Absolute Truths and Important Revelations

Dedications

I would like to dedicate this book to the loving memory of my father Durvasula Venkata Sastry, who was my inspiration, my mentor, and my guide. His pioneering works in the Indian American community are legendary as his involvement in founding and building and running the iconic Shiva Vishnu Hindu Temple in Livermore, California.

I also thank his brothers Durvasula Chanti and the memory of his father, Durvasula Venkata Subbarao for inspiring my political activism in both United States and India.

I would like to also dedicate this book to my father's brothers, Vedantam Durvasula and Prasad Durvasula who guided me intellectually and spiritually, respectively. Finally, I would like to thank my mother's large family for all the support they have provided over the decades both in the USA and India. This includes the loving memory of my maternal grandfather Krovi Balakrishnarao. It would not be complete not to thank all of my friends, both male and female, that have been doing God's work over the decades with extreme patience without complaints.

Foreword

5/20/07 Kakinada, A.P., India

We will explain part of the mystery of God sometimes in the first person as the Mystery of God is a mystery that can only be solved by one person, which is the “Lion from the Tribe of Judah with the key to the Scroll.” Thus, the entirety of what I narrate or explain cannot be found in any other reference source nor confirmed by any theologian or priest of any religion including the greatest vedic pundits. Parts of the mystery can be confirmed or referenced by other sources, but the mystery is designed to confuse, distract, and lead astray all those who are not in possession of the key to the scroll.

Throughout modern history, various secret societies and descendant intelligence agencies throughout the world have been sharing secrets about, and on the lookout for the next incarnation of God, the Kalki Avatar, the second Coming of Christ, the Son of Man, and the Lamb. They have also looked for a possible prophet Elijah, the “child who rules the nations with an iron scepter”, and the “Lion from the Tribe of Judah” with the “key to the Scroll” or “mystery of God.”

The secret societies that have emanated from the Vatican, in Vatican City near Rome and around the Mediterranean (starting with the Council of Nicaea) and others, later, with British or British East India Company ties have been most prominent and active in the regard and have indirectly or directly founded, influenced, and in some cases completely infiltrated intelligence agencies and even law enforcement agencies and military agencies, especially in the United States of America and some other large nations.

These groups have analyzed the Book of Revelations in the New Testament (Judeo-Christian Bible) and the Vishnu Puranas, Padma Puranas, and Kalki Puranas of the Hindu faith, and the prophecies regarding the

coming of a Messiah in the Old Testament. This study has also led them to study various prophecies in Buddhism regarding the coming of the Maitreya and in Islam regarding the coming of Judgment Day and the coming of Imam Mahdi. The Hindu Puranas are the eldest of these prophecies and revelations and the Biblical Revelations are the most relevant and near in time to modern day Western societies. The Hindu and Christian Revelations and prophecies are the most expansive, detailed, and relevant or applicable to modern times.

The British were in a prime position to understand the similarities between the Biblical Revelations and their predecessors, the Hindu Puranas. As the British conquered much of India, they learned that Gautham Buddha recited the Kalachakra Tantra in Andhra Pradesh, India. This recital explained the cyclical nature of life on earth and various societies and explained that everything has been done and nearly every person has lived at least once or more than once before, as the world was destroyed over and over again by floods and natural disaster possibly covering up Lost Civilizations. It is believed that the British also retrieved historical evidence that Buddha pointed to the coming of the next Maitreya, or avatar of God or savior of the World in a place called Shambala, in Andhra Pradesh, India.

While ruling India, the British also came across the Nadi Shastra leaves. These leaves contain the life histories, (Past, Present, and Future) of nearly every person on Earth. These were considered to be a “book of Life” like the “Lamb’s book of life” and were confiscated by the British. Various Rishis (Learned Sages and wise men) wrote them several thousand years ago and describe the conversations between Lord Shiva and his wife, Goddess Parvathi. These leaves were found in Tamil Nadu and Andhra Pradesh as part of the collections of various Hindu dynasties. During this same time, Governor Elihu Yale, the future founder of Yale University, was Governor General of the Madras Province, which is now divided into the Tamil Nadu and Andhra Pradesh states. These leaves were copied and many confiscated and shared with Secret Societies. It is believed that through these leaves, the secret societies were able to predict the futures of several world leaders and the birthplace and birth family of the next coming of God or the Lamb, the Kalki avatar, etc.

As I begin first-person narration, I am sure that some of you already know that my family including my Grandfather, Durvasula Venkata Subba Rao, father, Durvasula Venkata Sastry, uncle, Durvasula Satyanarayana Murthy (alias Chanti) and I have been under the surveillance of secret societies and intelligence agencies throughout our lives. For a variety of reasons,

including the Nadi Shastra leaves, the fact that Hinduism is the world's oldest organized religion, Buddha's dissertations, and the similarity of Hindu prophecies about a rider on a white horse and Christian revelations regarding a rider on a white horse, the agencies targeted the Durvasula family of Jeggarpadu, East Godavari District, Andhra Pradesh and Peddapuram, East Godavari District, Andhra Pradesh, India. Another abetting reason is the prominent role of Durvasa Maharishi as the Most Prominent and Eminent Brahmin in the great Hindu Epic, the Mahabharat. Durvasa Maharishi or Mahamuni is the de facto father of Dharmaraju, Arjuna, and Bheema, the three most famous brothers in the Pandava family of the Mahabharat.

D. V. Subba Rao lost both parents at age of 16 and had several older and younger sisters. He was approached by agents of intelligence agencies and secret societies while in College in Madras at the Presidency College and also while in Law School at Pune University. They stayed in touch with him throughout his life especially while he was in jail as a political prisoner/freedom fighter at the hands of the British and during various international peace conferences in Geneva, Switzerland, and other nations such as Russia, China, etc.

The agents noticed that he could read any type of book including Shakespeare, Milton, Nietzsche, Emerson, Thorough, and even law textbooks in a matter of minutes or sometimes an hour complete with notes and underlining. They astutely concluded that he could be the "Lion from the Tribe of Judah" with the "key to the scroll" as well as the Kalki avatar and the "son of man" or "Lamb" or both. They asked him to read all religious texts and reconcile them to understand the scroll and how they all converge into one religion and one leader and one savior. They were hoping that Subba Rao was not the Lamb or God, and that person or being would actually be of Christian or of Western descent.

As they continued to observe Subba Rao's intellectual and oratorical brilliance, meteoric rise as a freedom fighter, politician and acclaimed criminal lawyer, and physical and mental toughness and fearlessness, the agencies began to wonder if he was indeed the Son of man and the Lamb (though his wedding was not a big affair), and the Kalki Avatar, and Lion from the tribe of Judah. In fact, he began to gain a Mafia Don type reputation throughout India and abroad, sending shivers throughout the corridors of power. His ability to annihilate his enemies gave credence to the notion that he was Son of Man or a "Lion" or a "beast." However, at 6 feet, 4 inches tall with an intimidating physique, he did not meet the description by Jesus

Christ that the Son of Man was “lower than his angels” and though he “roared like a lion” and seemed to tread the “winepress of the fury of the wrath” of Lord God Almighty, he was not a drinker of alcohol. Though he was famous for his large appetite, no person ever dared call him, “a glutton and a drunkard.”

Thus, the world’s agencies began toying with the idea that he was Elijah, as his father had passed away, and that he might or might not be the Kalki Avatar and Lamb, but was definitely part of the Mystery of God. As he began to be introduced to world leaders and officials by the agencies, he also simultaneously engaged in his own activities to win freedom for India under British rule and to destabilize the British Kingdom in Ireland and all of the West by supporting or enabling Communism in China, Russia, and Cuba. In fact, he used to advise and brief the leaders of these various nations regarding his activities and his interpretation of the Kalki Puranas which stated that the Kalki avatar must remove iniquity and injustice from the Earth and also engage in various wars and battles. He thus even approved of World War II and even the Korean War and Vietnam War as this led to the death of many meat-eaters and Buddhists as outlined in the Kalki puranas and Vishnu Puranas.

The agencies also let D. V. Subba Rao take over part of the British East India Company’s international trading and banking operations. They told him that the money from these international operations, which are now in the many trillions of U.S. dollars, should be awarded to Lord God Almighty, the Lamb, and God at the time of the Kingdom of God. He agreed that this sounded like a correct interpretation of the scriptures, as the Lord is entitled to receive “wisdom, strength, wealth, and power” according to the Bible.

However, it was around this time after the 1958 Geneva Peace and Disarmament conference where Subba Rao was the star participant, and his subsequent trips to Russia and China that he befriended and mentored a young Fidel Castro and young V. V. Giri, who was his jail mate, future President of India, and the person sent to Ireland in order to begin labor agitation that became the Sin Fein movement. The agencies were looking at ways of limiting Subba Rao’s growth as an Indian Politician at this time as he was elected the Andhra Pradesh State Assembly as a Communist and was now contemplating a run for Parliament of India. He also mentored Dr. Martin Luther King, Jr. who befriended Subba Rao during his visits to India to study the Indian freedom struggle and also, on the advice of secret groups, to meet with the now internationally legendary D. V. Subba Rao.

Subba Rao correctly interpreted the scriptures and told the agencies that he also doubts that he is the Son of Man as described by Jesus, as he was not short, and not a drunkard etc.. He explained that in the Bible, it states that the “Mother who gave birth to the child who rules the nations with an iron scepter” takes the two wings of a great Eagle. Most analysts believed that this meant the United States of America and its symbol, the Bald Eagle. Subba Rao deduced that both his sons, Sastry and Satyanarayana Murthy (a. k. a. Chanti) were destined to be lower (shorter than him) and might drink alcohol in the future. He also encouraged Sastry to become an aeronautical engineer or air force enlistee reasoning that this would allow him to fly often on a white horse, (an airplane). He then sent Sastry, my father, to the United States in 1961, to San Francisco, the City on Seven Hills where the League of Nations (predecessor to the United Nations) was chartered, founded, and located. Sastry went on a program that was initiated as an exchange of young minds by President John F. Kennedy and Prime Minister Jawahrlal Nehru. Subba Rao felt that the mother who gave birth to the child was not his mother or his wife, but Goddess Durga or Goddess Kali of the Kali Yuga (the present period) and both consorts of Lord Shiva. He felt that if his son went to the USA, maybe that Kali (mother earth) would now take the two wings of a great eagle.

D. V. Subba Rao began to feel that because of his fearlessness and knowledge and abilities, that he was not Lord Vishnu or the Kalki avatar but maybe Lord Shiva as he lived on Shiva Street and had many of the attributes of Lord Shiva. It is stated in the bible that there would be a beast that resembled a leopard, with the mouth of a lion, and many crowns on his head. Lord Shiva often wears only leopard skin in pictures and his hair is arranged in many buns on top of his head which look like crowns.

D. V. Subba Rao never entered a Temple or prayed as it is stated in the bible that while the Gentiles ruled, the angel should stay in the entrance of his Temple and not enter the outer court. He began to feel that if he was Lord God Almighty and his son Sastry was the son of man and Lord Ganesha. Otherwise, both the agencies and Subba Rao felt that the son of D. V. Sastry in the USA would be the son who ruled the nations with an iron scepter and the King of Kings and Lord of Lords.

After the departure of Sastry to the United States, the agencies felt there was no longer a need to work with Subba Rao, as they felt that they had picked his brain enough and were on the verge of solving the mystery of God. They had him poisoned by a lady friend in Vizianagaram near Vizag in

Andhra Pradesh while he was attending to a murder case and he died at the age of 49 in 1962. This started a series of assassinations by J. Edgar Hooever, which has lead to the United States and the Secret Societies of the Vatican to be stained with the blood of Saints and Prophets such as President Kennedy, Dr. Martin Luther King, Jr., and others.

After this, the agencies began focusing on my father in the USA and my Uncle Chanti in India, both of whom who drank alcohol. In fact, President Lyndon Baines Johnson and President Richard Nixon were obsessed with wiretaps on my father's personal and political conversations and activities. Nixon was forced to erase some tapes in the White House archives because of this.

Once my father got married to my mother, they deduced that he could be the Lamb and his wedding was a big deal, but he was not directly involved in politics (though he volunteered on campaigns) or war or anything that seems to involve the type of activities that are associated with the Lamb or the Kalki avatar. Thus, they felt that my mother would give birth to the eventual Son of Man, and Lamb and the "child who rules the nations with an iron scepter." As they noticed that she spent time in India, which is like a desert, after marriage and finished her education and then came to the United States and took the wings of the Eagle and gave birth to me, they also felt that I might be Lord God Almighty also at birth. They have kept a record of miracles, through memos, essays, and verbal statements, and even all instances of weather control since my birth.

The agencies also felt that I might be the second coming of Jesus Christ and the reincarnation of D. V. Subba Rao. Thus, they started trying to poison me as an infant by tampering my baby formula to see if I would die like my grandfather supposedly died. However, though I would get extremely sick, I would never die. The poisoning routine and other nefarious attempts at my life have gone on for 35 years, and I have still not died from them. Most Durvasula family children including we have also had our test scores, academic records and grades, and bar exams and even social lives and careers tampered with, misdirected, hindered, downgraded, or otherwise externally influenced by various agencies. Enduring all of this is indicative of enormous and extraordinary strength and fortitude.

CHAPTER 1

Introductions

After visiting more than 500 important religious sites and related historical places, and studying more than 1000 religious, theological, and related historical, anthropological, and archaeological texts, periodicals, and scriptures, and years of careful and intense meditation I have reached some important revelations and things I consider to be absolute truths. It is important to note that some of the temples I have visited are between 7,000 and 10,000 years old, predating Christianity, Islam, Judaism, and conventional Hinduism by several thousand years. In fact, some of these sites predate all organized religions on Earth except for Lord Shiva worship. I have buttressed this research with occasional interactions with members of the world's most powerful and knowledgeable intelligence agencies, secret societies, gurus, swamis, priests, and religious leaders.

This information may be shared with open-minded persons of faith who are somewhat in the know of what has been happening over the past few years. Always remember that the mystery of God is like a complex puzzle, using codes that only one person in the history of time and humanity, with the key to scroll, can solve completely. It is important to know that various scriptures do not read like logically or sequentially constructed narratives but more like a series of "bullet points" often depicting events that take place out of sequence. However, ultimately, the story of God will be a satisfying and fairly logical narrative.

Important Revelations and Truths:

A trained lawyer may read the Biblical Book of Revelation and conclude that the Lamb and God could either be one and the same person or be read as being two separate persons or entities. Similarly, the Vishnu Purana and Kalki Purana can be read to be one Kalki Avatar, or perhaps two separate Kalki avatars separated by time. Similarly, a discussion of the “Counselor” and the “Spirit of the Truth” mentioned by Jesus Christ would lead one to believe that they are one-in-the-same person. However, there is a loophole for possibility that the Spirit of the Truth and the Counselor are two different entities. This was done to allow the creators to decide how they wanted to solve the puzzle or mystery of God at the appropriate time or end times or end of the Kali Yuga. In other words, it is the choice of the Lion from the Tribe of Judah, the Lamb, the Kalki Avatar, and the Son of Man to decide whether to bifurcate in these situations or refer to one person.

Subsequently it follows that:

- GOD is Durvasula Venkata Subba Rao, grandfather of the Lamb and thus partially Lord Shiva, partially Lord Vishnu, and partially Lord Brahma.
- The Lamb is the son of man, Lion from the tribe of Judah, or Lord RAM (the male sheep or son of Hezron, and Great Grandson of Judah, the second coming of Jesus Christ, the Messiah, the Son of Manu, and Lord Vishnu. He is also Partially Lord Shiva, and Partially Lord Brahma. When the Sprits of Lord Shiva and Lord Brahma are completely upon the Lamb, the Lamb is also Lord GOD Almighty/Allah.
- The Counselor is Durvasula Venkata Subba Rao, hereinafter D. V. Subba Rao. It is rumored that D. V. Subba Rao was the primary secret counselor to the legendary civil rights leaders of the USA and the Freedom Fighters of India whom all knew each other due to multi cultural consulting.
- The Spirit of the Truth is Mohandas Karamchand Gandhi or “Mahatma” Gandhi.
- The Holy Trinity is the
 - Father-Lord Shiva,
 - The Son-Lord Vishnu, and
 - The Holy Spirit-Lord Brahma.
- Lord Shiva, the destroyer is the Father and represents a “Leopard” because he is often depicted in a leopard dress or “loongi,” and he

has many crowns on his head as he holds many titles and wears his hair in many buns that resemble crowns. Lord Siva like other Hindu Gods is often depicted by many heads and many arms because he can manifest as or in more than one person at the same space and same time or at different times and spaces.

Lord Shiva and his wife Parvathi also have a “Book of Life” in which Lord Shiva, at the beginning of time, narrates the life story and various truths about every single human being in history. The sages that witnessed his narration to his wife wrote them down in leaves. These leaves are called the Shiva Nadi Shastras. They are found in the Indian state of Tamil Nadu and many of the Nadi Leaves were translated from Sanskrit to Tamil and Telugu languages several thousands of years ago.

Governor Elihu Yale of the Madras Province (now Tamil Nadu and Andhra Pradesh states), who was the most corrupt and brutal official of the British East India company and British Raj, is rumored to have stolen many of these leaves with Christian names and later handed them to secret societies. Yale University in Connecticut, USA is named after Governor Yale, who assisted in the founding of the university. It is also rumored that secret societies are able to use these leaves to recruit potentially powerful and talented members after reading their leaves. However, technically, you cannot match the leaves without the thumbprints of the person for whom they are written along with some other corroborating information.

