

Dear Friends and Supporters,

On behalf of everyone at Education for Every Child (EFEC), thank you for your continued generosity and support throughout 2025. Your partnership allows us to continue expanding educational access and opportunity for underserved students through scholarships, school support, and community-based educational initiatives.

We are pleased to share our 2025 Financial Report, which reflects both the impact of your contributions and our commitment to responsible stewardship of every donation entrusted to our organization.

During 2025, EFEC received more than \$8,500 in donations from individuals and supporters who believe in the power of education to transform lives and create long-term opportunity. Because of your generosity, approximately \$6,794 was directed toward direct program funding, primarily supporting student scholarships and education-related expenses.

Our organization remains deeply committed to ensuring that the majority of donor contributions directly benefit the students and communities we serve. Operating expenses remained intentionally lean and primarily supported website hosting and maintenance, email and communication services, state nonprofit filings, and required administrative fees necessary to maintain organizational compliance and operations.

We believe transparency and accountability are essential to building trust with our supporters, and we are proud that the overwhelming majority of our expenditures directly supported our educational mission. Your support continues to make a meaningful difference in the lives of students and families by helping create access to education, opportunity, and brighter futures.

As we look ahead, EFEC remains committed to expanding scholarship opportunities, strengthening community partnerships, and growing our impact in the communities we serve. None of this work would be possible without the kindness and generosity of supporters like you.

With gratitude,

Education for Every Child
