

Precourse Preparation Checklist

This checklist gives you information on what you need to do to prepare for this course.
Your success in this course depends on completing this Precourse Preparation Checklist.

Bring this checklist and your Precourse Preparation certificate with you to the course.

- Complete/pass the ACLS Precourse Self-Assessment located in Student Resources
- Complete the Precourse Work (video lessons) located in Student Resources
- Complete a BLS course or be able to perform high-quality BLS, including the use of an AED, according to the 2020 AHA Guidelines for CPR and ECC
- Review the *ACLS Provider Manual*
- Understand the ACLS algorithms

Check what you have accomplished for your precourse preparation:

- ☐ ACLS Precourse Self-Assessment
- ☐ Precourse Work (video lessons)
- ☐ Print your Precourse Preparation certificate and bring it with you to class
- ☐ High-quality BLS competency
- ☐ *ACLS Provider Manual* review
- ☐ Review algorithms

I understand the need for significant precourse preparation, and I understand that without adequate precourse preparation I may not successfully complete the ACLS Course.