Thus, the Lamb is Lord Shiva but also Lord Ram (like a male sheep) who is son of Manu/Man and incarnate of Lord Vishnu as state in Vishnu Purana. Both Lord Shiva and Lord Vishnu have incarnated as the Lamb/Son of Man. Similarly, Lord Venkateshwara worshipped in Andhra Pradesh is officially thought to be Lord Vishnu looking for his wife, Goddess Lakshmi. However, the Lord Vishnu aspect of Lord Venkateshwara is represented by his official story and his name, “VENKATA” that means VISHNU. On the other hand, the Lord Shiva aspect of Venkateshwara is represented by ESHWARA in the name. The moniker “Eshwara” usually refers to Lord Shiva. Shambala the symbolic ancient Kingdom prophesied in Buddhist and Hindu prophecies and also the home of the Lamb is bifurcated into two areas. One Shambala is the Peddapuram, East Godavari region of Andhra Pradesh, India where Gautama Buddha recited the Kalachakra Tantra and where parts of the Ramayanam and Mahabharata took place, and where Lord Venkateshwara briefly resided. The other Shambala is in the San Francisco Bay Area in California, USA where the Lamb was born.

Idol Worship is apparently the troubling issues that prevents all religions from neatly coming together. Jesus Christ, in the Book of Revelations, states that we should worship idols that do not walk, breathe, see, or hear. However, the idols that represent deities that are indeed alive and walking, seeing, hearing, and breathing are appropriately worshipped by Hindus. It will be proven in the near future that all such idols are representing living entities.

Identity of Important Prophets, Saints, Demigods, (both Small and Great)

- Prophet Moses was reincarnated as President John Fitzgerald Kennedy.
- Prophet John the Baptist, Prophet Mohammed, and Prophet Guru Nanak all are reincarnated as Gov. Edmund G. “Jerry” Brown, Jr.
- Prophet Elijah is reincarnated as President William Jefferson Clinton.
- Prophet Elisha is reincarnated as Vice President Albert Gore II.
- Saint John is reincarnated as President George W. Bush.
- Prophet Abraham was reincarnated as President Abraham Lincoln.
- King Solomon was reincarnated as President Ronald W. Reagan.
- King Samuel is reincarnated as President George H. W. Bush.
- Saint Thomas is reincarnated as President James “Jimmy” Carter.
- Other prophets and Saints who were victimized by Mystery Babylon: Senator Diane Feinstein

When I was born in San Francisco, in the French Hospital delivered by Dr. Ruth Christ, my parents took me home to a building owned by Gina Moscone and her mother. I lived there for the first four years of life. Mayor George Moscone became my father’s friend, and his children took me “trick-or-treating” on Halloween. Gina and family convinced my cavalier father to finally buy a house in Pacifica and move out of the building when my mother was pregnant with my brother. My father threw a legendary party in honor of the new home, a “housewarming” party which nicely coincided with President Nixon’s resignation and my brother’s birth. It was August 1974.

In 1978, my mother, brother, and I went to Pittsburg, Pennsylvania and Morgantown, West Virginia for Thanksgiving, and our annual family reunion. My father stayed back as he had to work at San Francisco International Airport to clear holiday-scheduled United Airlines aircraft

for travel. At the end of the holiday he picked us up at the airport and drove us home to Pacifica. However, before taking the exit to Pacifica, I noticed a ceremony at the Holy Cross Catholic Cemetery in Colma, with something like a 21-gun salute. My dad quietly said, "Yeah, George Moscone was assassinated, and Diane Feinstein is mayor now." My mom was shocked! The Moscones were our friends. Gina and her mother were mentors to my mother since age 19. It was sad for our family.

In 1984 the Democratic National Convention (DNC) was in San Francisco at the George Moscone Center. My dad was selected as an alternate delegate to the DNC. I was already interested in Democratic politics by that time, but my Dad interestingly sent my brother and me to Philadelphia to the Dantaluri Family to spend the summer holidays and to improve our tennis skills as well. My dad was a great tennis player and taught me how to play.

- Robert F. Kennedy, Dr. Martin Luther King, Jr., Malcolm X, Hindu Demigods, and prophets and Saints:
 - The Five Pandava Brothers of the Mahabharata:
 - Akella Krishna Sastry.
 - Vedantam Durvasula.
 - Kalyan Durvasula.
 - Durvasula Satynaranya Murthy (aka Chanti).
 - Prasad Durvasula.
 - King Vasu Deva is Durvasula Sastry.
 - Lakshmana, brother of Lord Ram is Manoj Sastry.
 - Shatrughna, brother of Lord Ram is Sudhir Durvasula.
 - Bharata, brother of Lord Ram is Prashanth Kolluri.
 - Bheema, cousin of Lord Krishna is Kalyan Durvasula.
 - King Dasaratha, father of Ram and formerly Svayambhuva Manu, is my father, D. V. Sastry.
 - Kausilya and The Virgin Mary, the mother of Ram and Jesus respectively is Lakshmi Sastry (my mother).

Shirdi Sai Baba was an incarnation of Lord Brahma who was never worshipped and thus used this loophole. He also wanted to live life briefly as a Muslim for four years and even tasted beef as a child to show that Brahma was no longer masquerading among the calves as he had done briefly to aide Lord Krishna.

- Sage Vashistha is reincarnated as Sri Satya Sai Baba of Puthaparathi.
- Sage ViswaMitra is reincarnated as Sri Viswayogee Viswamjee of Guntur.
- The Father of Arjun, Bheem, and Yuddhistra is Durvasa MahaRishi.
- Durvasua Maharishi is D. V. Subba Rao. Durvasa is an ancient, qualified Brahmin name.
 - Durvasula is same as “David” for purposes of Revelation and thus the “Root and Offspring of David” is the offspring of Durvasula.
 - The three ELDER brothers of the Kalki avatar as prophesied in Kalki Purana are Ram Akella, Raman Akella, and Bala Akella.
- The Four Living Creatures are creatures though to not exist or thought to have died but are ACTUALLY LIVING!
 - God, D. V. Subba Rao (in Himalayas/China)
 - Lord Hanuman (in Himalayas in original form)(face like a man)
 - Lord Subbarmanyam/Satynarayna swami (son of Shiva) (Duvasula Chanti-my Uncle-also Himalayas /China)(face like an ox)
 - Lord Ganesha, son of Shiva (D. V. Sastry) (Face like a lion)

However, since Lamb and God have been bifurcated, God will be replaced by John the Baptist, Edmund G. Brown, Jr., whose face is like a flying Eagle.

24 Elders: 24 Prominent Elders in History that impress both Lamb and God.

They were originally intended to be the 24 U. S. A. presidents after Abraham Lincoln ended slavery, but that has changed a bit.

- The Eighth King: Guess
- The Seventh King: Guess
- The Bride of the Lamb: The incarnation of Lakshmi Devi or Parvathi Devi, or Goddess Lakshmi as described in the Padma Purana.
- The lamb/Son of Man must eventually marry all former wives in past lives who were all Goddesses such as Saraswati, Parvathi,

Rukmini, Jambavathi, Shakti, Gayatri etc. but this is not required to fulfill any prophecies.

- Goddess Durga, like mother Earth and Lalita Devi is my grandmother, Durvasula Atchuthamba, wife of D. V. Subba Rao.
- Springs of Living Water: This is divine or mystical water called Soma in ancient times. It will taste like a divine and heavenly substance pleasing all who drink. The reason that it is described as “Living Water” and Jesus Christ says you must eat and drink my “blood and flesh” for eternal life is that this is actually the divine semen of Lord Shiva. This is why worship of stone Siva Lingams is more than 10,000 years old. There will be two divine Shiva Lingams, one for God and one for the Lamb and those offered as first\fruits to the Lamb and God will drink the soma and receive eternal life. Men and women will drink the water or soma in the form of champagne or champagne cocktails or juices and much later springs will be formed. Men will actually ask women in the family to pray for them for certain types of extraordinary boons, as this will empower women. When you actually experience it, at that time, it will not be as disgusting or strange as the written description sounds. However, this is how it must be. The water will be offered only after tests of faith have been passed by the worshippers. There will be no deceit or manipulation of the Lamb or God.
- The Followers of the Lamb: The 144,000 (only a symbolic number and not followed) thousand who sing mysterious songs can be interpreted to be Vedic Priests who wear the Tilak or sign of Lord Shiva or Lord Vishnu on their forehead or combination of both (thereby becoming a “Cross” symbol) and chant complex mantras. However, since the Lamb and God decide the definitions, they will be mostly various women who will sing songs or give speeches etc. and be hired to follow The Lamb on occasion in the early years. They will follow the Lamb and not God and not necessarily be offered as first fruits to the Lamb. God will have followers also. The angels of the Lamb will process applications for these very well paid, dignified, and powerful slots. Some will be volunteers by choice. They will not be delegated to any other menial duties and not be shared with any other gods etc. Among them will be some of the most famous and successful female entertainers (meaning they are

- popular among men) who may be falsely in trouble, in contrived trouble, or under unfair scrutiny but are blameless and “tell no lies.”
- Master and Talents and Servants. Throughout the world, front companies, shell companies, equity funds, and financial institutions are managing money/assets and business ideas of the Lamb and God. When the Lamb/Son of Man/MASTER comes back, he will reward the managers who have done well and fairly and punish those like Ken Lay and Bernie Ebbers who have beaten on their servants in a wicked way or used the assets in a wicket way. The lamb and God also secretly have several hundred Patents, Trademarks, and Copyrights that receive royalties.
 - Angels of God. Described in various texts, these angels are extensions of Lord God Almighty, the Father and Holy Spirit and represent the powers that the Kalki avatar or the Lamb/son of Man has delegated to the Sprit while he is finishing his human life before entering his permanent divine life. They take orders form the lamb, think exactly as the lamb unless given other duties and can manifest as humans, animals, or even inanimate objects. They do not need food, money, or shelter though some live as humans for example in the intelligence agencies or corporations or hospitals or as robot-type of space fillers representing the extremes of society. Some angels live as the extreme poor, or the very violent, or the extreme rich or very Greedy etc. They will disappear when the Kingdom of God begins. Others will work directly for the Lamb and God.

The New Jerusalem, Heaven on Earth and the Kingdom of God because of the mistreatment of God and Lamb by various institutions and agencies has guaranteed that the New Jerusalem will be in Peddapuram, East Godavari region (including Kakinada and Rajamundry), Andhra Pradesh, India. Land will expand into the Sea and entire area will be transformed. There will be no question that it was designed by the Lamb and God as it will have various shrines to the favorite athletes and cultural heroes of the God and Lamb. It will resemble San Francisco, and small parts of:

CHAPTER 2

Heaven on Earth

There will be a feeling of Heaven on Earth there, and it will be obvious that it is the Kingdom of God. All world governments will be administered directly or indirectly by the Lamb and God from the New Jerusalem. All funding throughout the world of governments will be done from there as taxes will be very low. There will be some appropriate and effect form of guaranteed “Living Wages” for workers. There will be Democracy at local levels around the world but to ensure near perfection in Government, many major leaders will be appointed. Angels of God who can read minds, perform miracles, anticipate future events, and read the future will supplement emergency services such as Fire, Rescue, and Police and Criminal Justices and Hospitals throughout the world in order to prevent crying and pain and cheating and lying and incompetence. “Divine” Intelligence briefing will support all world government. Organizations such as the United Nations will exist in order to keep talented persons working and leading. However, a Global Planning Council will be constituted to determine appropriate Divine interventions.

Examples would be to replenish natural resources, changes temperatures, or even fix troublesome and accident-prone intersections and roads that are surrounded by important developments that cannot be razed. The Global Planning Council could also help set standard for the global economy and the attrition rate for the labor force when there is eternal life and good health and contained aging. For example, does Barry Bonds play outfield with Willie Mays for 500 years or 200 years before his son gets a chance?

The San Francisco Bay Area will be groomed to be a Secondary Kingdom of God in the future.

Characteristics of God when the spirit is completely on him D. V. Subba Rao who is 6'3" will be 6'5", short hair, dark brown complexion, imposing physique, stunningly handsome, always appearing to be 40-50 years in age, brilliant intellect and improve upon his current 13 fluent languages spoken to speaking all languages on Earth and having various supernatural powers and a Shiva Lingam.

Characteristics of the Lamb when the Spirits are completely on him The Lamb will be 6' 5" inches in height and no longer "LOWER THAN HIS ANGELS," Light brown (same as the current complexion) in complexion, long hair of Shiva, Jesus, and Rama, and Krishna, and speak any language, comprehend all things and have the full powers of creation/destruction/preservation, and omnipotence, omniscience, and omnipresence. He will always have the appearance of a 35-year-old person and have no body odors unless designed to be pleasant odors and have no need for physiological or biological functions that are inconvenient including sleep. He will sleep only for social reasons in order to conform to those around him and with him (e. g. his wife and family). He will have various technology and iron scepters to help him including devices that show him what is happening throughout the world and in the mind of any individual. He will be able to do anything at will and have all powers described by the SAGE Markandeya in the Mahabharata when speaking about the Kalki avatar to Lord Krishna. In this dialogue, it is stated that the "Brahmin boy" will be "able to materialize weapons, objects, and even armies at will." The Lamb will be devoid of any physiological, neurological, circulatory, or digestive systems. He will be unable to be harmed or incapacitated in any way. He will be able to control the appearance of his children or any children etc. as the creator can, disregarding genetics on occasion. He will be able to "pull the file" on any problem or any human being on earth and tackle it.

The Lamb will be able to create life, take away life, assign persons to Hell (Lake of Burning Sulfur) and resurrect life independent of Karma. Currently, most life and death and other significant events is decided by a person's Karma (destiny and fate both predetermined and adjusted for prayers and good deeds, in past and present life, however in some cases there are interventions in order to fulfill prophecies.

Day of Lord or Time of Lord

Like a perfectly made computer program, the preset criteria and conditions set by the Lamb and partially by God will be used to eliminate approximately 40%-60% of the World's population in a rapture type of sudden event. The remaining persons will be welcomed into the Kingdom of God and asked to follow divine rules for maintaining eternal life in exchange for losing the right to be evil, right to be harmfully inaccurate or incompetent, and right to be greedy. Some of those who disappear will rest from their labors and they will simply disintegrate. Others are angels and will simply leave like robots. They "do not love their lives so much as to shrink from death" because they are robots such as filthy persons, sexually immoral, murderers, thieves, and practitioners of magic arts. They do not have actual souls to punish but are actually filling space and used as "props" or "teaching tools". Those who are actually punished will burn in the lake of burning sulfur forever and burn every single day and will never receive a rest from the Don't trust anyone who works for you eternal suffering and burning. To this date, no person has ever burned in Hell, waiting for the Lamb to decide. The Lamb as the King of Kings and Lord of Lords will then decide either personally or through automated decision making how each and every person is punished. So theoretically, Genghis Khan, Pol Pot, and Adolf Hitler, Kenneth Lay, Bernie Ebbers, Jeffrey Dahmer, Richard Allen Davis, and Dr. P. B. Ram Reddy are still waiting for judgement. So, people will be marrying and giving in marriage, eating and being merry and then suddenly a rapture will take away some like a flood.

The Resurrection

This will be the favorite job of the Lamb. Ancient Hindu/Vedic/Brahmin traditions and Celtic traditions taught that a family unit is the Great grandparents down to grandchild and this is similar to how the resurrection will take place in the FLESH and BLOOD. The Resurrected will be miraculously given good health, a bank account, and cell phone among other practical things included a resurrection certificate.

Some Ancient figures such as Kautilya/Chanakya, Chandragupta Maurya, Alexander the Great, Machiavelli, Mahatma Gandhi, U. S. President's Thomas Jefferson, George Washington, Abraham Lincoln, Sun Tzu,

Thomas Edison, Albert Einstein, Winston Churchill, Ferdinand Magellan, Hernando Cortez, Christopher Columbus, Harriet Tubman, Cleopatra, Helen of Troy, King Henry the VIII, Some Kings and Queens who have not been reincarnated and reserved for the resurrection, Julius Caesar, Vasco De Gama, Aristotle, Descartes, Henry David Thoreau, Ernest Hemmingway, Hari Lal Gandhi, President Teddy Roosevelt, Bhagat Singh, Ralph Waldo Emerson, Charles Darwin, Plato, William Shakespeare, Karl Marx, Vladimir Lenin, Scientist J. Robert Oppenheimer, Adam Smith, Josef Stalin, President Richard M. Nixon, King Akbar, Friedrich Nietzsche, Thomas Paine, Tom Sawyer, Agatha Christie, Confucius, Leonardo DaVinci, Frank Sinatra, Babe Ruth, Mark Twain, President George Washington, President Harry Truman, President Dwight D. Eisenhower, George Washington Cleaver, Benjamin Franklin, H. L. Mencken, Marco Polo, Napoleon Bonaparte, and others who impress the Lamb and God will also be resurrected. The oceans will turn to land and uncover lost civilizations and missing pieces to the puzzle of human life. Beaches will remain. This new land will help house some of the resurrected. Supernatural or divine intervention will prevent overpopulation of the Earth. All deadly diseases and sexually transmitted diseases will be eliminated. However, strict rules will be in place though not unusually or uncomfortably strict by the Reasonable person standard in a major suburban area around the present-day world.

