Virtual Primary Care

When Leaving The Office Is Easier Said Than Done.

Virtual Primary Care with integrated behavioral/ mental health can provide employees affordable, accessible care whenever needed in one centralized platform.

Your employees' lives are demanding. It's hard for them to find time to take care of themselves as it is, never mind when they're not feeling well. That's why we're making doctor's office visits a thing of the past.

Integrated Virtual Care

- Select and keep your own physician
- Annual wellness visits in minutes
- Free or discounted prescriptions
- Urgent care visits (24/7 access to care)
- Ongoing chronic care treatment
- Routine follow-up appointments
- Specialty referral
- Skip the germ-filled waiting rooms
- Avoid costly in-person visits
- Care navigation
- Integrated Behavioral health
 - Depression
 - Eating Disorders
 - Life changes
 - Men's issues
 - Woman's issues
 - Panic Disorders
 - Parenting Issues
 - Panic disorders
 - Grief/Loss
 - Relationship and Marriage Issues
 - Stress
 - Trauma/PTSD

Behavioral/Mental Health Virtual Care

Immediate access to master's-level clinicians trained in behavioral health crises, emotional distress, and workplace challenges. Clinicians advocate for employees, guiding them to the appropriate next level of support when needed. Confidential follow-up support, connecting individuals to the appropriate next level of care.

In-the-moment assistance for:

- Anxiety
- Depression
- Grief
- Trauma
- Addiction
- Bullying
- And more!

There when you need us.

More than ever, health matters, and when it comes to health, minutes can mean the difference between life and death. In these situations, it makes sense to have all of your medical records in one place when you actually need it. That's where FootprintID comes in. Our safe, secure solution provides the right information at the right time, when it matters most.

In a Health Emergency

Portable health records can help emergency responders deliver proper care.

Visiting a Medical Provider

Helps ensure better health outcomes with access to patient history.

Without Internet or Phone Service

Our proprietary technology is accessible on or offline.

Worry-Free Security

Our secure platform keeps confidential information protected.

**You, Your Dogs
and Cats.**

**BECAUSE PETS ARE
FAMILY TOO!**

**WE'RE
REVOLUTIONIZING
VIRTUAL
VETERINARY
CARE**

In 1988, 56% of US households had pets. Today that number has soared to 67% – 85 million families with 184 million furry friends. People now perceive their animals as beloved family members – Pet Parents have arrived.

Last year, these Pet Parents spent an all-time high of \$29 Billion on vet care and product sales alone! One in three vet visits were expensive trips to the ER with an average cost of \$800 – 1500. That's why **Peppi's Paws** created by FIG Health, a paws-itively revolutionizing virtual veterinary service!

**Now is the purr-fect time to incorporate televet as a new
ancillary Benefit for your employees or groups!**

Visit www.peppispaws.com to learn more.

Peppi's Paws is 24/7/365 days a year unlimited access to a dedicated team of licensed Veterinarians. The consultation is a realtime phone or video call via your mobile device or computer, and enables you to ask questions, get a second opinion, understand if you need to take your pet to the vet or ER, discuss behavioral issues, training, and wellness.*

Anytime, Anywhere, Peppi's Paws Vets are Here For You!

- Covers dogs & cats in your home
- Paws-itively convenient and affordable
- Once the consult has been scheduled, the vet will bark at you within the hour

*Peppi's Paws is NOT FOR EMERGENCIES and is not for use for medical emergencies or urgent situations. If you believe your pet has an emergency, call your vet immediately or contact the nearest Animal Hospital. **Peppi's Paws should not be considered veterinary care advice and is not a substitute for professional veterinary care advice, diagnosis, or treatment.** Peppi's Paws is NOT a replacement for regular in-office visits or vaccinations for your pet.

This is not insurance. Peppi's Paws vets reserve the right to deny service for potential misuse. Peppi's Paws operates subject to state regulations. Copyright © 2023.

Capital Rx Advantage

Capital Rx Advantage Discount Card Program

The Capital Rx Advantage Card Program will help you afford medications that are not covered under your current benefit plan.

What is a discount card program?

A discount card program helps members pay less for their prescription medications by using negotiated discounts at participating pharmacies. The discounts vary by medication and pharmacy.

How is this integrated with my pharmacy benefits?

The Advantage Discount Card program is not integrated with your pharmacy benefit. This card allows you to purchase medications at a discounted rate and bypasses your pharmacy benefit. Please present your discount card at the pharmacy to receive the discount on your medications.

Who do I contact if I have questions about the Capital Rx Advantage Discount Card Program?

For questions about the Advantage Discount Card Program or to discuss opt out options, please contact Customer Care using the number listed on your member ID card. We are available to support you 24 hours a day, 7 days a week.

This prescription savings card is not insurance.

Enhanced FIG Health Benefits Guide

Rx Heroes

Free Generic Prescriptions

- **Included with monthly membership**
- **68,000 retail pharmacies**
- **Free mail order**

Commonly used generic prescriptions are available at no additional cost to members.

Medication Support

Acute Medications (Immediate Need)

If you have an immediate need for these types of medications, members will be able to pick up these medications at their local retail pharmacy. This part of the program makes available the top 250 most prescribed acute medications for FREE, for up to a 21-day supply at over 68,000 pharmacies nationwide.

[View Our List Of Free Acute Medications At Our Website](#)

Chronic Medications (Regularly Refilled)

These drugs are prescribed for chronic, long-term conditions and are taken on a regular, recurring basis. Examples of chronic conditions are: high blood pressure, high cholesterol and diabetes, to name a few. These drugs are well-established medications that have proven safety and effectiveness and are considered standard therapy options for the treatment of common chronic conditions.

Pharmacy Coaching Professionals You Can Count On!

Rx Heroes has a team of highly educated, well trained pharmacists (RPh and/or PharmD) with decades of clinical experience. Our pharmacists are focused on helping patients achieve the highest quality of life through medication, counseling, education and adherence to the latest pharmacology standards.

Our Pharmacists Are Here To Help!

Our experienced team of customer service and licensed pharmacists provide the highest level of care when members need it most. Through pharmacy coaching, we educate members on possible medication options and opportunities to save additional money when available. We will consult with you and your doctor to inform you of the alternatives and help make the best decision for your personal and financial health.

Getting started is simple

- 1 Choose your program**
Go to the unique program webpage.
- 2 Complete a qualification quiz**
A five-minute assessment will determine eligibility.
- 3 Meet with a licensed provider**
If eligible, a licensed provider will review your medical history and discuss program options with you.
- 4 Medication sent to your doorstep**
If prescribed, your medication is shipped directly to your doorstep—no pharmacy visit required.

*Medications will only be prescribed by a licensed provider if deemed medically appropriate after a thorough consultation. Not available in all 50 states. Results are not guaranteed and may vary by individual. Please visit our [website](#) for important drug safety information. The FDA does not approve nor review compounded products for safety, effectiveness, or quality.

*Our pharmacies conduct third-party testing to ensure quality control for every compounded medication prescribed to Agile Telehealth patients.

*This is not a Qualified Health Plan under the Affordable Care Act and is not intended to replace health insurance.
