Section 2. Additions to Existing Property. Additional lands may become subject to this Declaration in the following manner:

(a) Additions in Accordance with a General Plan of Development. The Developer, its successors and assigns, shall have the right to bring within the scheme of this Declaration additional properties in future stages of development, provided that such additions are in accord with a General Plan of Development prepared prior to the sale of any Lot or Living Unit and made known to every purchaser (which may be done by brochure delivered to each purchaser) prior to such sale.

Such General Plan of Development shall show the proposed additions to the Existing Property and contain: (1) a general indication of size and location of additional development stages and proposed land uses in each; (2) the approximate size and location of common properties proposed for each stage; (3) the general nature of proposed common facilities and improvements; (4) a statement that the proposed additions, if made, will become subject to assessment for their just share of Association expenses; and (5) a schedule for termination of the Developer's right under the provisions of this sub-section to bring additional development stages within the scheme. Unless otherwise stated therein, such General Plan shall not bind the Developer, its successors and assigns, to make the proposed additions or to adhere to the Plan in any subsequent development of the land shown thereon and the General Plan shall contain a conspicuous statement to this effect.

The additions authorized under this and the succeeding sub-section, shall be made by filing of record a Supplemental Declaration with respect to the additional property which shall extend the scheme of the covenants and restrictions of this Declaration to such property.

The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within the Existing Property together with the covenants and restrictions established, upon any other properties as one scheme. No such merger or consolidation, however, shall effect any revocation, change, or addition to the covenants established by this Declaration with the Existing Property except as herein provided.

ARTICLE III

Membership and Voting Rights in the Association

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided-fee interest in any Living Unit or Lot which is subject by the terms of the Declaration to assessment by the Association shall be a member of the Association (a "member"), provided that any such person or entity who holds such interest merely as a security for the performance of an obligation shall not be a member. The rights of membership, including the right to participate in Association affairs, the right to vote, and the right to use the common properties and facilities are subject to suspension by the Board of Directors of the Association for (1) failure or refusal to pay any assessment payable by the member during the period that such assessment payable by the member remains unpaid for more than 30 days; (2) an infraction of, default in, or breach of the By-Laws of the Association, the Declaration, or in the Regulations of the Association by the member, as provided therein; and (3) any other breach or non-compliance by the member, determined from time to time by the Board of Directors of the Association. No owner shall have more than one ownership of any Living Unit which is subject to assessment by the Association. Ownership of such Living Unit shall be the sole qualification for membership.

Section 2. Voting Rights. The Association shall have two classes of voting membership:

(a) Class A. Class A members shall be all of those members as defined in Section 1 of this Article III with the exception of the Developer. Class A members shall be entitled to one vote for each Living Unit in which they hold the interests required for membership as provided in Section 1 of Article III. When more than one person or entity holds such interest or interests in any Living Unit, all such persons or entities shall be members, and the vote for such Living Unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Living Unit.

(b) Class B. The Class B member(s) shall be the Developer. The Class B member(s) shall be entitled to three votes for each Living Unit or Lot in which it holds the interest required for membership as provided in Section 1 of this Article III, provided that the Class B membership shall cease and become converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

- (1) when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership; or
- (2) on December 31, 1975.

From and after the happening of these events, whichever occurs earlier, the Class B member shall be deemed to be a Class A member entitled to one vote for each Living Unit in which it holds the interest required for membership as provided in Section 1 of this Article III. For purposes of determining the votes allowed under this Section, when Living Units are counted, the Lot or Lots upon which such Living Units are situated shall not be counted.

ARTICLE IV

Property Rights in the Common Properties

Section 1. Members' Easements of Enjoyment. Subject to the provisions of Section 3 of this Article IV, every member shall have a right and easement of enjoyment in and to the Common Properties and Facilities and such easement shall be appurtenant to and shall pass with the title to every Living Unit.