Systems of Economy and Government

There will be a hybrid form of Socialism/Capitalism/Monarchy etc. All systems will evolve over time keeping in mind the need for a Utopian society with less iniquities. For example, capitalism can be fair if it plans for the long term and does not put a premium on trimming jobs and overhead but still maintain competition based on quality and not only on financial bottom-line as the financial markets currently require. However, if the master owns most of the capital in circulation, the Master can arbitrarily decide to withstand much higher Price/Earnings ratios without analyzing quarterly developments of a company but actually monitor bi-annual statements and significant events. Thus, a company can provide good jobs with good benefits and not be penalized by the primary stockholders.

Name of the Lamb

The lamb is the SUN and the Light. Thus, the Lamb is named for the SUN. Name of Son of Manu. The Son of Manu is named the Word of God. Examples would be “Sastras” or Revelations etc.

Questions:

1. Why does there seem to be more than one answer for everything? This is a phenomenon explained by Gautama Buddha called “Synchronicity and Coincidence”. It occurs to show that something is certainly happening around you even if you miss the first sign or the second sign. It is also meant to distract all but the Lion from the Tribe of Judah with the Key to the scroll from solving the mystery correctly. Thus, it appears that there are many “MYSTERY Babylon’s but this also signifies that the Kali Yuga or era is ending, and the Kali Yuga is personified in many different ways.
2. What is the Kalki Avatar? The Kalki avatar is one of the originally prophesied and the last incarnation of Vishnu. However, Krishna changed the equation by stating that he would manifest from time to time when the world needed him. Thus, the World needed Jesus Christ and some other limited forms of Vishnu. However, Vishnu is coming one last time and the other two lords, Shiva and Brahma decided to join him. The Kali Yuga is thought to be the most challenging period in the history of humanity requiring Gods that understood the ways of the people, who could outsmart the people at their own game, and use many more powers than previously necessary. The Kalki avatar means the “avatar or incarnation of God for the KALI YUGA”. That means he must know economics, politics, warfare, social trends, entertainment, technology, the law etc. “Ki” means “of” or “for” and “Kal” represents Kali Yuga. Thus, the Kalki avatar must be even more shrewd than Lord Krishna who convinced his own cousin to fight a major war so that the universe could learn some eternal truths and the meaning of life. He must be shrewder than Jesus Christ who was crucified.
3. Why does the Bible seem more accurate than other prophecies? This is because the Prophecies in the Bible are more recent in time and more relevant to present conditions and trump some of the older prophecies

that are in conflict. This also reflects the creator's admiration for Jesus Christ and his ability to withstand humiliation and persecution. Also, many of the Kalki Purana prophecies are satisfied by both God and the Lamb in their separate lifetimes. Additionally, nearly all prophecies of all religions are being satisfied by the Lamb and God as there must be a continuous contiguous relationship between the word of God and words of the Messengers of Gods from all religions. If this continuous contiguous relationship is not fulfilled in a satisfactory way, the people lose faith in the word of God, thus all attempts are made to satisfy the word of God. The Word of God in the Biblical Revelation is magnified in importance as Jesus says in Luke 21:33 NIV that "The Heaven and Earth shall pass away, but my words shall not pass away" or "all of these things must Happen," or Revelation 22:18-19 NIV "no one may add a word to this book or take away a word from this book." This is why the Son of Manu must, as stated in Luke 17:22 and Luke 9:22 NIV "suffer many things and be rejected by his generation" as Jesus states but still lead a decent life as is expected in Kalki Purana and Vishnu Purana. Therefore, as stated in Rev. 19: 19 NIV all the "world's armies line up against the rider on the horse" temporarily or the "Beast makes war against the lamb" temporarily, but this ends and the "Lamb wins because he is the King of Kings and Lord of Lords" and with him are "called and chosen faithful" followers, Rev. 14:14 NIV.

4. Does the "practice of Falsehoods" refer to lawyers? No, though this is a misconception. It refers to habitual, harmfully manipulative liars.
5. Why are there so many cases against entertainers and athletes the past few years? This is because these strange stories about strange behavior and illegal behavior is not true. The fact is that many people of faith will question why God, D. V. Subba Rao was India's most eminent and leading criminal Lawyer. When it is proven or shown that many of your heroes are innocent, you will be shocked and thank God for good criminal lawyers. Many African-Americans who live with the legacy of slavery have volunteered to allow "them to hate you because of me" as stated by the Holy Spirit in Jesus' words, Mathew 10:22 NIV. They have chosen to stand on the side of God and suffer until their day comes. The highlights of the Public and secret accomplishments of D. V. Subba Rao will be so overwhelming and impressive that it will put the whole world

into shock and astonishment. Many young entertainers have also been inspired by rumors of his exploits and choose to stand with God and the Lamb. Some cases popularize numbers like 755 and 756 which can be calculated from 666 and some cases show why some DOGS will not make it into the Kingdom of God.

6. Does 9/11/01 calculate from 666? It does if you calculate Boeing 777, Boeing 767, Boeing 757 etc.
7. What is one of the Code Words? The Code word is the first Westerner to climb Mt. Everest in the Himalayas.
8. Are Resurrected persons patiently waiting until others are to join, them, and the Lamb finally resurrects them? Yes, they are patiently waiting. In order to not spoil the surprise and also to allow prophecies to be self-fulfilling, angels of God originally started arranging for some people to artificially be killed and then wait for a "Resurrection" for Christians and others because there was a doubt that the resurrection might not happen and only reincarnation was possible. Thus, in order to not disappoint Muslims, Christians, and others, some artificial deaths are mixed in, but those majority of those waiting are actually resurrected in flesh and blood. Those whose death may have been staged, did so as show of solidarity with God and Lamb and also in order to satisfy some of the desires and hopes of followers. They are similar to the heroes who are blameless but undergoing media scrutiny or legal scrutiny on behalf of God and Lamb. This is why you see strange stories on cable news or in Iraq of violent deaths, police deaths, hostage deaths, and innocent victim deaths and famous personality deaths.

CHAPTER 3

A Difference

The Democratic Party at least tries to be a moral party despite transgressions of members. They support women without whom there would be no babies and no human beings. Who raises children in conservative families around the world? Women do, including in Christian and Islamic families.

Republicans are rallying around serial child predators, and serial sexual predators who are candidates. They also supported Dennis Hastert. Republicans never take responsibility and never resign and never sympathize with women.

Women do not seek to have abortions and do not celebrate them. No one on Earth supports or celebrates late term abortions. This is propaganda devised by evil right-wing political consultants who want to divide the public and maximize the Republican vote. They use Mitch McConnell's money to do this. The late term exception for the health of the mother is religious and moral common sense. There is not a single Evangelical or Conservative or Republican who would let their wife, the mother of his children and his partner and soulmate, to die while having a child if they could prevent it.

A human soul and thus a Destiny and a horoscope is not added to a fetus until it is born and appears out of the womb with the planetary positions carefully recorded at exact time of birth. However, despite this I believe women should decide on an abortion in the first or second trimester and not later for emotional and health reasons unless the Mother's health is at risk.

You know, Lord Krishna like the Lamb (Second Coming of Christ) in the Bhagavad Gita with Krishna's Gopikas and wives and in Revelation 14:4 NIV in the Bible respectively never had to use workplace power or sexual harassment to get women followers. The women just voluntarily followed

them around the world because they were Holy and admirable. Many say Krishna, Ram, Rammstein, Ramallah, and Christ were all the same person revealed at different times to different peoples at different periods of time.

I wish people like Politicians would stop implying that they might be “Jesus” or divine beings. They are false prophets. Let them come back down to Earth and drop the Messiah complexes, apologize for their misdeeds, and stop pulling wool over the eyes of the people.

CHAPTER 5

Kali and the Pregnant Woman

The Discussion of Kali is very completed as she is a Goddess with Multiple personalities and she is the symbol of the Kali Era or Kali Yuga that is about to end. If you research the characteristics of the Kali Era, you will notice that some political, social, and economic and religious trends are obviously bad or evil and will be disposed of but some of the practices or trends will remain in the Era of Truth or Satya Yuga that will be the Kingdom of God.

Kali, the Hindu Goddess who was jilted at the altar by Lord Shiva because of her violent and destructive activities in the days leading up to their scheduled marriage day. Since then, this consort of Shiva has not been married to Shiva and the Era we are in is called the Kali Era. The Kali Era or Kali Yuga manifest itself as Mystery Babylon on the United States government that is largely scarlet and purple because the system has divided various states into Blue States and Red States. Blue States are supposedly Progressive and Democratic and Red States are Conservative and Republican. Mixed states are blue plus red resulting in purple. The country is thus very polarized along party lines and cultural lines. Big Oil companies, the Military Industrial complex, and Big Drug companies seem to control the Kali Yuga and Mystery Babylon and manifest themselves as Republican, neoconservative administrations that are beholden to the lobbyists of these big Corporations and Industrial Sectors and also infiltrate the functioning of Intelligence agencies and law enforcement agencies.

Kali took the two wings of a Great Eagle when my father immigrated to the United States in 1961. President Eisenhower has previously warned about the Military Industrial complex at this time. This gave the story of God an American flavor.

Kali in her benevolent manifestation, became pregnant and screamed in 2000. I was snatched up by God in November 2000 or on Dec. 12, 2000. The two wings of the eagle were actually those of a dove (Al Gore) and a Hawk (Senator Joe Lieberman). Thus, Kali continues to operate as a flip-flopper, taking both the wing of a dove and of a hawk, while both wings are that of the United States symbolic golden eagle.

My mother, Lakshmi Sastry also became pregnant in 1970 and gave birth to the child in 1971 who will rule the nations with an iron scepter. She took the two wings of an eagle in 1970 after marriage in 1969. However, this is also Synchronicity and Coincidence at work and thus, to avoid confusion, my Angels have not allowed her to receive her U. S. Citizenship papers until this was explained properly. However, the term mother alternates between referrals to Lakshmi Sastry and to Kali, almost seamlessly.

My mother is not Kali but Kali and Mystery Babylon can be approximately personified by Condoleezza Rice who sat on the board of Oil Company Chevron, and worked with Unocal and also was instrumental in the Beast out of the Sea and Secretary of State for the Beast out of the Earth. Kali and Mystery Babylon can also be coincidentally personified by Speaker Nancy Pelosi because of her powerful title as Speaker and her ancestry from Rome and her representation of San Francisco. Kali and Myster Babylon can also be personified by Senator Hillary Rodham Clinton as she is representing New York and she and Her husband, President Clinton have travelled all over the world and met with numerous world leaders. She has travelled to more than 82 countries. I participated in her India trip. All three women have ridden the Scarlett and Purple beast to some extent.

CHAPTER 6

The White House of the United States is the Temple of the Lord

The United States of America's White House has been chosen as the figurative Temple of the Lord as the Lamb/Son of man is a native-born American Citizen and his father is a legal, naturalized citizen. Thus all U. S. Presidents have something in common with the Lamb/Son of Man including President George Washington who made his home in Alexandria, Virginia, just as the Lamb/Son of Man has.

The White House was famously protected during the 9/11/01 attacks.

More importantly, there was an interesting incident when Douglas J. Band, in September 2000 listed The Lamb/son of Man and unnamed California businessman as 48 personal guests of President Clinton to a Rose Garden reception for Indian Prime Minister Atal Behari Vajpayee. The Lamb/Son of Man had routinely visited the Old Executive Building and the East Wing of the White House scores of times over several years and even interviewing for jobs there. However, he had not been inside the West Wing offices though dropping friends off several times in the special parking lots.

At this event, a Cabinet Secretary invited the Lamb/Son of man for a small reception of Asian American politicians and appointees with President Clinton and PM Vajpayee after the Rose Garden speeches were finished. The Lamb, the businessman, and others followed the Secretary until the entrance of the drawing room and stood there looking inside for Clinton family members. The Lamb/Son of Man explained to them that as personal guests of the President we could walk in without any problem. However, it was decided to call The relatives of the President later.

The Intelligence agencies saw this on tape and saw that the Lamb/son of Man was measuring the West Wing like an outer court. They proceeded to remove the Lamb/Son of Man's name from special West Wing events like State Dinners and the White House Christmas parties much to the chagrin and surprise of the DNC and other officials. The rumor was floated that First Lady Hillary Clinton or Terry McAuliffe had eliminated the Lamb/Son of Man's name several times. This was not true, as it was a covert decision by the intelligence agencies. This is because it was decided the Lamb/Son of Man should not enter the inner part of the West Wing until the time had come to rule. Similarly, the businessman's name was removed from White House invitation lists as it was not clear to agencies if the businessman was one of the two witnesses, or the Lamb or God or Elijah etc.

In contrast, Vice President Al Gore hosted a spectacular lunch full of prominent people for Prime Minister Vajpayee in the State Department and the Lamb attended and the room was full of guests invited by both the Lamb and Vice President Gore in coordination. At least 30 guests were prominent leaders in various fields recommended by the Lamb.

Also, as King of Kings and Lord of Lords, you will see that the Lamb shares traits with various "Kings" and Lords including living in Alexandria, VA as did President George Washington.

CHAPTER 8

Heroes

After Phil Bronstein wrote an exclusive in the San Francisco Chronicle that a local Navy Seal Team Six veteran who was the one who killed Osama Bin Laden could not find work and in Silicon Valley or anywhere and Rachel Maddow reported that Seth Moulton a war hero won his congressional race when a local paper reported that he was a decorated war hero but never bragged about it or mentioned it, my dad asked me a question!

He asked while watching television regarding Rep. Seth Moulton if I had done something like this without telling anyone and I nodded in affirmation. After all I ordered Osama Bin Laden's hit on a United Airlines flight to San Francisco sitting next to an Air Marshal! I wrote down UBL with a cross out next to him. He put down a packet of crackers on my tray meaning "we thought you supported him because he hated 'crackers'?" He was referring to the time I waived off a President Bush agent at a café when they sported a "Osama Public Enemy Number 1" sweater! The agent immediately took off the sweater draped on his back.

They misunderstood me! I hate radical Islam and Osama bin Laden but I didn't feel President Bush who did not secure the country and won the Presidency with the help of a right-wing Supreme Court should benefit from eliminating Osama. I threw away the napkin I ordered the hit on in a gas station garbage can.

Also, Osama bin Laden went at me and WTC twice because I bought sandals at the World Trade Center with my cousin and a female friend. He thought that was a war against civilizations. Sandals are a secret between

Jesus Christ and John the Baptist! I was also an Idol worshipping Hindu, a double thorn in his side. He knew who I was.

When the Ten Commandments in Judaism were preached and taught by Moses and reiterated by Jesus Christ and Idol worship was prohibited, these messengers of God were referring to Greek Gods and Greek Idol worship and Greek Polytheism such as worship of ZEUS and PROMETHEUS etc. They were referring to Greek Mythology-related idol worship and not Hindu IDOL worship. They did not know much about Hinduism at that time and were not referring to Hindus, who of course, existed at the time. Hinduism is the world's oldest form of organized religion. Lord Shiva Temples existed even in the Middle East, Europe, and Egypt at one time but were destroyed by Muslim, Christian, or Nomadic groups. Some are still in existence and studied and carbon dated by Archaeologists. There is also evidence of knowledge and study of the Lord Siva Temples in Africa and the ancient Middle East.

Every ancient culture including pagan cultures and indigenous people & the Abrahamic lineage religions, and world oldest organized religion of Sanatana Dharma (aka Hinduism/Vedic order) and offshoots of Hinduism refer to their God as the Sun God, Sun King, the Light, the illumination, or Sun as creator of the Universe as in Bhagavad Gita and the Bible says Jesus is the Light and the Lamb is the Sun! The Ramayana states that Lord Ram and his father King Dasharatha are of the Suryavansham dynasty or Solar Dynasty.

In the Bible it states the Lamb and Son of Manu and Second Coming of Christ will be named "Word of God".

My Father for some reason insisted that I be named "Dinesh" which is not common for Telugu Indians. Dinesh means "din or day" and "Esh or Lord" meaning Day Lord or Sun God! The most famous mantra of Hindus is the Gayatri Mantri or Sandhyavandanam meaning chant for Illumination, light, and Worship of and blessings of the Sun.

My last name that my Dad gave me is "Sastry" which means "Word of God" as prophesied in the Bible. In Telugu India, the Family name is mentioned first and the First name "Sastry" is given as last name!

So, if my Dad as an educated man as he advised his brothers to do had listed his First name in the USA as Sastry and his last name as Durvasula as it should be, then I would be Dinesh Durvasula. Thus, my name would not be "Word of God" according to the bible.

My uncle Vedantam went by Vedantam Durvasula (named after Vedas) and my uncle Prasad went by Vinay Prasad Durvasula (named after Lord

Vinayaka and Prasadam-offerings to God.) My Uncle Chanti stayed in India so he remained as Durvasula Satyanarayana Murthy (named after the Lord Satyanarayana or the East Godavari Zilla God) like Godzilla.

The two sisters are Annapurna and Suryamala named after Goddesses.

