**CLASS-LEADING
AIR SEAL**

**OEM EQUIVALENT
EQUIPMENT FIT**

GMI Wheels' **HD SERIES** machined wheels roll ahead of the class in air seal, tire life and quality, for long term reliability and cost savings.

Built for the extreme duty applications faced by the Komatsu 830E-5, the **HD SERIES WA6-5732-AL03-D** (46/90R57; 50/90R57) exceeds OEM quality, yet retains standard fitment for seamless installation and performance.