Section 2. Title to Common Properties. The Developer may retain the legal title to the Common Properties and Facilities until such time as it has completed improvements thereon and until such time as, in the opinion of the Developer, the Association is able to maintain the same but, notwithstanding any provisions herein, the Developer hereby covenants, for itself, its successors and assigns that it shall convey the Common Properties and Facilities to the Association, free and clear of all liens and encumbrances, except ad valorem taxes and assessments for the year in which the conveyance is made, and except for all patent reservations, restrictive covenants, easements, and rights-of-way of record, if any, not later than December 31, 1975.

Section 3. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Developer and of the Association in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Common Properties and Facilities and in aid thereof to mortgage or otherwise encumber the Common Properties and Facilities. In the event of a default upon any such mortgage the lender's rights thereunder shall be limited to a right, after taking possession of such properties, to charge admission and other fees as a condition to continued enjoyment by the members and, if necessary, to open the enjoyment of such properties to a wider public until the mortgage or other type of secured debt is satisfied whereupon the possession of such properties shall be returned to the Association and all rights of the members hereunder shall be fully restored; and

(b) The right of the Association to take such steps as are reasonably necessary to protect the Common Properties and Facilities against foreclosure; and

(c) The right of the Association, as provided in its Articles and By-Laws, acting by the Board of Directors of the Association to suspend the rights of membership, including the right to participate in Association affairs, the right to vote, and the right to use the Common Properties and Facilities for (1) failure or refusal to pay any assessment payable by the member during the period that such assessment payable by the member remains unpaid for more than 30 days; (2) and infraction of, default in, or breach of the By-Laws of the Association, the Declaration, or the Regulations of the Association by the member, as provided therein; and (3) any other breach or non-compliance by the member, determined from time to time by the Board of Directors of the Association; and

(d) The right of the Association to charge reasonable admission and other fees for the use of the Common Properties and Facilities;

(e) The right of the Association to dedicate or transfer all or any part of the Common Properties and Facilities to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members, provided that no such dedication or transfer, determination as to the purposes or as to the conditions thereof, shall be effective unless an instrument signed by members entitled to cast two-thirds (2/3) of the votes of each class of membership has been recorded, agreeing to such dedication, transfer, purpose or condition, and unless written notice of the proposed agreement and action thereunder is sent to every member at least ninety (90) days in advance of any action taken; and

(f) The right of individual members to delegate their rights and easements of enjoyment in and to the Common Properties and Facilities as provided in Section 4 of this Article IV.

Section 4. Delegation of Use. Subject to this Declaration and in accordance with any applicable provisions of the By-Laws, any member may delegate his right and easement of enjoyment in and to the Common Properties and Facilities to members of his family, his tenants, or contract purchasers from him who reside in his Living Unit. Such member delegating his rights of enjoyment in the Common Properties and Facilities shall notify promptly the Secretary of the Association in writing of the name of any such persons(s) to whom the member's rights have been delegated and of the relationship between such person(s) and the member. The delegated rights of such person, to whom the member's rights have been delegated, are subject to all of the provisions, limitations, and conditions hereof to the same extent as those of the delegating member.

ARTICLE V

Covenants for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Developer for each Lot and Living Unit owned by it within The Properties hereby covenants, and each Owner of any Lot or Living Unit by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association commencing on the date fixed by the Board of Directors following the date title to any Living Unit is transferred from the Developer to the original purchaser of the Living Unit following the completion of construction of the Living Unit: (1) annual assessments or charges; and (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in The Properties and in particular for the improvement and maintenance of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the Common Properties and Facilities and of the homes situated upon The Properties, including, but not limited to, the payment of taxes and insurance thereon and repair, maintenance, replacement, and additions thereto, and for the cost of labor, equipment, materials, management, and supervision thereof, and without limiting the generality of the foregoing purposes the Association may pay out of and from such assessments the following:

(a) The cost of providing water, sewer, garbage and trash collection, electrical, gas and other necessary utility services for the Common Properties and Facilities and, to the extent that the same are not separately metered or billed to each Living Unit for the Living Units.

(b) The cost of all types of insurance which the Association elects to carry.