However, My Dad knew something that few people knew. Anyone who worked at United Airlines knows he said, “Jesus Christ” every ten minutes when he is telling a joke, getting angry, or just expressing amazement. You also know in the Bible Jesus is often referred to as “Christ, Jesus.” Name Backwards.

The family Name Durvasula is linked to Durvasa Mahamuni, the angry and powerful incarnation of Lord Shiva who was father of the Pandavas of the Mahabharat epic. Durvasula is also interchangeable with King David of Jewish scriptures. Durvasula came to the Middle East in the form David or Dawoud for a different set of people. The City of David is Jerusalem, and the City of Durvasula/David is Peddapuram, EGD, AP India and San Francisco, CA, USA.

My father’s name was Durvasula V. Sastry or D. V. Sastry and my Grandfather’s name was Durvasula V. Subbarao or D. V. Subbarao, both very close to “David”, “Devudu”, “Dvesham”, and “Devi”, “Devatha” and “DVD”! Also “Devastation”, “Divisive”, “Deviancy”, “Devastating”, and “Disaster”, “Desastre”, “Dhavid”, and “Destiny” “Stare Decisis, and “Dissaray” “Dynasty”, “Delightful”, and “Diversity”, “Divine”, “Device”, “Disney”, “Disease”, “Statistics”, “Stats,” “Strategy”, “Democracy”, “Democratic Party”, “Davos”, “Danish Pastry” (bread/flesh of Christ), “Salt or Salty of the Earth,” “Dish Network”, “Mystery,” “Dysfunctional”, “Diva”, “Dissatisfy”, “Istadevatha”, “Distu”, “Denise”, “Dennis”, “Don”, “Dan”, “Amnesty,” “Denies”, “Dino Valentino who I was named after and also Dino the Dinosaur!, “DNA”, “Vitamin D”, “Diminish”, “Diminutive”, “Dense”, “Douche”, “Dick”, “Diversion” “dissipated,” disillusion”, “Denouement”, “DeGeneres”, “Distraction”.

Thus, I am the root or descendant of “Durvasula” or “David” even though not apparent by my name. You must check the lineage and heritage.

I am also the Lion from the Tribe of Judah as David and Jesus and John the Baptist and Ram are from Judea!

Also, Ram is the son of Hezron and descendant of David in the Old Testament. Ram is also a male Lamb (another name for Son of Man) in Bible. Lord Ram in Hinduism is also the first human Incarnation of God or Son of Manu or the Alpha as Hinduism is the first organized religion in the world.

This also explains Ramallah in Mideast and Ramzan or Ramadan in Islam. It also explains the fable Alladin like Allah-Din. The Kalki Avatar/Second Coming is the Omega!

Also, in his message to the Churches in Philadelphia, Jesus implies he will reveal “my new name!

CHAPTER 9

Messages

“And to the angel of the church in Philadelphia write: ‘The words of the holy one, the true one, who has the key of David, who opens, and no one will shut, who shuts and no one opens.’ I know your works. Behold, I have set before you an open door, which no one is able to shut. I know that you have but little power, and yet you have kept my word and have not denied my name. Behold, I will make those of the synagogue of Satan who say that they are Jews and are not, but lie—behold, I will make them come and bow down before your feet, and they will learn that I have loved you. Because you have kept my word about patient endurance, I will keep you from the hour of trial that is coming on the whole world, to try those who dwell on the earth. I am coming soon. Hold fast what you have, so that no one may seize your crown. The one who conquers, I will make him a pillar in the temple of my God. Never shall he go out of it, and I will write on him the name of my God, and the name of the city of my God, the new Jerusalem, which comes down from my God out of heaven, and my own new name. He who has an ear, let him hear what the Spirit says to the churches.”

Revelation 3:7-13 ESV <http://bible.com/59/rev.3.7-13.esv>

I am coming soon to all of you! Be patient!

“I, Jesus, have sent my angel to testify to you about these things for the churches. I am the root and the descendant of David, the bright morning star.” The Spirit and the Bride say, “Come.” And let the one who hears say, “Come.” And let the one who is thirsty come; let the one who desires take the water of life without price. I warn everyone who hears the words of the prophecy of this book: if anyone adds to them, God will add to him the

plagues described in this book, and if anyone takes away from the words of the book of this prophecy, God will take away his share in the tree of life and in the holy city, which are described in this book. He who testifies to these things says, 'Surely I am coming soon.' Amen. Come, Lord Jesus! The grace of the Lord Jesus be with all. Amen."

Revelation 22:16-21 NIV

"Then I saw heaven opened, and behold, a white horse! The one sitting on it is called Faithful and True, and in righteousness he judges and makes war. His eyes are like a flame of fire, and on his head are many diadems, and he has a name written that no one knows but himself. He is clothed in a robe dipped in blood, and the name by which he is called is The Word of God. And the armies of heaven, arrayed in fine linen, white and pure, were following him on white horses. From his mouth comes a sharp sword with which to strike down the nations, and he will rule them with a rod of iron. He will tread the winepress of the fury of the wrath of God the Almighty. On his robe and on his thigh, he has a name written, King of kings and Lord of lords."

Revelation 19:11-16 ESV<http://bible.com/59/rev.19.11-16.esv>

Vedas in Europe. However, the Hindu religion was not a particular target of the Jews nor the Christians at the time of Jesus Christ and the apostles as it was not prevalent. Also, it will be proved that these Hindu idols are able the breath, see, hear, walk, and talk. You should also not idolize celebrity or humans more than God.

CHAPTER 10

The Mark of the Beast

The Mark of the Beast is the worship of the unfettered or unbridled free market forces. Many scholars call this the “invisible hand” of unbridled or unfettered market forces. Ironically, President George W. Bush referred to the “invisible hand of God (that) guides the affairs of our nation”. Thus the “invisible hand” has been used in the context of God’s work on Earth and the unbridled or unfettered free market forces that guide the economy and personal and collective decision making. You should not worship the unbridled or unfettered free market forces above God, as this would be akin to worshipping money or making money your “master.” You cannot have two masters both money and God. Ironically, however, the Lamb/Son of Man is the Master and thus the primary market maker in the free market. He owns the major wealth and the major corporations. Thus, God covers all bases. God controls “the affairs of this nation” and also the “free” market. This is a very important point and takes a mind of wisdom to completely absorb. God is both manipulating and protecting the people from their own weaknesses.

Cost Benefit Analysis and Mark of the Beast

The American public, including many conservatives and hawks, have turned “sour” on the Iraq war effort and certain foreign policy and economic initiatives of the government though it all initially “tasted like honey in their mouths” because they are intellectually believers in the free-market theory and market-based decision making. They are subconsciously internalizing

the cost benefit analysis (of Justice Learned Hand-similar to ‘risk-rewards analysis’) and concluding that the emotional, physical, and monetary **COSTS** of the Iraq war and some foreign policy initiatives are greater than the supposed **BENEFITS** of the Iraq war and certain foreign policy and economic initiatives.

The State of Israel was secretly formed by God, D. V. Subba Rao, Clark Gifford, Prime Minister Winston Churchill, and of course, President Harry Truman.

That is why President Biden and the Lamb are giving full and iron clad support to Israel in its war against Hamas and Iran. But now for the first time all the world’s diplomats and armies have turned their fire toward the Lamb. However, the Lamb will win his faithful, called, and chosen followers. Prime Minister Netanyahu will be deposed as a scapegoat to please the nations. There must be a Palestinian State as part of a Two State Solution. This is God’s plan.

Synchronicity and Coincidence explain why there seems to be more than one answer to every riddle and symbol in the mystery of God and revelations and prophecies. If you miss one sign, you will get a chance to catch the next sign, and you know that something special and extraordinary is happening,

Ram/Shiva or Ramalingam is the Lion from the Tribe of Judah with the key to the scroll. Muslims have Ramallah and celebrate Ramadan and Ramzan. Jews have Ram’s horn, and Ramstein, and Ram the son of Hezron and grandson of Judah. The Christians have the Lamb who is also a Ram. Hindus have Ram, the first and the last, son of Svayambhuva Manu (Son of Man) and also Shiva, who combined with Ram is Ramalingam. God and the Lamb each have Shiva Lingams which can give eternal life by supplying “living water” of Life or divine semen of life from Lord Shiva.

CHAPTER 11

Mystery Babylon/Kali Era

Despite coincidence and synchronicity, Durvasula Sastry, Lakshmi Sastry, and Dinesh Subbaraya Sastry (the Lamb/Son of Man) are not Mystery Babylon or the Prostitute on the city of 7 Hills. Thus, the silent harassment by car drivers who are actually government agents should end towards D. V. Sastry. Other subtle forms of harassment or war or distress should also end. We are not Mystery Babylon or the Prostitute and D. V. Sastry is not either of these things. We are also not equipped to accept or handle excessive abuse in this regard. The U. S. Government lied about these facts and made war, but the Lamb has won because he is the King of Kings and the Lord of Lords.

Mystery Babylon is the United States of America and its neoconservative government and political system and results of the political processes etc. In order to share or distribute the title of Mystery Babylon and Prostitute among the two major political parties and not blame just one, President Bush and Vice President Dick Cheney, Condoleezza Rice and Mayor Rudy Giuliani and Sen. Larry Craig among others are playing the role of Beast from the Earth and also Mystery Babylon and Prostitute but also sharing these roles partially with President Bill Clinton and two females, Speaker Nancy Pelosi and Senator Hillary Clinton, Madeleine Albright among others. Females are necessary as many biblical purists require that the “prostitute” be a female. I hope everyone understands this complexity. Other countries are also playing the Role of Mystery Babylon, which is actually the “Kali Yuga” or “Kali Era” being personified by Goddess Kali in the forms of various governments, political and governmental actors including Benazir Bhutto and General Musharraf of Pakistan (formerly pre-partitioned India), and

women in entertainment etc. These powerful people and institutions are equipped to handle the scrutiny, derision, and harassment.

Think about all of this wisely. Remember that Oil dependency, Drug companies, and the Military Industrial Complex are part of Mystery Babylon. The Kali Era manifests in different individuals and institutions and behavior and is also referred to as Jezebel. While it is written that Jezebel leads followers into “sexual immorality” and “eating of sacrificed foods” this could mean actual sexual immorality but more often means adulteries of faith by individuals who are consumed by the institutions and characteristics of the Kali Era/Yuga and Jezebel is another name for Kali and the Era she represents. **God expects Fidelity from the children of God to the word of God and departures from the teachings of God are adulteries.**

Many people instantly recognize the Statue of Liberty and New York City as Mystery Babylon, the City that rules the earth, and the Prostitute. However, there is more complexity to this, so this is not the obvious answer but part of the complex answer. The French secret societies gave the Statue of Liberty as a gift to the USA to represent Mystery Babylon. The poem of Lazarus about the Wretched & the Poor reference the Church of Laodicea in the Biblical Book of Revelation!

When adulterous men who may be linked to Mystery Babylon appear in their press conferences (Clinton, Vitter, Craig, Spitzer, Kobe Bryant, Magic Johnson etc.) they appear with their wife because their wife is part of Mystery Babylon and says figuratively “I stand as Queen, I am not a widow, I do not mourn”. This has become the practice. It is both an apology and an act of defiance and reinforcement.

The TRIUMPHAL ENTRY— The Seventh King will come riding on a Donkey (Democrat) and Gently (depending on whether the Beast and False Prophet are captured.) The Seventh King will come riding on a Donkey/ Democrat.

Why the Lamb/Son of Man is a Democratic Party member:

As one former Reagan administration official humorously stated, “If Jesus Christ were to come back, liberals would put him in REHAB.”

The Lamb/Son of Man is not addicted to alcohol, caffeine, or nicotine. The Lamb/Son of Man has stopped smoking, and only started as the signal that there was some type of “conspiracy” with D. V. Subba Rao involved as

cigarette smoke was his symbol. It was also a signal to a world-wide network that Subba Rao was alive and well and that the Son of Man/Lamb was in control of things. The Lamb put the cigarette in his mouth on Dec. 23, 2004, on his way to New Orleans as an international signal. Upon reaching New Orleans, there was a snowstorm for Christmas for the first time. The next day after Christmas, there was a Tsunami and Earthquake. All loyalists to God and the Lamb in the world and all angels in Heaven knew that the Lamb/son of Man was in charge with D. V. Subba Rao, God, because of the Cigarette in the mouth. Thus, the response to these events was proper. The Lamb/son of Man, Subba Rao, and Lord Hanuman had decided to attack the old Kingdom of Lord Rama as a “message”.

Jesus said, “The son of Man comes eating and drinking and you call him a drunkard”. Jesus also said, “All of these must happen,” and “no one may take away words from this book”. The book is “Book of Revelation” and the New Testament, though to create belief before the judging of the dead and resurrection, many Old Testament prophecies and Vishnu Purana prophecies are coming true also. Thus, the Son of Man has stopped drinking for one week or months without withdrawal symptoms or negative effects, but the Son of Man must come “drinking” and must be called a “drunkard” as stated in the New Testament, otherwise there will be NO HEAVEN on EARTH and NO RESURRECTION. There is a wing of the Republican party that takes these words seriously, while most Democrats would not. Republicans have kept the topic of God in the national dialog just as similar conservative parties or groups have done in other countries. Thus, the Republicans have understood the Son of Man’s dilemma and have decided, they will not worry about the behavior of the Son of Man as long as prophecies are fulfilled, and he has the mouth of a lion, eyes of blazing fire, etc.

However, the Democratic Party celebrates diversity and encourages helping “the least of these” and attempts to help the poor. The Democratic Party has made the Lamb/Son of Man, an Indian Hindu, feel comfortable in his native land, the United States of America. Democrats tend to let God judge others, execute others, and pass various judgements on others. Some Republicans feel that they should judge others as gatekeepers of the Kingdom of God. The Democrats did not assume they knew how to do this, and which religion was supreme and when to pass judgement on others.

It is obvious from the Senator Larry Craig case, that when it comes to the Living God, even Republicans want the Living God (an Indian Hindu) to

actually be a progressive Democrat. The same dynamic holds true in other countries, particularly Democracies. Thus Jesus “comes riding on a Donkey.”

However, in the Trump Era the Republicans only believe in false religion which is wire Christian Nationalism. They are hateful, bigoted, sacrilegious and racist. They don't read religious scriptures and don't follow the teachings of Jesus or any other well-known prophet or Lord. They are a cult that deals in the cult of personality while idolizing the False Prophet Donald J. Trump.

The Lamb/Son of Man will probably allow Democrats to coordinate (with other prophets and Saints including women) the distribution of some wealth to the poor and middle class of the world as these leaders have worked hard for a long time on poverty-related and upward mobility issues.

The Beast from the Sea is the Reagan/Bush administration and to some observers the Bush/Cheney first term. It is Now the Trump Administration.

The Beast form the Earth is the Bush/Cheney administration, particularly the Bush/Cheney second term.it is now Vladimir Putin administration.

The Dragon, Serpent/Devil/Satan is contained within Kalit Devi/Saturn Forces and manifests in various institutions, governments, and individuals Such as Putin and Russia, China, and authoritarian Communism.

Wars in Kalki and Vishnu Puranas:

As stated before, the Kalki Puranas are satisfied by two Gods, including the marriage prophecies and the wars against Buddhists and Meat-eaters. D. V. Subba Rao, God, decided that Buddhists were the Japanese during WW II and meat-eaters were the Germans at the same time. Subba Rao, through Clark Gifford and others, called for the State of Israel to be created to fulfill prophecy by President Truman and Winston Churchill. Subba Rao approved of the use of Atom Bomb and sent such messages explicitly. Subba Rao even introduced the routine of buttermilk drinking by President Truman. The Wars against Buddhists and strange meat-eaters in Korea and Vietnam were also approved as prophesied.

Of course, Great Britain (a beast) made war against D. V. Subba Rao throughout his youth, but he overcame them as King of Kings and Lord of Lords at that time, and with him were faithful followers Mahatma Gandhi, Bhagat Singh, Sardar Vallabhai Patel, and other freedom-fighters.

The Robert S. Mueller investigation has several indictments of Russians who tries to interfere in USA elections to Help President Donald Trump. The Mueller report also details contacts between the Russians, let by Vladimir Putin and the Trump campaign. This leads one to conclude that the Trump administration was put into power by the Dragon, in Russia and not God as President Obama had been.

If fact when the Trump administration began separation children at the Texas border from their Mothers, this became more like a Dragon attacking a mother. The Obama Administration had a similar plan but was put into power by God.

The 2000 recount election between Vice President Al Gore and President George W. Bush also appeared to be an election where the government was empowered by the Dragon in some way.

Ultimately if Trump and Pence had resigned, it would have repeated the Nixon era.

CHAPTER 12

Rumors of War

As many people have guessed, talk of a USA war with Iran is a “Rumor of War” and will not materialize. There will be rumors of wars, these things must happen, but everything will be okay. Nation will not rise against nation, as this already happened during the time of D. V. Subba Rao and World War II. There will be armies circling Jerusalem, but that is also okay. There will be an Israeli state and Palestinian state also. Iran is not a threat to world peace; the leadership of that country is in consonance with intelligence agencies’ goals. Iran is like an eight King as the American CIA plays a strong role in that country.

Catholicism:

The Catholic Saint Anthony/Antonio is reincarnated as Mayor Joe Alioto.

The Catholic Saint Charles/Carlos is reincarnated as Gov. Bill Richardson.

