with a bomb at the
cop station. Even though I talked
about killing school children with
one. It just wouldn't doo to
move in on someone elses territory.
But there is more glory in killing
a cop than a cid because a cop
can shoot back. I have killed
ten people to date. It would
have been a lot more except
that my bar bomb was a dud.
I was swamped out by the
rain we had a while back.

If you dont want me to have this blast you must do two things. 1 Tell every one about the bus bomb with all the details. 2 I would like to see some nice Zodiac buttons wandering about town. Every one else has these buttons like, ☺, black power, melvin eats blaber, etc. Well it would cheer me up considerably if I saw a lot of people wearing my button. Please no nasty ones like melvin's

Thank you

I have become very upset with the people of San Fran Bay Area. They have not complied with my wishes for them to wear some nice Φ buttons.

I promised to punish them if they did not comply, by anilating a full School Bass.

But now school is out for the summer, so I punished them in an another way.

I shot a man sitting in a parked car with a .38.

The Map coupled with this code will tell you where the bomb is set. You have untill next Fall to dig it up. Φ

I am rather unhappy because you people will not wear some nice ~~+~~ buttons. So I now have a little list, starting with the woeman + her baby that I gave a rather interesting ride for a couple hours one evening a few months back that ended in my burning her car where I found them.

July 26, 1970

This is the Zodiac speaking

Being that you will not wear
some nice ~~of~~ buttons, how about
wearing some nasty ~~of~~ buttons.
Or any type of ~~of~~ buttons that
you can think up. If you do
not wear any type of ~~of~~
buttons I shall (on top of every
thing else) torture all 13
of my slaves that I have
waiting for me in Paradise.
Some I shall tie over ant hills
and watch them scream + twich
and squirm. Others shall have
pine splinters driven under their
nails + then burned. Others shall
be placed in cages + fed salt
beef untill they are gorged then
I shall listen to their pleass
for water- and I shall laugh at
them. Others will hang by
their thumbs + burn in the
sun then I will rub them down
with deep heat to warm

(8/27)

them up. Others I shall
skin them alive + let them
run around screaming. And
all billiard players I shall
have them play in a dark
ened dungeon cell with crooked
cues + Twisted Shoes.
Yes I shall have great
fun in flitting the most
delicious of pain to my
Slaves

July 26, 1970

As some day it may happen
that a victim must be found.
I've got a little list. I've
got a little list, of society
offenders who might well be
underground who would never
be missed who would never be
missed. There is the pest-
ulential nunces who write
for autographs, all people who
have flabby hands and irritat-
ing laughs. All children who
are up in dates and implore
you with im platt. All people
who are shakeing hands shake
hands like that. And all third
persons who with unspoiling
take thoes who insist. They'd
none of them be missed. They'd
none of them be missed. There's
the banjo seranader and
the others of his race and
the piano orginast I got him
on the list. All people who
eat pepermint and phomphit

in your face, they would
never be missed They would
never be missed And the
Idiot who phrases with in-
thusastic tone of centuries
but this and every country but
his own. And the lady from
the provenances who dress like
a guy who doesn't cry and
the singurly abnomily the
girl who never kissed. I don't
think she would be missed
Im shure she wouldn't be
missed. And that nice impriest
that is rather rife the judic-
ial hammerest I've got him on
the list All funny fellows, com-
mic men and clowns of private
life. They'd none of them be
missed. They'd none of them be
missed. And uncompromising
kind such as wachamacallit,
thingmebob, and like wise, well-
-nevermind, and tut tut tut tut,
and whatshisname, and you know

July 26, 1970

who, but the task of filling up the blanks I rather leave up to you. But it really doesn't matter whom you place upon the list, for none of them be missed, none of them be missed.

Like I have always said
I am crack proof. If the
Blue Meannies are ever
going to catch me, they had
best get off their fat asses
& do something. Because the
longer they fiddle & fart
around, the more slaves
I will collect for my after
life. I do have to give them
credit for stumbling across
my river-side activity, but
they are only finding the
easy ones, there are a hell
of a lot more down there.

The reason that I'm writing
to the Times is this, They
don't buy me on the back pages
like some of the others.
