

HOOF PRINTS NEWSLETTER

PINE VALLEY MOUNTAIN RIDERS
PO BOX 300 LAKESIDE, CA 92040

APRIL 2024

Prez Says:

I have been asked by many a new members about doing different camps and such, which is all good but we need to remember that our calendar is made up for the next year in October. At that time we can see about getting these out ideas scheduled in. One thing for sure it that the Tijuana River Camp will be out until the sewage is under control. They have 10,000 gal of raw sewage flowing though and now an extra 40,000 gal to be added to it. Its not a healthy area to be at for people and horses.

Members seem to be enjoying themselves with events that have not been cancelled. Hopefully the weather will cooperate with us soon.

Hoping to see more people at the meetings because it makes it more exciting. As promised I will do the best that I can with your help.

May 16-19 Green Valley Falls is all booked. Looking for something else.

Until next time, Happy Trails

Susan