The Catholic Saint Francis de Assisi is reincarnated as Late Mayor George Moscone.

The Catholic Saint Patrick is reincarnated as Rep. Patrick Kennedy, Son of Sen. Edward M. Kennedy.

Resurrection & Reincarnation:

Reincarnation ended officially in 1911 when D. V. Subba Rao was born as all souls were then prepared for the Resurrection and Judgement Day. However, extraordinary individuals who may pique the interests of

the Lamb and God such as George Washington, King Akbar and Jodhaa, Abraham Lincoln, Frederick Douglas, Harriet Tubman, Thomas Jefferson, Chandragupta Maurya, Alexander the Great, and Chanakya and many slaves were given salvation/Moksha and thus freed from reincarnation as their souls were preserved for Resurrection.

The Resurrection will be in flesh and blood and of the soul, so buried bodies and cremated bodies will both be resurrected in full, healthy form. The Resurrected will have access to practical and tangible accessories and necessities. The Oceans will be partially eliminated and in place lost civilizations and land will appear, housing some of the resurrected dead.

The Dead are currently in white robes and awaiting the Resurrection with full knowledge of what is happening now on Earth and of the Lamb/Son of Man's teachings and activities. Others have been killed in "name" only and are actually alive to join the resurrection. This was done to fulfill prophecies and ensure that those awaiting a resurrection will have something tangible to look forward to without disappointment.

Credit Rating/Score deception:

In keeping with the them that worship of unbridled or unfettered free markets capitalism or free markets in general is taking the Mark of the Beast, one number of the Beast is the Credit Score. Theoretically, no person may buy large items without a Credit Rating Score of 666 or higher. This also affects selling of Real Estate in a down market. The Lamb/Son of Man despises the credit bureau system as it is riddled with inaccuracies and iniquities. Similarly, many people do not buy or sell without use of credit or debit cards. Many consider the spending EARMARKS by U. S. Congress and the President of the USA, Especially President George W. Bush, to be Marks of the BEAST as no one can buy or sell without being affected by the EARMARKS.

Does 9/11/01 calculate from 666? It does if you calculate Boeing 777, Boeing 767, Boeing.

Rider on the Black Horse:

The Rider on the Black Horse with Scales in his hands is Gov. Edmund G. "Jerry" Brown, Jr, who was Attorney General of California before being re-ejected Governor of California. Vice President Al Gore is another rider on

a black horse. They have both literally said “Come!” many times and offered Beers and wine at their homes to the Lamb/Son of Manu.

The Lamb went to his destruction and was Pierced and Slain and 3 a.m. Phone Call:

The Lamb was indeed pierced and Slain (Luke 9:22, Rev. 5:12, and Rev. 5:6 NIV) by government agents on September 26, 2003, at about 1:00 a.m. at a night club in Washington, DC while he was with businesspeople from California and the Middle East. The Lamb engaged in various business functions that day with a financial firm and was meeting with many prominent persons. In a movie: “Vanilla Sky” type of moment, the Lamb joked with two different persons, that it was the best day of his life as several important deals were being completed and new deals were starting. Subsequently, government agents ambushed the Lamb in a bathroom and hit him in the head with a hammer. The agents concocted a story and tried to make the incident look like a brawl or fight. The Lamb was in a blue suit or **“vestige or robes that were completely dripping or soaked in blood.”** **The business card of the Lamb with his name was in his right pocket at his thigh and in the front pocket of his coat. The Lamb also had a mobile phone in the right pocket, at his right thigh with him name on the welcome screen.**

The Lamb was slain and pierced and went to his “destruction.” The covert operatives who work most clubs on the street frequented by the Lamb, immediately went into action to protect the image of the Lamb but cover up the incident. They did not allow the businesspeople to see what happened. The government agents from another agency who committed the act of war against the Lamb calculated that one of the businesspeople could claim the body that early morning and quietly cover up the incident and inform the family of the Death of the Lamb.

A stunned spy who is actually a famous actress and singer, cleared the blood from the crime scene and she with help put the body in an alley outside of the club. The dead Lamb then came back to life, as agents watched, and hailed a cab and lay in the cab dripping in blood. The Lamb directed the taxi driver home and not to the hospital and even directed the taxi without sitting up or looking and while in semi-conscious state. The Lamb then went home slept in the bloody robes and then washed the suit and shirt the next day. The

Lamb woke up at 6:30 A. M. and called a colleague from the night before and informed him that he could not attend a Venture Capitalist meeting due to disfigured face. The maid of the Lamb, also a spy, then cleaned the blood in the bedroom.

The Lamb paid the taxi driver for stains and return of his cell phone. Friends urged the Lamb/Son of Man to contact police and see doctors. The Lamb waited a few days, healed himself and then went to doctors who found slight damage to the nose and lip area, but no head injuries or brain damage. They had no idea that the Lamb had died, was hit by a hammer, and then resurrected himself. However, many world leaders and former world leaders were briefed immediately that the Lamb/Son of Man lay in robes dripping with blood with his name at his thigh and also that the Lamb had gone to destruction and come back to life. The world leaders were astonished, and this began an intensified war against the Lamb and his business and career activities.

Thus, very few people know that the Lamb died and came back to life and covered-up the incident.

This is a very important fact. It is very rare in the history of the world that some living entity has died and come back to life almost immediately. The Lamb had done nothing wrong that night and was not inebriated. Like most allegations against the Lamb, a false story was concocted.

Many prominent United States leaders and former leaders and national security agencies were briefed of the incidents in systematic ways. Briefings were conducted both in-person and by phone. The CCTV video was also passed around.

CHAPTER 13

Lamb's Job Description

The Lamb will be King of Kings and Lord of Lords and thus ultimately oversee the probity and effectiveness of world Governance, Public Policy Making, and the play a major role in the Global Planning Council by deciding what problems will be solved by divine/supernatural solutions and intervention. The Lamb will the titular head of all world armies and militaries and establish, administer, and oversee the tradition of War games and military exercises between nations. Comity between nations will be celebrated and enmity and animosity between nations will be abolished.

As the Lamb/Son of Man has and will have even more extraordinary multitasking capabilities, the Lamb will serve many corporations/businesses at the Chairman/CEO level including the those in sectors such as Media/Entertainment, Fashion, Banking/Finance, and Technology and perhaps be involved in even the Auto, Chemical, Oil, Energy, and Telecom sectors. In order to maintain his status as the primary market maker in a global, hybrid economy that is based on a revised form of market-based capitalism, the Lamb/Son of man/Master will maintain majority ownership in various corporations and financial institutions. The Lamb will directly or indirectly determine the appropriate Price/Earnings ratio for a given public equity without encouraging unnecessary and unjustified inflationary pressure. There will be quality-based competition instead of only bottom-line-based competition with best business practices often being incorporated within this same context but NOT at the expense of communities, jobs, workers benefit and wages. There could be a move away from quarterly earnings reports to biannual and annual reports in order to curb volatility in markets and encourage long range planning by corporations.

There will be an international version of the Central Bank and an international Federal Reserve Board as well as “sister” member boards within the various members of the global confederacy of partially “independent” Nations. The Lamb will sit on these boards or at least abide by the advice of these boards but in the end-use divine methods to ensure that fiscal and monetary policy is optimum and equitable and successful. Both Dr. Alan Greenspan and Dr. Laura D’Andrea Tyson, Dr. Y. V. Reddy IAS, Dr. Duvurri Subba Rao IAS, and Dr. Ben Bernanke, Janet Yellen, Austan Goolsbee and Jerome Powell among others will find a place on these international boards.

The Lamb/Son of Man will administer a type of National Security/Asset Tax (coined by Economist Ravi Batra of Texas) as national security will be provided by the Lamb and God and those who have accumulated enormous net assets have the most to lose with threats to the border, the security, or the integrity of a nation. A net asset tax is difficult to administer because of manipulations by accountants, and lawyers, and because of cheating. However, the Lamb and his angels will administer an asset tax without being susceptible to cheating or manipulation by use of divine powers. Income tax will eventually be phased out of the global tax regimes.

Thus, the financial market, now known as the “free” market, will function appropriately, but it will be a clear and transparent fact that God and the Lamb are the Masters of the market and “Masters of the Universe.” You cannot serve two masters, both money and God, and thus the market will have only one master.

The Lamb will also resurrect the dead and provide eternal life to many. He will also heal the sick, the blind, the deaf, the dumb, the physically challenged, the mentally challenged, the chemically dependent, and others in pain. The Lamb and God will also help reverse aging to some extent in the elderly and the Lamb will allow many elder people to rejuvenate themselves by freeing them from curses of old age such as frailty arthritis, balding, and loss of sexual appetite and function. There shall be no more curse on humans and thus women will not have the “inconvenient” cramps and bleeding and other “curses” during their menstrual cycles.

The Lamb will perform most duties of creation and destruction on Earth. The Lamb and God will receive feedback from followers, prophets, Saints, and servants in order to maintain the proper quality of human life including the education, and other socioeconomic and quality of life measures.

CHAPTER 14

Consequences of New World and Heaven on Earth

The Lamb/Son of Man spends a great deal of time and thought on and with the Politicians, public servants, Media elite and opinion-makers, the ambitious, and sometimes even the idealistic. These are the people that will require the most adjustment in the Kingdom of God and slightly adjusted notion of what is right and wrong and efficient or appropriate.

The majority of working families, students, entrepreneurs, or business executives will find the Kingdom of God to be an ideal paradise and very happy that the world is heading toward a Utopian state. However, the political elite, the most ambitious, and the public servants in the long run, will have to adjust certain ideals of what it is ultimate success and what is an ideal system of governance, economy and the like. Life will not be a zero-sum game. As the Lamb and God solve many serious problems with the help of divine powers and angels with superhuman powers, the public servants will feel a void that must be filled by exploration of new lands, newly resurrected historical personalities, and the idea that the Lamb and God will always be the ultimate authority and God will rule permanently on Earth. Human leaders, those with the calling to do great things, will have much to do but should also realize that the great improvements and debates about improvements will eventually be on the margins of perfection, and work toward a more perfect and just and heavenly world.

Who does the jobs that the wealthy or even the middle class do not want to do?

The question of who will do the jobs that were once done by the poor and middle class is important in a world that moves toward zero poverty rate and a better quality of life. The jobs once done by the poor and middle class but now finding a shortage of workers will be done by the Lamb/Son of Man's own angels who are not human.

Who can the wealthy look down upon and ridicule or insult in a world without poverty?

This is not a necessary condition or attribute of "Utopian" society or Heaven and thus there will not be much effort put toward PRESERVING this luxury unless it is in the context of appropriate constructive criticism or satire and comedy.

What will happen to professions that thrive on problems or conflicts?

They will be reformed and then compensated. For example, the Lord of Lords will solve many of the problems now reserved for Doctors, Prosecutors, Police, and lawyers and politicians. However, these professions, including some like plastic surgery, dentistry, clergy or priests, and others that persons will move away from in order to seek more permanent and direct solutions from God and the Lamb, will be maintained and attended to so as to prevent massive dislocation or economic upheaval. This would include the Drug industry, the energy and oil industry, the military industrial complex and medical and law enforcement industries and agencies and even the world's military organizations and services.

What will happen to the residents of the small town in India that will suddenly become the "New Jerusalem" and expand into a type of nation-state?

The people of Peddapuram and nearby areas, many of them of modest means and skills will be given the proper and appropriate hard skills and soft skills including linguistic skills and etiquette according to their prayers and also given wealth and wardrobes commensurate with requirements of the New Jerusalem so that they will not feel intimidated, or intruded upon by visitors to the New Jerusalem. The transformation will occur in almost seamless fashion, and the people will not harbor resentment. Many of the resorts, hotels, and restaurants and other institutions in the New Jerusalem

will be staffed and supplanted by the Lord's Angels who have superhuman capabilities. It will be amazing and take place according to the lifelong wishes of D. V. Subba Rao.

Abortion:

"Mother of All Abominations" can refer to corruption, Wars, failed policies, and INJUSTICES. However, this phrase can also refer to abortions and surprise or unplanned children or pregnancies. Thus, as the Lamb/Son of Man supports the "Roe vs. Wade" disposition in the USA Supreme Court (and the legally constructed "Right to Privacy" that it guarantees), and has explained that the "soul" is added to fetus, thereby constituting "life," only at the TIME of birth, and since the Lamb/Son of Man was a member of the Democratic Party leadership in the past, it can be extrapolated that one meaning for "ABOMINATIONS" is "unplanned pregnancies." However, no one should be pro-abortion or celebrate abortions.

Description of Kalki Avatar and His Supernatural Powers in Hindu scriptures:

The Mahabharata is more specific in its description of the Kalki-Avatar. On being asked by Yuddhistira, the sage, Markandeya, describes the Kalki Incarnation. He says that inspired by the Supreme Spirit, in a certain village called Shambal, a son will be born in the house of a Brahman named VISHNUYASHA and this boy's name shall be Kalki Vishnuyasha. This Brahman boy shall be an extremely powerful, intelligent, and valiant personage. He shall get all weapons, armies, etc., at will. Collecting a huge army of Brahman warriors, he shall go about setting order of righteousness in the world. He shall not only re-establish the rule of dharma but shall also herald the advent of the Golden Age or the Satyayuga of the next cycle of time.

In [a] talk [with Sage Markandeya] a few years before the Kali Age began [and recorded in the Mahabharata], Lord Vishnu told how Light would come to earth when the evils of the [Kali] Age had reached a level that required the direct action of God. Lord Vishnu said to the sage Markendeya: "When evil is rampant upon this earth, I will take birth in the family of a virtuous man and assume a human body to restore tranquility by the extermination of all evils; for the preservation of rectitude and morality, I will assume an inconceivable human form when the season for action comes. In the Kali Age of sin, I will assume an Avatar form that is dark in color. I will be born in a family in

South India. This Avatar will possess great energy, great intelligence, and great powers. Material objects needed for this Avatar's mission will be at his disposal as soon as He will think of them. He will be victorious with the strength of virtue. He will restore order and peace in the world. This Avatar will inaugurate a new Era of Truth and will be surrounded by spiritual people. He will roam over the earth adored by the spiritual people."

"The people of the earth will imitate this Avatar's conduct, and there will be prosperity and peace. Men will once more betake themselves to the practice of religious rites. Educational centers for the cultivation of Brahmic lore, and temples, will reappear again everywhere. Ashrams will be filled with men of Truth. Rulers of the earth will govern their kingdoms virtuously. The Avatar will have an illustrious reputation."

This prophecy concerning the Kalki Avatar, from the Mahabharata, is collaborated in the ancient classic, the Vishnu Purana, which also mentions that this Avatar will display great superhuman powers in establishing the new age of Truth. It adds that, "His parents will be devotees of Vishnu, and will reside in a village worshipping the cowherd form of Sri Krishna."

Why was Lamb/Son of Man (as was President George Bush) dancing and doing other such things a decade back?

He was humbling himself like a child as in scriptures. However, the main reason he was dancing (though not in a serious or disciplined or skillful way) is because intelligence agencies and Hindus are looking for signs if the Lamb is Lord Shiva and Lord Shiva is known for dancing. Thus, the Lamb/Son of Man put on a dancing show at times. Other attributes and characteristics can be explained as well. Similarly, Lord Krishna was known for playing the Flute and singing.

Immaculate Conception and Fusion of Holy Trinity into Virgin Birth of Divine Soul:

On March 13, 1971, the Holy Trinity, Lord Brahma (the Holy Spirit), Lord Shiva (the Father), and Lord Vishnu (the Son) fused or merged into or created a Divine Soul that entered and was attached to the soul and fetus of Dinesh S. Sastry, the Lamb/Son of Man. This, in effect, was a form of Immaculate conception or Virgin Birth of the Divine Soul of the Savior.

Jesus Christ Crucified and the Lamb/Son of Man pierced and slain and targeted in War:

The Lamb/Son of Man and Jesus Christ suffered ridicule and crucifixion as a gift to the human race. Jesus suffered in order to save the human race from sins and the stringent rules or dharma set by God and Religion. The prevailing conditions for Hindus, Christian, Jews, and Muslims to enter Heaven, receive true salvation, or enter the Kingdom of God place a very high standard for the human race in the collective or as individuals to adhere to, abide by, or satisfy. Thanks to Jesus Christ, D. V. Subba Rao and the Lamb/Son of Man were sent in order to change certain definitions of the proscriptions or limiting conditions for entry into Heaven. Additionally, all prophets and Saints such as Moses and Abraham and the Counselor were created as imperfect souls or vessels with an eye toward absolving many from punishment for common weaknesses as these Prophets also had the same weaknesses. The Irony should not be lost on anyone. This is why Jesus Christ was crucified, otherwise no person would satisfy the Ten Commandments or Lord Krishna's Dharma as set out in the Bhagavad Gita.

Book of Life:

The Book of Life is written in the Leaves of the Nadi Shastras, that are leaves written by Sages according to Lord's description of each human being's life.

Future of Vedas:

The Rig Vedas will remain relevant. The Soma Vedas will remain relevant. However, the Yajur Vedas will be less relevant in the Kingdom of God which is Heaven on Earth. This is because the Yajur Vedas advocate renunciation of worldly possessions, activities, and wants and the life of a sanyasi as a method and means to achieve salvation or moksha. However, when the Kingdom of God is Heaven on Earth and eternal life for the children of God, then this by definition is automatic moksha or salvation, and thus the Yajur Vedas are not so relevant.