(c) The cost of the services of a person or firm to manage the Common Properties and Facilities and to supervise and be responsible for the exterior maintenance and repair of all Living Units, to the extent deemed advisable by the Association together with the services of such other personnel as the Board of Directors of the Association shall consider necessary for the operation of the Common Properties and Facilities.

(d) The cost of providing such legal, accounting, and other professional services as may be considered necessary to the operation of the Common Properties and Facilities and of the Association.

(e) The cost of painting, maintaining, replacing, repairing, and landscaping the Common Properties and Facilities and such furnishings and equipment for the Common Properties and Facilities as the Board of Directors shall determine are necessary and proper, and the Board of Directors shall have the exclusive right and duty to acquire the same; provided, however, that nothing herein contained shall require the Association to paint, repair, or otherwise maintain any Living Unit or any fixtures or equipment located therein.

(f) The cost of any and all other materials, supplies, labor, services, maintenance, repairs, taxes, assessments, or the like which the Association is required to secure or pay for by law, or otherwise, or which in the discretion of the Board of Directors shall be necessary or proper for the operation of the Common Properties and Facilities.

(g) The cost of the exterior maintenance and repair of all Living Units.

(h) Any amount necessary to discharge any lien or encumbrance levied against The Properties, or any portion thereof, which may, in the opinion of the Board of Directors, constitute a lien against any of the Common Properties and Facilities rather than the interest of the Owner of any individual Living Unit.

Section 3. Basis and Maximum of Annual Assessments. Until the year beginning January, 1975, the annual assessment shall be \$300.00 per Living Unit. From and after January 1, 1975, the annual assessment may be increased by vote of the members, as hereinafter provided, for the next succeeding one year and at the end of each such period of one year for each succeeding period of one year. The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 of this Article V, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties and Facilities, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments. Subject to the limitations of Section 3 of this Article V, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section 3 of this Article V prospectively for any such period provided that any such change shall have the assent of two-thirds of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 of this Article V shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation and under Article II, Section 2 hereof.

Section 6. Quorum for Any Action Authorized Under Sections 4 and 5 of this Article V. The quorum required for any action authorized by Sections 4 and 5 of this Article V shall be as follows:

At the first meeting called, as provided in Section 4 and 5 of this Article V the presence at the meeting of members, or of proxies, entitled to cast sixty (60) percent of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors of the Association to be the date of commencement following the date title to any Living Unit is transferred from the Developer to the original purchaser of the Living Unit following the completion of construction of the Living Unit.

The annual assessment shall be due and payable in monthly installments equal to one-twelfth (1/12) of the respective member's total annual assessment for the year. The first annual assessment shall be made for the balance of the calendar year in which title to Living Unit is transferred from the Developer to the original purchaser of the Living Unit following the completion of construction of the Living Unit. The assessment for any year, after the first year, shall be due and payable in monthly installments equal to one-twelfth (1/12) of the respective member's total annual assessment, which shall be due and payable on the first day of each month commencing on the first day of January in each calendar year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 of this Article V as the remaining number of months in that year bear to twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to The Properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each Living Unit for each assessment period of a least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

Written notice of the assessment shall thereupon be sent to every Owner subject thereto.

The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; The Lien, Remedies of Association. If any assessment, or any monthly installment thereof, or other installment or part thereof, is not paid on the date when due (being the respective date specified in Section 7 of this Article V), then such assessment, or the monthly installment thereof, or other installment or part thereof, shall thereupon become delinquent and

shall, together with interest, costs, and a reasonable attorney's fee as hereinafter provided, become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives, successors, and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment, or any monthly installment thereof, or other installment or part thereof, is not paid within thirty (30) days after its due date, the assessment, or the monthly installment thereof, or other installment or part thereof, shall bear interest from the date of delinquency (its respective due date) until fully paid at the rate of ten percent per annum, and the Association may declare the entire amount of such assessment, only a part of which may then be in default, to be immediately due and payable, without notice to or demand upon the then Owner in default, at the option of the Association; and the Association may bring an action at law against the Owner personally obligated to pay the same upon his obligation and/or to foreclose the lien against the property, and there shall be added to the amount of such assessment interest, costs, and a reasonable attorney's fee. A suit to recover a money judgment for any and all delinquent assessments, together with interest, costs, and a reasonable attorney's fee may be maintained by the Association without foreclosing or waiving the lien therefor created herein.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon The Properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges, and lien created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Properties and Facilities as defined in Article I, Section 1 hereof; (c) all properties exempted from taxation by the laws of the State of New Mexico upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from such assessments, charges, or liens.

