PRODUCT LINE

ORB Bistro

\$475 P/U

Yep, it's the tall version. The **juiceORB Bistro** provides the same offerings as the Coffee while standing at 40" tall. This form factor accommodates the same amount of devices on its illuminated work surface, 360 rotating outlets so accommodating large plugs is a breeze while delivering executive level looks. Great as a stand around table or surrounded by stools this is another great solution for your recharging needs.

DETAILS:

- ◆ Size: 31.5"W x 31.5"D x 40"H
- ◆ Weight: 40 lbs.
- ◆ 4 surge-protected UL certified outlets
- ◆ Power requirements: 15A/2000W
- ◆ Brushed stainless steel base
- ◆ Elevated feet to allow for power cable tuck below unit

the fine print.

- ♦ Prices are per unit, per show/event
- ♦ Sales tax applied where applicable
- ♦ Transportation/shipping is additional or can be customer arranged
- ♦ Customer is responsible for material handling/drayage charges if applicable
- ♦ Damage/replacement price of unit = double rental price of unit
- ♦ Graphic can only be supplied by *juiceUP Recharge Solutions, Inc.*
- ♦ Full Terms & Conditions will be supplied with Contract Agreement
- ♦ Onsite supervision and labor services available upon request for additional fees

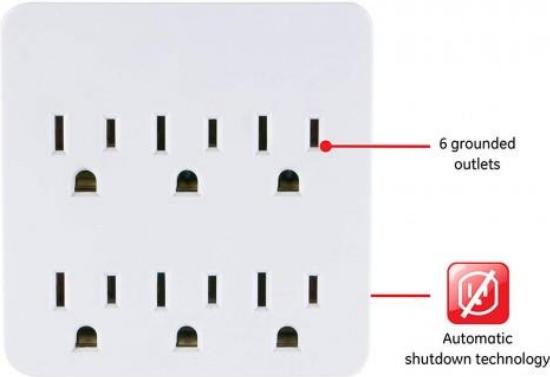

Piece of Mind:

All components are UL listed.

Automatic Shutdown Technology

Once surge protection expires, automatic shutdown technology disconnects power to the surge protector to prevent devices from being unprotected.