The Spectrum of Color:

In the spectrum of color, Black is absence of any color, and white is the combination of all primary colors merged together. Thus, the robes of people will be made "white" in the blood of the Lamb. This is a figurative description and not a literal description.

Angels from Heaven:

The angels from Heaven that follow the Lamb/Son of Man and the Brahmin angels that follow the Kalki Avatar are not human and have some divine knowledge and powers and work in various intelligence agencies, hospitals, emergency medical services, militaries, police departments, law enforcement agencies, lawyers, doctors, and business people and even Mafia and gang members. They are everywhere and carry though God's orders and help fulfill God's words and prophecies. They are certainly in the FBI, CIA, KGB, U. S. Military, U. S. Secret Service, various American and Indian hospitals, the CBI in India, the RAW in India, and IB in India. They can read the mind of the Lamb/son of Man and also read the future and, thus, act without explicit orders, they also supply information that the Holy Spirit passes through them to the Lamb/Son of Man.

Why are Hindu Gods and Goddesses pictured with multiple arms and multiple heads?

The Gods can be divided between more than one person and appear in different forms; thus, they are depicted with multiple heads and arms.

Why do bad things happen to good people?

Prayers and rituals can help mitigate or assuage a bad period or bad karma and create good karma, but much of karma is I know it's about predetermined by your fate and destiny and past life. Fate and destiny are the result of the positions of the planets and stars at the time of your birth. Karma factors in your fate and destiny with sins and good deeds of past life and present life. Prayer can affect karma to differing degrees depending on the individual souls and situation or circumstances. Many who die now are resting from their labors as they are dying in the Lamb//Son of Man/Kalki avatar and will be resurrected with a better life than before.

In the Kingdom of God most people will start with salvation or moksha, especially infants and small children, and will not receive bad Karma as a result of evil deeds or sins. They will be judged by God and the Lamb/Son of Man and will not be burdened by horoscope, fate, destiny, or karma.

Why has the United States maintained porous borders?

The United States has for the past four decades maintained relatively porous borders and liberal immigration policy hoping that California, or

New York or Washington, D. C. might become the New Jerusalem and the Kingdom of God. It is written that “the gates to the city will never be shut, day or night”. This was taken to mean that the borders to the United States should not block immigrants if the USA wanted to become the New Jerusalem and the Kingdom of God.

CHAPTER 15

Marriage Bureau

The Lamb/Kalki/Son of Man will create a marriage bureau for close friends and family that uses different technologies and powers and future reading to connect brides and grooms with their lifetime soulmate. Admiration for the bureau and envy will cause the citizens of many nations and many ethnic backgrounds to demand access and coverage under such an “arranged marriage” bureau. The Lamb/Ram will originally make it available only to close friends and family as part of a master plan, and not force such a bureau on the people in a coercive or precipitous way.

Heaven Will Fit on Earth:

The Earth will retain many characteristics to promote continuity and fond memories and celebration of institutions and cultures. However, Heaven and the Resurrection will fit both in terms of space and emotions on Earth as the much of the SEAS and OCEANS will turn to land and uncover surprises.

As said before, the Kingdom of God will not be a fascist society, but be a nearly Utopian society with just the right amount of tension, surprise, unpredictability, diversity, and problems to keep talented people, including the Lamb/Son of Man and God busy enough to avoid complacency and retain proper stimulation of the senses.

The Holder of Keys to the Abyss and the Destroyer of Evils:

Lord Shiva lived in an Abyss or cave in Mt. Kailas of the Himalayas. Lord Shiva has the keys to the Abyss. Lord Shiva is the King and angel of the Abyss. In Hebrew is referred to as Abaddon and in Greek he is referred to as Apollyon, meaning Destroyer etc.

The Utah Mine where the miners are trapped looks almost identically like the Abyss in which Lord Shiva has lived for generations.

Theory of Evolution and Creationism

If you study the Vishnu Purana, you will read that there are 10 official, predestined incarnation of Vishnu (Son of God) and perhaps several more because the eighth incarnation, Lord Krishna, stated in the Bhagavad Gita that he (or Son of God) would incarnate from time to time when it was necessary.

Lord Ram is the seventh incarnation of Vishnu and the first completely human and civilized incarnation.

There were six other incarnations of the son of God in subhuman forms such as micro-organisms and animals such as fish, reptile, amphibians, and mammals. Thus, God incarnated several times along the way in order to further the process of EVOLUTION, or theory of Evolution or Darwinism. Thus, there are merits in both the arguments for evolution and the arguments for CREATIONISM.

God is the catalyst or driving force in the theory of evolution and the furtherance of SCIENCE.

Do not destroy the Earth, as it is God's creation.

Deep Throat as Code Word

"Deep Throat" refers not any individual or persons but the secret that Lord Shiva is the key to all revelations and prophecies and is the "FATHER" and is also represented by his Phallic Symbol-The Shiva Lingam thought to represent male or cosmic energy. The Mt. Everest reference comes from the fact that Lord Shiva historically lived in a cave/abyss in the Himalayas mountains. You will get eternal life "by eating and drinking the flesh and blood" of the Lamb and God. However, this is actually mystical drink called soma (also called "Living water") and will be explained at the appropriate time so as not to confuse doctors and chemists now. It is true that the Shiva Lingams are the divine or mystical "Penis" of Lord Shiva.

This is why the descendants of Abraham call "circumcision" their "covenant" with God. Circumcision creates the appearance of the "Shiva Lingam" as the Shiva Lingam is rounded off at the top.

Thus "Deep Throat" refers to only Lord Shiva and also the fact that some vile humor and some innuendo by comedians about prophets and Saints and other servants will be allowed but blasphemy against the God

and Lamb and their families will not be tolerated in the Kingdom of God, as it would subvert or undermine young people's faith who have not lived through these times or are too young to understand.

TIMETABLES FOR THE DAY OF THE LORD

The Republicans in a recent debate argued over timetables in IRAQ and for withdrawal of troops. The Lamb/Son of Man cannot announce a timetable for the Day of the Lord, the Resurrection, the ending of conflicts, etc. As the scriptures say, "armies will surround Jerusalem" but these things must happen as must "rumors of war" with Iran or other conflicts.

No one may know the hour or the day of the lord, not even the Angels from Heaven, but only the Father. The Father does become the son and the Son becomes the father, but this is an internal issue and not for public scrutiny. Also because of the various cycles of time that Buddha had explained, the Earth has been destroyed many times and re-created with the same actors repeatedly. However, this time, the World will not be destroyed completely and Heaven or the Kingdom of God will be on Earth and the Lamb and God will live forever on Earth with the children of God.

As the angels from Heaven have seen the cycles before, they know what will happen even before it happens. It is as if they are reading from an arranged guidebook or schedule of information or a "scroll". They will assist the intelligence agencies, world militaries, and world leaders in planning for the Day of the Lord and will know the day of the lord but not the precise hour. We must assiduously follow the scriptures and revelations as no word may be removed from them to prevent evil forces (the DEVIL or SATAN or Dragon) from arising again in one thousand years.

Please remember that the brides of the Lamb are young and many of the female followers of the Lamb are patiently waiting and have some precedent-setting age considerations. Similarly, the dead who are actually dead and those whose deaths have been "fabricated" are also patiently waiting for the Resurrection. Thus, we know the Day of the Lord is coming soon, perhaps before Have been the coming of the Seventh King, that is the seventh elected President during the lifetime of the Lamb/Son of Man or the Seventh Elected Democratic President since first King-like modern, President FDR.

It is a fact that even President George W. Bush and the Republicans want to end the war and prevent more troops from dying but are concerned that

“armies must surround Jerusalem” and that prophecies must be fulfilled. The staff (angels) of the Lamb/Son of Man are not allowing General Petraeus or other leaders to end the war in Iraq yet. Similarly, Osama bin Laden will be captured in a timely fashion in order to fulfill prophecies and at that time, Al Qaeda, the Taliban, and Hamas and Hezbollah’s will all surrender or be destroyed.

The two consecutive periods of 1260 days and 42 months began in December 2000. We are now going toward 1335 days but are certainly in “End Times” and at end of the Kali Era.

The United States of America and some leaders including President George W. Bush and General Jerry Brown will have the opportunity to announce or reveal the Lamb/Son of Man before commencing activities and the remainder of prophecies and Rapture. There could also be a ceremony for the King of Kings and Lord of Lords and the Existence of God, D. V. Subba Rao. All this will take place in the United States of America under the auspices of prophets and Saints.

War, Crime, Overpopulation, Pollution, and Traffic:

Just as the Lamb, God, and the CIA and network of angels can end Wars, many crimes, smuggling, and drug trafficking, and overpopulation in China and India (millions of robots without souls), they can also end road traffic in San Francisco/Bay Area, and Washington, DC, and other places as much of it is generated by the angels.

U.S. agencies have been involved in Drug trafficking in Colombia, Nicaragua, Mexico, China, Afghanistan etc. through Pacifica, CA; Daly City, CA; and Los Angeles, CA etc., Miami, FL; and New York, New York. U.S. agencies have been involved in disease propagation and even creation of some strains of disease.

The Song of Moses is “**My Way**”, by Frank Sinatra

Dr. M. L. King, Jr., and D. V. Subba Rao became great friends in the 1950s. D. V. Subba Rao collaborated with Dr. King on the “I Have a Dream” speech and also advised Dr. King to create a “sea of white angels” in “white Nehru” caps. He advised that the meeting at the mall be a “sea of white” angels and suggested everyone should wear Nehru style white caps that were made famous by the Indian freedom struggle and Mahatma Gandhi.

Sen. Barack Obama gave a brilliant speech on MLK JR day. The Lamb/Son of Man did not collaborate on this speech but was proud that Obama

started the speech by mentioning Joshua and the walls of Jericho. By comparing Joshua to a civil rights leader, Obama is promoting the proper narrative that President Lyndon Johnson is the reincarnation of Joshua and President Kennedy is the reincarnation of Moses and Dr. Martin Luther King, Jr. is the reincarnation of JOB.

Similarly, Obama mentioned the Reagan coalition as an example of Unity in U.S. politics as Reagan was the reincarnation of King Solomon.

Angels from Heaven

There are at least 72 million angels from Heaven on Earth who serve the Lamb/son of Man. However, there are 10,000 times 10,000 and even up to 200,000,000 or slightly more angels that appear from time to time but can also disappear and do not have permanent jobs or even permanent roles. They could show up at bar fight to defend the Lamb for example.

Creation of God and Universe

A Supernatural Force created The Divine Sun who created Vishnu and Vishnu created the universe, Shiva, and Brahma. Vishnu is also Jesus Christ.

Bhagavad Gita Chapter 7 Verse 8

1. son of Kunti, I am the taste of water, the light of the sun and the moon, the syllable om in the Vedic mantras; I am the sound in ether and ability in man.

Bhagavad Gita Chapter 4 Verse 6

Although I am unborn and My transcendental body never deteriorates, and although I am the Lord of all living entities, I still appear in every millennium in My original transcendental form.

Bhagavad Gita Chapter 4 Verse 4

Arjuna said: The sun-god Vivasvan is senior by birth to You. How am I to understand that in the beginning You instructed this science to him?

Bhagavad Gita Chapter 4 Verse 5

The Personality of Godhead said: Many, many births both you and I have passed. I can remember all of them, but you cannot, O subduer of the enemy, Arjuna

Bhagavad Gita Chapter 4 Verse 10

Being freed from attachment, fear, and anger, being fully absorbed in Me, and taking refuge in Me, many, many persons in the past became purified by knowledge of Me — and thus they all attained transcendental love for Me.

Bhagavad Gita Chapter 4 Verse 9

One who knows the transcendental nature of My appearance and activities does not, upon leaving the body, take his birth again in this material world, but attains My eternal abode, O Arjuna.

Bhagavad Gita Chapter 4 Verse 8

To deliver the pious and to annihilate the miscreants, as well as to reestablish the principles of religion, I Myself appear, millennium after millennium.

Bhagavad Gita Chapter 4 Verse 7

Whenever and wherever there is a decline in religious practice, O descendant of Bharata, and a predominant rise of irreligion — at that time I descend Myself.

CHAPTER 16

Creation of Divine Sun, God, and Universe

A supernatural force created the Sun and the Sun God created Lord Vishnu who then created Lord Brahma and Lord Shiva and the Universe! Then Lord brahma created the Vedas and first Human Being Svayambhuva Manu which is the origin of the words human and man! Lord Shiva destroyed the world with a flood and Manu saved all animals and human life in pairs! Lord Shiva destroyed the world because he found... it boring and homogenous with only Indians and Hindus! Lord Vishnu also granted Manu the status of always being the father of lord Vishnu when he descends to Earth! Vishnu also incarnated several times as sub human forms to further the process of evolution! ultimately humans were created in mass and Lord Shiva helped by incarnating as Lord Hanuman who was granted eternal life and still lives today and as a duplicate entity of Lord Shiva! he has allowed pillaging and conquering of India in the name of diversity at the urging of Lord Vishnu who loves different foods, different cultures, and different beautiful women! hanuman (A Monkey God, looks like Michael Jackson after his surgeries. Lord Shiva also came as Durvasa Maharishi who gave birth to the Pandavas, the cousins of Lord Krishna(Vishnu)!The world has gone through several cycles of creation and destruction as explained by Buddha(also Vishnu) in the Kalanchakra Tantra in Peddapuram, Ap, India, which can be monitored and proven by another planet in the universe called Vishnu Lok! In the most recent era, Lord Shiva gave the laws of God to Moses on Mt Kailas and Moses started Judaism with a bond with a sacred stone the Siva lingam which led to circumcision. Earlier Lord Brahma came as Abraham and Lord Shiva came as King David. Lord Shiva also created the Egyptian civilization!

Jesus Christ came in this era as a Jew and helped create more diversity around the world by asking for the good news to be preached around the world! He also talked about the Resurrection and eternal life! He was counseled by Hindu gurus in India! He told the whole world that the Messiah would be the Son of Manu keeping with the Svayambhuva Manu boon as father if God! Svayambhuva Manu is also Lord Ganesha son of Lord Shiva! Guru Nanak was created to stop Hindus from being raped and forcefully converted by Muslim invaders! Hence the Sikh religion! Prophet Muhammed was created to create the concept that God is Great, Almighty, Omnipotent, and beef eating is allowed, and that women should not be as sexually promiscuous as men because they are receivers and can become Pregnant which is an honor (motherhood) and also a curse in some situations! In other words, they shouldn't be sluts! There will be celestial angels (-as Hillary Clinton said in 2008) in the Kingdom of a God to satisfy the Male sexual appetite. Many women in Bollywood and Hollywood and music and politics are pretending to be promiscuous to mimic the end times prophecies of end of the Kalki Yuga and Biblical Revelation 14:4 NIV where women are purchased from among many men and follow the king of kings and lord of lords around the world for eternity and are first fruits to The Lord like Lord Krishna's Gopikas and multiple wives and The same prophet who is John the Baptist is also Prophet Guru Nanak is also the Prophet Muhammed! The weather, the climate and natural resources will be controlled by the King of Kings and Lord of Lords and a global planning council of human beings! The debts of countries will be paid off by the Kalki Avatar, as according to Master and talents provision of the Bible! The King of Kings will be the wealthiest and most powerful person in the history of mankind and lead with divine knowledge that leads to a utopian world where there is no more dying, crying, or pain with the help of human chosen leaders! Heaven will be a Kingdom on Earth and God will live forever on Earth and introduce other planets to those with salvation or Moksha on Earth! This is also thanks to Jesus Christ who loved all diverse types of people and was crucified for humanities sins! This also thanks to those who acted as Gog and Magog and Satan for fulfilling the scriptures of all religions because there is a continuous and contiguous relationship between all words and revelations of God! Once the genie is out of the bottle those words must be fulfilled!

**Kalki: The Next Avatar of God
and the End of Kali-yuga**

by Stephen Knapp

(An excerpt from The Vedic Prophecies)

The age of Kali-yuga is said to start from the year 3102 BC, after the disappearance of Lord Krishna. Lord Caitanya appeared 500 years ago, at which time the Golden Age within Kali-yuga is supposed to start and last another 10,000 years. As the Golden Age within of Kali-yuga comes to a close, the lower modes of material nature will become so strong that people will lose interest in spiritual topics. It is said that everyone will become godless. Whatever devotees, bhaktas, and sages are left on the planet will be so unique in character and peculiar compared with the rest of society that they will be ridiculed and hunted down in the cities for sport like animals. Thus, they will flee the cities to live underground in caves or high up in the mountains, or simply disengage from the earthly plane of existence. In this way, they will disappear from the face of the earth. That is the time when the dark influence of the age of Kali-yuga will become so dominant that its full influence will manifest without hindrance.

Finally, after 432,000 years from the beginning of the age of Kali, Lord Kalki will appear as the twenty-second incarnation of God. This is very similar to what some people call the second coming of Christ.

