

FRIENDS OF SCOTLAND NECK MEMORIAL LIBRARY

Buy a memory Brick to honor the living or to remember those that have gone!

Scotland Neck is excited about a planned expansion to our town library. You are all a beneficial part of Scotland Neck's past, present, and future. Our memory lane that leads to the front entrance of our beloved library is growing and we would love to see your name there. Scotland Neck will always be our home and now you have the opportunity to contribute to Scotland Neck's future by buying one or more bricks for our memory lane. You can honor your loved ones, veterans, teachers, coaches, and even yourself on our treasured memory lane. This way you or they can be remembered for generations to come in Scotland Neck.

Our memory Lane will receive the same respect and honor as other memorials throughout the country and be as timeless. This is an extraordinary opportunity to give back to the town we so lovingly call "Home" and be memorialized for centuries to come.