ARTICLE VI

Party Walls

Section 1. General Rules of Law to Apply. Each wall which is built as part of the original construction of the Living Units upon The Properties and placed on the dividing line between the lots, if any, shall constitute a party wall, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and of liability for property damage due to negligent or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right of Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article VI shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article VI, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision of a majority of all the arbitrators shall be final and conclusive of the question involved.

ARTICLE VII

Architectural Control Committee

Section 1. Review by Committee. No building, fence, wall or other structure, or any landscaping shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition thereto or change or alteration therein be made, until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted

to and approved in writing as to harmony of external design and location in relation to surrounding structures, landscaping, and topography by the Board of Directors of the Association, or by the Architectural Control Committee which shall consist of a Chairman, who shall be a member of the Board of Directors, and two or more members of the Association, who need not be members of the Board. The Board shall appoint the Chairman and the two or more members of the Architectural Control Committee prior to each Annual Meeting of Members to serve from the close of that Annual Meeting until the close of the next Annual Meeting of Members, and such appointment shall be announced at such Annual Meeting of Members. In the event the Board or the Architectural Control Committee fails to approve or disapprove the plans and specifications within thirty (30) days after the plans and specifications have been submitted to it, or in any event, if no suit to enjoin the addition, alteration, or change has been commenced prior to the completion thereof, approval will not be required, and this Article VII will be deemed to have been fully complied with.

ARTICLE VIII

Exterior Maintenance

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Properties and Facilities, the Association may provide exterior maintenance upon each Living Unit which is subject to assessment under Article V hereof, as follows: paint, repair, replace, and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, and other exterior improvements.

Section 2. Assessment of Cost. The cost of such exterior maintenance shall be assessed against the Living Unit upon which such maintenance is done and shall be added to and become part of the annual maintenance assessment or charge to which such Living Unit is subject under Article V and, as part of such annual assessment or charge, it shall be a lien upon the Living Unit against which it is made, as well as a personal obligation of the Owner and shall become due and payable in all respects as provided in Article V; provided that the Board of Directors of the Association, when establishing the annual assessment against each Living Unit for any assessment year as required under Article V may add thereto the estimated cost of the exterior maintenance for that year but shall, thereafter, make such adjustment with the Owner as is necessary to reflect the actual cost thereof.

Section 3. Access at Reasonable Hours. For the purpose solely of performing the exterior maintenance authorized by this Article VIII, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Living Unit at reasonable hours on any day except Sunday.

ARTICLE IX

General Provisions

Section 1. Duration. The Properties will be owned, and, if transferred, shall be transferred, subject to the Declaration. All of the provisions of the Declaration are and shall be considered as "covenants running with the land." All of the provisions of the Declaration will run with and bind the land and The Properties, and members, and Owners, will inure to the benefit of, and will be enforceable by and against the Association, any Owner, or any member (unless a member be then suspended, in which case the provisions of the Declaration shall be enforceable against but not by such suspended member), and each of their respective legal representatives, heirs, successors, and assigns, for a term of twenty-five (25) years from the date on which this Declaration is recorded in the office of the County Clerk of Bernalillo County, New Mexico, after which date this Declaration shall be automatically extended for successive periods of ten (10) years each unless a Supplemental Declaration executed and acknowledged by the then Owners of two-thirds of the Living Units has been recorded in the office of the County Clerk of Bernalillo County, New Mexico, amending, modifying, or terminating the Declaration.

Section 2. Amendment.