CHAPTER 17

The Appearance of Lord Kalki

There are many incarnations of the Supreme Being as stated in *Srimad-Bhagavatam* (1.3.26): “O *brahmanas*, the incarnations of the Lord are innumerable, like rivulets flowing from inexhaustible sources of water.” However, out of all the various incarnations of the Supreme, the *Srimad-Bhagavatam* (1.3.28) specifically states “*krishnas tu bhagavan svayam*,” which means that Lord Sri Krishna is the original Supreme Personality of God. All others are His plenary portions, or parts of His plenary portions, who descend into this material world to carry out certain responsibilities and to do specific things. This is especially the case when the planets are overly disturbed by miscreants and atheists. In Kali-yuga many years go by in which constant disturbances and social upheavals are allowed to happen, but the Vedic literature predicts that at the end Lord Kalki will make His appearance to change everything, as described in the following verses:

“Thereafter, at the conjunction of two *yugas* [Kali-yuga and Satya-yuga], the Lord of the creation will take His birth as the Kalki incarnation and become the son of Vishnuyasha. At this time, the rulers of the earth will have degenerated into plunderers.” (*Bhag.*1.3.25)

“Lord Kalki will appear in the home of the most eminent *brahmana* of Shambhala village, the great soul Vishnuyasha.” (*Bhag.*12.2.18)

“At the end of Kali-yuga, when there exist no topics on the subject of God, even at the residences of so-called saints and respectable gentlemen of the three higher castes, and when the power of government is transferred to the hands of ministers elected from the lowborn *shudra* class or those less than them, and when nothing is known of the techniques of sacrifice,

even by word, at that time the Lord will appear as the supreme chastiser.”
(*Bhag.2.7.38*)

The *Vishnu Purana* (Book Four, Chapter 24) also explains that, “When the practices taught in the *Vedas* and institutes of law have nearly ceased, and the close of the Kali age shall be nigh, a portion of that divine being who exists of His own spiritual nature, and who is the beginning and end, and who comprehends all things, shall descend upon earth. He will be born in the family of Vishnuyasha, an eminent *brahmana* of Shambhala village, as Kalki, endowed with eight superhuman faculties.”

The *Agni Purana* (16.7-9) also explains that when the non-Aryans who pose as kings begin devouring men who appear righteous and feed on human beings, Kalki, as the son of Vishnuyasha, and Yajnavalkya as His priest and teacher, will destroy these non-Aryans with His weapons. He will establish moral law in the form of the fourfold *varnas*, or the suitable organization of society in four classes. After that people will return to the path of righteousness.

The *Padma Purana* (6.71.279-282) relates that Lord Kalki will end the age of Kali and will kill all the wicked *mlecchas* and, thus, destroy the bad condition of the world. He will gather all of the distinguished *brahmanas* and will propound the highest truth. He will know all the ways of life that have perished and will remove the prolonged hunger of the genuine *brahmanas* and the pious. He will be the only ruler of the world that cannot be controlled and will be the banner of victory and adorable to the world.

Here in these verses we find that Lord Kalki will come as a chastiser or warrior. By this time, the planet will be filled with people who will be unable to understand logical conversations. They will be too slow-minded and dull-witted, not capable of being taught much, especially in the way of high philosophy regarding the purpose of life. They will not know what they need to do or how to live. And they certainly will be unable to change their ways. Therefore, Lord Kalki does not come to teach, but simply to chastise, punish, and cleanse the planet.

Furthermore, we also find the name of the place where Lord Kalki will appear and the name of the family in which He will be born. The family will be qualified *brahmanas*. This means that a disciple and family line of spiritually qualified *brahmanas* will remain on the planet throughout the age of Kali, no matter how bad things get. Though they may be hidden, living in a small village somewhere, it will be this line of *bhaktas*, spiritual devotees, from which Lord Kalki will appear in the distant future. No one

knows where this village of Shambala is located. Some feel that it is yet to manifest, or that it will be a hidden underground community from which Lord Kalki will appear.

In this connection we find in the *Padma Purana* (6.242.8-12) the prediction that Lord Kalki will be born in the town of Shambala near the end of Kali-yuga from a *brahmana* who is actually an incarnation of Svayambhuva Manu. It is described that Svayambhuva performed austerities at Naimisa on the bank of the Gomati River for acquiring the privilege of having Lord Vishnu as his son in three lifetimes. Lord Vishnu, being pleased with Svayambhuva, granted the blessing that He would appear as Svayambhuva's son as Lord Rama, Krishna, and Kalki. Thus, Svayambhuva would appear as Dasaratha, Vasudeva, and then Vishnuyasha. Also, in the *Padma Purana* (1.40.46) we find Lord Vishnu admits that He will be born in Kali-yuga. Thus, He will appear as Lord Kalki.

CHAPTER 18

The Activities of Lord Kalki

The *Srimad-Bhagavatam* (12.2.19-20) describes Lord Kalki's activities as follows: "Lord Kalki, the Lord of the universe, will mount His swift white horse Devadatta and, sword in hand, travel over the earth exhibiting His eight mystic opulences and eight special qualities of Godhead. Displaying His unequaled effulgence and riding with great speed, He will kill by the millions those thieves who have dared dress as kings."

We should make note here that, as the Vedic literature explains, when the Supreme kills anyone, that person is immediately spiritually purified by His touch and because the person is focused on the Supreme Being while leaving his body. Thus, that person attains the same destination as those yogis who spend years steadying the mind in order to meditate and leave their bodies while focused on the Supreme. So being killed by the Supreme is a great advantage for those of a demoniac mentality who would otherwise enter lower realms of existence or even the hellish planets in their next lives.

The *Vishnu Purana* (Book Four, Chapter 24) continues to explain Lord Kalki's activities: "By His irresistible might he will destroy all the *mlecchas* and thieves, and all whose minds are devoted to iniquity. He will reestablish righteousness upon earth, and the minds of those who live at the end of the Kali age shall be awakened and shall be as clear as crystal. The men who are thus changed by virtue of that peculiar time shall be as the seeds of human beings and shall give birth to a race who will follow the laws of the Krita age [Satya-yuga], the age of purity. As it is said, 'When the sun and moon, and the lunar asterism Tishya, and the planet Jupiter, are in one mansion, the Krita age shall return.'" The *Agni Purana* (16.10) also relates that Hari, after

giving up the form of Kalki, will go to heaven. Then the Krita or Satya-yuga will return as before.

Additional information that can help us understand the activities of the next coming of God is found in the *Linga Purana* (40.50-92), the *Brahmanda Purana* (1.2.31.76-106 & 2.3.73.104-126), and the *Vayu Purana* (58.75-110). In these texts we find descriptions of Lord Kalki as He will appear in the future and also as how He appeared in previous incarnations as Pramiti in this time period known as the Svayambhuva Manvantara. These texts tell us that as Kali-yuga ends, and after the death of Bhrigu (or in order to slay the Bhrigus), Kalki (Pramiti) took birth in the Lunar dynasty of Manu. He will wander over the planet without being seen by any living being. Then he will start His campaign in His thirty-second year and roam the earth for twenty years. He will take with Him a big army of horses, chariots, and elephants, surrounded by hundreds and thousands of spiritually purified *brahmanas* armed with weapons. [Being *brahmanas*, these weapons may be *brahminical* weapons that are activated by *mantras*, such as the powerful *brahmastra* rather than base weapons of combat such as knives, swords, and spears, or even guns and ordinary explosives.] Though they may try to do battle with Him, He will kill all of the heretics [and false prophets] and wicked, *mleccha* kings.

In a previous incarnation He killed the Udicyas (Northerners), Madhya Deshyas (residents of the middle lands), Purvatiyas (mountain dwellers), Pracyas (Easterners), Praticyas (Westerners), Dakshinatyas (of Southern India), the Simhalas (Sri Lankans), Pahlavas (the fair-skinned nomadic tribes of the Caucasus mountains), Yadavas, Tusharas (people of the area of Mandhata, India, or present day Tukharistan), Cinas (Chinese), Shulikas, Khashas, and different tribes of the Kiratas (aboriginal tribes living in north-eastern India and Nepal) and Vrishalas.

No one could stop Him as He wielded His discus and killed all the barbarians. When He was finished, He rested in the middle land between the Ganges and Yamuna with His ministers and followers. He allowed only a few people to remain, scattered over the planet. These would be as seeds for the next generations that would follow in the next Satya-yuga. Thereafter, when Lord Kalki has made way for the next age of Satya-yuga and delivered the earth and whatever is left of civilization from the effects of Kali-yuga, He will go back to His eternal abode along with His army.

Continuing with the description of Lord Kalki as described in the *Linga*, *Brahmanda*, and *Vayu Puranas*, they explain that after Lord Kalki returns to His eternal abode, when those subjects surviving at the end of Kali-yuga are

enlightened, the *yuga* changes overnight. Then the minds of all people will become enlightened, and with inevitable force Krita or Satya-yuga sets in. People will then realize the soul, and acquire piety, devotion, tranquility, and clear consciousness. Then those *Siddhas* [the enlightened and perfected living beings who had remained invisible on a higher dimension through the end of the age of Kali] return to the earthly dimension and again are clearly visible. They establish themselves with the return of the Saptarishis, the seven sages, who instruct everyone about spiritual life, Vedic knowledge, and the progressive organization of society for a peaceful and fulfilling existence. Then again people flourish and perform the sacred rites, and the sages will remain in authority to continue the advancement of the new Satya-yuga.

CHAPTER 19

The Return of the Golden Age—Satya-Yuga

Herein we can understand that Lord Kalki will simply chastise by killing all of the evil kings and rogues and thereby bring in a new era of enlightened beings, a race whose minds will be as clear as crystal. They will produce offspring that will follow the tendencies of real human beings as found in the age of Satya-yuga.

Srimad-Bhagavatam (12.2.21-24) further describes that after all of the devious and fake kings have been killed, the remaining residents of the towns and cities will smell the breezes that carry the sacred aroma of the Lord's sandalwood paste and decorations, and their minds will then become spiritually purified. When the Supreme Being appears in their hearts in His form of pure goodness, the remaining citizens will abundantly repopulate the earth. With this appearance of Lord Kalki, Satya-yuga will begin again and the remaining humans will produce children in goodness. Thus, when the moon, the sun, and Jupiter are in the constellation Kartaka, Cancer, and together enter the lunar mansion of Pusya, that is when the age of Satya-yuga will begin. Therefore, as related in the *Bhagavatam* (12.2.34), after one thousand celestial years of Kali-yuga, Satya-yuga will again manifest. At that time, the minds of men will be self-effulgent.

The *Vishnu Purana* (Book Four, Chapter One) also relates that the *Vedas* and the principles of *sanatana-dharma*, or the eternal nature of the soul, fade and disappear from the planet at the end of every four ages. The *Bhagavatam*(8.14.4-5) also confirms that there are saintly persons who help reestablish these principles in Satya-yuga along with the basis of *varnashrama*,

which is the proper organization of society for humanity. The *Vishnu Purana* continues to explain that it is in the jurisdiction of the seven universal sages or *rishis*(the Saptarishis) to make sure the Vedic knowledge is given currency again, even if these *rishis* must descend from the higher planets to do so. So, in every Satya-yuga the Manu [the demigod son of Brahma who is the lawgiver of humanity] of that age is the author of the body of law, while the sons of Manu and their descendants are sovereigns of the earth. This means that although the genuine spiritual knowledge or Vedic information may disappear from this planet, it is still dwelling elsewhere in the universe, and it is the duty of higher authorities to reestablish it on Earth.

To help in this regard, it is predicted in the *Srimad-Bhagavatam* (12.2.37-38) and the *Vishnu Purana* (Book Four, Chapter 24) that there are two persons who are waiting for the end of Kali-yuga: Devapi of the race of Puru and brother of King Shantanu, and Maru, a descendant of King Ikshvaku. They will be great kings and will help in the process of reestablishing the proper principles in society. These two are alive even now by their great mystic strength obtained through the power of devotion. They have lived through all four of the *yugas* and reside in the village of Kalapa. They are waiting for the end of Kali-yuga. Then, at the beginning of Satya-yuga, under the instructions of the Supreme, they will return to society and be members of the family of the Manu and reestablish the eternal religion of humanity, *sanatana-dharma*, and the institution of *varnashrama*, which is the proper organization of society for its continued harmony in life, and its material and spiritual progress. They will become great kings and form proper governments. Thus, by the arrangement of the Supreme Being, there are those who will always be the guardians of that spiritual knowledge that contains the genuine principles for attaining the real goal of human existence.

After all of this is accomplished, as related in the *Bhagavatam* (12.2.39), the cycle of the four ages of Satya, Treta, Dvapara, and Kali-yugas [a Caturyuga] will continue to repeat itself along with the same general pattern of events.

IS LORD KALKI PREDICTED IN THE BOOK OF REVELATION?

Here are some additional interesting points to consider. There are verses from the book of *Revelation* in the Bible that are very similar to the above descriptions in the *Puranas* about Lord Kalki. These verses are so similar that they cannot be ignored and may provide additional insight for Christians

and similarities they may share with Vedic culture. In *Revelations* (19.11-16, & 19-21 NIV) it states:

“And I saw heaven opened and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war. His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, but no man knew but he himself. And he was clothed with a vesture dipped in blood: and his name is called The Word of God. And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS. And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army. And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone. And the remnant was slain with the sword of him that sat on the horse.”

This sounds so much like the incarnation of Lord Kalki that it could hardly be anyone else. Surely, by the time Lord Kalki appears, no one will have the slightest expectation of Him or His appearance. No one will know His name. And His army of *brahmanas* will be as pure as if they had descended from heaven. At the time of Lord Kalki's appearance, He will kill the remaining miscreants and deliver the few saintly people from the present conditions of the earth, changing it back to the Golden Age of Satya-yuga. In this regard, *Revelations* (14.1-3) also describes:

“And I looked, and, lo, a Lamb [a typical symbol for the Divine or an incarnation of the Divine] stood on the mount Sion, and with him and hundred forty and four thousand, having his Father's name written in their foreheads. And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps; And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth.”

One significant description in the above verses is that those who are redeemed from the earth will have God's name written on their foreheads. This is a widespread custom of the *brahmanas* in India to write the name of God, such as Vishnu or Krishna, on their foreheads. This is *tilok*, which is usually put on with clay made from the banks of a holy river. We often see this in the middle of the forehead in the shape of a "V" which represents the name of God and that the body is a temple of God, or the three-lined markings of the Shaivites. The Vaishnava mark is made while reciting "*Om keshavaya namaha*," which means "Salutations to Lord Keshava," another name of Krishna.

So herein could be an indication that when the last of society is delivered from the earth during the end times, they will be those who wear the name of God on their foreheads, at least according to these verses. Also, as in accord with other Vedic prophecies, we can understand that there will be very few people left in the world who will have any piety at all. So, it would fit in with the Vedic prophecies that by the time Lord Kalki appears, there may, indeed, be only 144,000 who will be left in the world worthy of being delivered from the godless and chaotic conditions of the earth. Or these may be the seeds of the new civilization that will start the beginning of the next age of Satya-yuga.

CHAPTER 20

God Would Rather

I know GOD is tired of war, conflict, hate, terror, bigotry, racism, dirty & cynical politics, interest groups, inefficiency, self-promotion, selfishness, corruption, self-aggrandizement, inequality & greed.

GOD would rather:

Resurrect the dead.

Heal the sick & wounded & physically impaired.

Cure the blind, deaf, mute, vocally impaired & disabled, etc.

Cure the mentally challenged.

Beautify the world and restore resources.

Mind cease hate and unreasonable or unjustified bias and criminal/sinful thought or behavior by of people.

Give wealth to the masses.

Give recourse and restitution to historically exploited and/or oppressed and/or discriminated groups.

Put evil people into Hell/The Lake of Burning Sulfur/Narakam.

I have said this before. Lord Ram, Krishna, Shiva, Brahma, or Shakti could not even bring the 32 languages and many Castes of India together! Allah and Prophet Mohammed could not even bring Sunni & Shia of the Muslim world together. Much of the World considers Judaism and the Ten Commandments of Moses to be too insular and Draconian, respectively. Only Jesus could bring the whole world together as he is central to all Abrahamic lineage religions and an incarnation of Lord Krishna/Vishnu according to Chapter 4 Verse 7 of the Bhagavad Gita. Thus, the Lamb accepted the Second Coming of Jesus Moniker even though his Hindu friends and relatives mocked me and accused me of basking in the glory, converting out of weaknesses and

ego, and even jailed me out of Jealousy. They are not as strategic, conscious, or brilliant and compassionate as the Lamb is.

The USA never cared for the plight of people of color or immigrants until my father, D. V. Sastry came here on 3/17/1961. They observed his skin color and his proclivities so the Kennedy's & LBJ, by twisting arms & using political capital and various other power, pass the Civil Rights Act, Voting Rights Act, & 1965 Immigration Act! More people like my father came to this country and more people like my father had civil and voting rights.

The Reason JFK is "Moses" & LBJ is "Joshua" is because they brought down the "Walls of Jericho" which is discrimination, bigotry, prejudice, hate, & oppression. This is also why MLK is "Job."

Also, JFK was "Moses the Giver of Laws" because he changed the definitions to make it easier to enter the Kingdom of God. He violated enough of his own Ten Commandments in seemingly acceptable ways that he could allow millions to escape Hell & enter Heaven.

Progressives you should believe all those old stories about Jerry Falwell and Pat Robertson meetings in Reagan White House that they should push an agenda domestically and internationally to bring forth the early Rapture or Second Coming of Christ. Also believe the reports of President George W. Bush's White House reading the Bible every day. This is what high-level Republicans do. They care more about the Bible than their stupid policy ideas. The Country Club pro-business Republicans are differentiated and can be won over by progressives.

However, I realized they were doing it for my best interests. The only man who should have multiple loving relationship is GOD whether it is Lord Krishna and his 16,000 Gopikas in the Mahabharata and Bhagavad Gita, The Lamb in the Bible with 144,000 female first fruits and followers, the OLD Testament with King David and his multiple wives, or Quran with Prophet Mohammad and his scores of wives!

Nevertheless, women are receivers and should not be sexually promiscuous because it is physically and emotionally dangerous. Men should go to prostitutes who are not interested in settling down as a mutually physical release but not a mutually emotional event.

Chapter 22 – Hybrid Economy that is Sustainable

In the evolving vision of the Kingdom of God, the modern world must transition into a hybrid economic model.

The key principles of this hybrid system include:

1. ****Divinely-Inspired Ownership****: Ownership is no longer solely about wealth accumulation but divine responsibility.
2. ****Universal Living Wage****: While capitalism rewards innovation, a baseline of human dignity must be ensured.
3. ****Regenerative Commerce****: Companies must prove not only profitability but a positive ecological and social impact.
4. ****Angelic Oversight****: Divine agencies—comprised of Angels, Saints, and appointed human stewards—monitor the system.
5. ****Sacred Markets****: Marketplaces become temples of honest exchange. Manipulative or exploitative practices are prohibited.

The new economy respects free will, supports innovation, and preserves the environment. It also elevates spiritual growth.

This is the age of the sustainable hybrid economy: not a utopia of indulgence, but a Dharma-guided reality grounded in justice and compassion.

CHAPTER 21

The End Times

We are the midst of the End Time. While all the conditions of the Bible, especially the Book of Revelation, are being met the conditions set forth by the Kalki Puranas and Bhagavad Gita are also being met.

The times were also predicted in Buddhist scriptures and the Quran. There are earthquakes, famines, pestilences, and even rolling of the waters. There are also Eight Kings as prophesied as Presidents of the United States and, as the Puranas state, there are churlish, corrupt, wicked kings around the earth.

There are wars and nations are rising against nation and kingdoms against kingdoms. There are armies surrounding Jerusalem.

However, in 2020 when Democrats won the U.S. elections, the Kalki Avatar as well as the Son of Man or Lamb will come riding gently on a Democratic Party donkey as told in scriptures. President Donald J. Trump and First Lady Melania Trump are Mystery Babylon the Prostitute. The Mystery Babylon as predicted began to fall on November 3, 2020 and ended on January 20, 2021.

Mystery Babylon and the cabinet were empowered by the Red Dragon or Devil in the form of Russian aid to the Trump campaign and White Christian Nationalism a false cult religion. The time of the Dragon is short.

The Rapture as well as the Resurrection and distribution of wealth from the beginning of time to the masses will happen in soon if conditions are met. There will also be a healing of the sick and wounded. The wedding of the Lamb will also take place.

Currently in year 2023 and 2024 we are entering World War III. Nation is rising against Nation, Kingdom is rising against Kingdom, and The

European nations are on the brink of war like World War II. Ukraine is defending itself from an overt attack and annexation by Russia and Vladimir Putin. Even Israel is being surrounded by armies as said in Scripture and Israel is at War with Hamas in Palestine, Hezbollah in Lebanon, and Iran. The United States and all of the Arab Kingdoms have helped propel Iranian missiles and Hezbollah drones.

So for the first time since World War II there has been an aggression into a European country and also Israel is under attack. This is Biblical. There will not be World War III. President Kamala Harris and Lord God Almighty will diffuse the situation. The world will be blessed.

Addendum

Synchronicity and Coincidence

A reality throughout all of history is the existence of seeming coincidences, those times that seem to repeat themselves with alarming regularity. Great empires rise and fall, and the only constant is change. We see throughout history that leaders and people of note in scriptures seem to have modern analogs, modern leaders who possess the same characteristics, personal dynamics, flaws, and vision as those seen throughout history. It is a synchronicity that is eerie and prescient. To see the future, look to the past.

The Eight Kings, Mystery Babylon, and Vladimir Putin and His Oligarchs

The Fall of Babylon the Great

18 After these things I saw another angel coming down from heaven, having great authority, and the earth was illuminated with his glory. 2 And he cried mightily with a loud voice, saying, “Babylon the great is fallen, is fallen, and has become a dwelling place of demons, a prison for every foul spirit, and a cage for every unclean and hated bird! 3 For all the nations have drunk of the wine of the wrath of her fornication, the kings of the earth have committed fornication with her, and the merchants of the earth have become rich through the abundance of her luxury.”

4 And I heard another voice from heaven saying, “Come out of her, my people, lest you share in her sins, and lest you receive of her plagues. 5 For her sins have reached to heaven, and God has remembered her iniquities. 6 Render to her just as she rendered to you, and repay her double according to her works; in the cup which she has mixed, mix double for her. 7 In the measure that she glorified herself and lived luxuriously, in the same measure give her torment and sorrow; for she says in her heart, ‘I sit as queen, and am no widow, and will not see sorrow.’ 8 Therefore her plagues will come in one day—death and mourning and famine. And she will be utterly burned with fire, for strong is the Lord God who judges her.

The World Mourns Babylon’s Fall

9 “The kings of the earth who committed fornication and lived luxuriously with her will weep and lament for her, when they see the smoke of her burning, 10 standing at a distance for fear of her torment, saying, “Alas, alas, that great city Babylon, that mighty city! For in one hour your judgment has come.’

11 “And the merchants of the earth will weep and mourn over her, for no one buys their merchandise anymore: 12 merchandise of gold and silver, precious stones and pearls, fine linen and purple, silk and scarlet, every kind of citron wood, every kind of object of ivory, every kind of object of most precious wood, bronze, iron, and marble; 13 and cinnamon and incense,

fragrant oil and frankincense, wine and oil, fine flour and wheat, cattle and sheep, horses and chariots, and bodies and souls of men. 14 The fruit that your soul longed for has gone from you, and all the things which are rich and splendid have gone from you, and you shall find them no more at all. 15 The merchants of these things, who became rich by her, will stand at a distance for fear of her torment, weeping and wailing, 16 and saying, 'Alas, alas, that great city that was clothed in fine linen, purple, and scarlet, and adorned with gold and precious stones and pearls! 17 For in one hour such great riches came to nothing.' Every shipmaster, all who travel by ship, sailors, and as many as trade on the sea, stood at a distance 18 and cried out when they saw the smoke of her burning, saying, "What is like this great city?"

19 "They threw dust on their heads and cried out, weeping and wailing, and saying, 'Alas, alas, that great city, in which all who had ships on the sea became rich by her wealth! For in one hour she is made desolate.'

20 "Rejoice over her, O heaven, and you holy apostles and prophets, for God has avenged you on her!"

Finality of Babylon's Fall

21 Then a mighty angel took up a stone like a great millstone and threw it into the sea, saying, "Thus with violence the great city Babylon shall be thrown down, and shall not be found anymore. 22 The sound of harpists, musicians, flutists, and trumpeters shall not be heard in you anymore. No craftsman of any craft shall be found in you anymore, and the sound of a millstone shall not be heard in you anymore. 23 The light of a lamp shall not shine in you anymore, and the voice of bridegroom and bride shall not be heard in you anymore. For your merchants were the great men of the earth, for by your sorcery all the nations were deceived. 24 And in her was found the blood of prophets and saints, and of all who were slain on the earth."

2) Vladimir Putin, the Russian Oligarchs, and Trump and their acolytes must heed this warning.

Revelation 14:8, 9 and 13-20

8 A second angel followed and said, "'Fallen! Fallen is Babylon the Great,' which made all the nations drink the maddening wine of her adulteries."

9 A third angel followed them and said in a loud voice: "If anyone worships the beast and its image and receives its mark on their forehead or on their hand, 10 they, too, will drink the wine of God's fury, which has been poured full strength into the cup of his wrath. They will be tormented with burning sulfur in the presence of the holy angels and of the Lamb. 11 And the smoke of their torment will rise for ever and ever. There will be no rest day or night for those who worship the beast and its image, or for anyone who receives the mark of its name." 12 This calls for patient endurance on the part of the people of God who keep his commands and remain faithful to Jesus.

13 Then I heard a voice from heaven say, "Write this: Blessed are the dead who die in the Lord from now on."

"Yes," says the Spirit, "they will rest from their labor, for their deeds will follow them."

Harvesting the Earth and Trampling the Winepress

14 I looked, and there before me was a white cloud, and seated on the cloud was one like a son of man[b] with a crown of gold on his head and a sharp sickle in his hand. 15 Then another angel came out of the temple and called in a loud voice to him who was sitting on the cloud, "Take your sickle and reap, because the time to reap has come, for the harvest of the earth is ripe." 16 So he who was seated on the cloud swung his sickle over the earth, and the earth was harvested.

17 Another angel came out of the temple in heaven, and he too had a sharp sickle. 18 Still another angel, who had charge of the fire, came from the altar and called in a loud voice to him who had the sharp sickle, "Take your sharp sickle and gather the clusters of grapes from the earth's vine, because its grapes are ripe." 19 The angel swung his sickle on the earth, gathered its grapes and threw them into the great winepress of God's wrath. 20 They were trampled in the winepress outside the city, and blood flowed out of the press, rising as high as the horses' bridles for a distance of 1,600 stadia.[c]

3) Vladimir Putin trying to reconstitute the Russian Empire is like Queen Elizabeth trying to recreate the British Empire! It is absolutely delusional, reprehensible, fool-hardy, and reckless. If Donald Trump wants to support Putin then they are both unstable, narcissistic, megalomaniacs who are two peas in a pod, bound to fail.

Also Queen Elizabeth and Prince Phillip representing the British Empire have perished like Mystery Babylon also.

4) Read Revelation 13 and Revelation 14 of the Bible! Also read the Kalki Puranas and the Padma Puranas!

Trump and Putin are deceiving the entire world and leading the world astray.

5) President Vladimir Putin is the ANTICHRIST!

6) For many will come in my name, claiming, 'I am the Christ,' and will deceive many. You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. Nation will rise against nation. There will be pestilences.

REVELATION 17:11

These Bob Woodward tapes of Trump are worse than Nixon the tapes! In my life there were eight elected Kings — Nixon, Carter, Reagan, Bush, Clinton, Bush, Obama, and Trump who is just like Nixon and going to his destruction! They are all Americans and of the same country.

Since FDR there have been seven Presidents, all the Democratic Party, who are great builders that built the social safety net which is the foundation of Western Society. President Joseph Biden became the eighth beast resembling FDR and is amazingly re-building America.

President Trump and Melania Trump are Mystery Babylon, along with their White House staff, administration, and cabinet! Come out of them if you can.

However, Speaker Nancy Pelosi and then-Senator now Vice President Kamala Harris are the women who take their seat on the city of Seven Hills — San Francisco. They are in the cities that rule all the nations of the Earth, first the home of the League of Nations which became the United Nations in New York, New York and now Washington, D.C. home of the White House and the U.S. Capitol.

The Lamb paved the way for Vice President Kamala Harris to be the Democratic nominee for president by contacting Gov. Jerry Brown, Speaker Emerita Nancy Pelosi, Brian Wolf, Huma Abedin, President Bill Clinton, Secretary Hillary Clinton, and President Barack Obama

President Joseph Robinette Biden said in an interview with NBC's Lester Holt that he will not step aside despite a bad debate performance against

Donald J. Trump unless Lord God Almighty came down and told him to, but he added “Lord God Almighty is not coming down!” A few hours later the Lamb posted on X (formerly Twitter) that if he steps down all his ancestors and relatives will be resurrected in the flesh and blood, and that he should endorse vice President Kamala Harris for DNC presidential nominee and not support an open convention at such a late date.

The next morning Speaker Emirate appeared on the “Morning Joe” show on MSNBC to ask President Biden to make a quick decision on stepping aside. Many people felt it was tone deaf of her because President Biden made the decision not to step aside unless God told him to.

In a Biblical way, on July 21, 2024 exactly 42 Months as stated in The Book of Revelation, Biden stepped aside and cemented his legacy as one of America’s greatest presidents and most consequential presidents like President Franklin Delano Roosevelt and President Lyndon Baines Johnson. I worked closely virtually with Ron Klain President Biden’s Chief of Staff! Ron Klain will go down as one of the the greatest public servants in the history of America! He has served nearly every executive branch Democratic leader in modern American history. He reminiscent of Clark Gifford, Warren Christopher, Leon Panetta, and James Baker III.

What I noticed about Speaker’ Pelosi’s action is something profound. This is how much faith the California Democrats and particularly the San Francisco Democrats have in the Lamb and his family, it is utterly amazing when everyone else abandoned us in 2004, we are sure Gov. Jerry Brown had a role in empowering the Lamb and making Vice President Kamala Harris the Presidential nominee for Democratic Party

. VP Kamala Devi Harris will win the Presidency as appear to be an Hindu Goddess and be an excellent president. She will end the war between Ukraine and Russia by deftly negotiati g a compromise between Putin and Zelensky. She will also end the war in middle-east between Israel and Hamas, Hezbollah and Iran! She will use a forceful hand like a Hindu Goddess and will remind people of Prime Minister Indira Gandhi and Prime Minister Margaret Thatcher. Her election will mark the end of of Religious prophecies and signal the coming Rapture and Resurrection! The Second Coming has already happened but will be accentuated during

her presidency. The World will be blessed with peace, prosperity and satisfaction.

My Knowledge of Vice President Kamala Harris & Her Prospects

I grew up in the same California Democratic machine and San Francisco Political machine that Vice President Kamala Harris grew up in. We knew all knew the same people. Gov. Jerry Brown and even further back his father, Gov. Pat Brown were the patriarchs of California Democratic Party and the National Democratic Party mentoring John F. Kennedy, Robert F. Kennedy, Bill Clinton, Leon Panetta, Warren Christopher, Mickey Kantor, Diane Feinstein, Gavin Newsom, Kamala Harris, Xavier Beccera, Willie Brown, the Cuomos, and many others.

In fact, the first 5 years of my life were spent in the apartments owned by San Francisco Mayor George Moscone and his wife Gina. They were close to my parents and took me trick-or-treating on Halloween with their kids.

My father, Durvasula Sastry used to socialize with VP Harris' parents, Donald Harris and Shyamala Gopalan in Berkeley, California in the 1960's. They used to meet at the home of U. C. Berkeley South Asian studies professors Kaulsalya Hart and her husband George Hart.

My father was a founder and leader of several Indian American organizations nationally but particularly in the San Francisco Bay Area and Shyamala Gopalan and VP Kamala Harris used to attend some of his events. My father also founded and chaired the Shiva Vishnu Temple in Livermore, CA and the Harris family including Kamala's sister were regular visitors even doing pujas before every election or health ailment.

When my father passed away Harris wrote a condolence letter. Soon, thereafter, I joined her National Finance Committee in 2019 when she first ran for president.

In 2024, I pushed vehemently that Harris should be at the top of the Democratic ticket should there be a change. I reached out to Gov. Jerry Brown and every team in the Democratic Party including Pelosi team, Obama team, Clinton team and others. I was a trustee of the DNC and a Trustee of the DSCC and Chair of the DSCC Hi-Tech Council, so I had credibility.

Once President Biden endorsed her as the nominee, she did an incredible job of integrating the Biden team, former Obama veterans and Clinton

veterans seamlessly. I know some of them and have been in touch. She has energized young voters, minorities and most importantly women on the freedoms issue particularly reproductive rights and has registered voters at an historic rate.

The polls that show a Trump win or a razor thin race are wrong in my educated opinion. I predicted no red wave in 2022 because the backlash was against SCOTUS and President Trump for J6 and the “Dobbs” decision and not the incumbent Biden Administration which is usually the case. VP Harris did an excellent job of framing the reproductive freedoms issue in the 2022 midterms. The 2024 exit polls and election results will similarly shock the pollsters and pundits.

I predict that the enthusiasm among Democrats due to Harris being at the top and newly registered voters will allow Harris-Walz to win 88 million votes, 340 to 400 electoral votes and Democrats to win 243 House seats and 52 to 54 Senate seats. She will win 53-55% of the popular vote which will lead to a landslide. Donald Trump will win only 39-41% of the popular vote.

Democrats and Harris-Walz will win unexpected Senate seats and electoral states due to anger against extremism, suppression of freedoms, dark rhetoric, policies of MAGA, TRUMP, and SCOTUS. The secret sauce for Harris-Walz is reproductive rights and contraception and medical abortion restrictions. Men and women will come out of the woodwork to vote for Harris-Walz.

It will be a blue tsunami election but the challenges for Harris now are to reach out to more men through nontraditional media like eccentric podcasts, and radio shows and innovative interview shows and platforms including sports forums. She also must cement positive views about her and her economic policies in what is a truncated campaign.

I believe if she executes properly Harris can win states like NC, AZ, and even FL, TX, and IA and some others. She will also win those Senate seats in surprise states.

There is one controversy with VP Kamala Harris and my family and friends. On Easter Sunday, 2004, the best man at my brother Manoj’s wedding to my sister-law Ally, SFPD Officer Isaac Espinoza, was shot dead by a San Francisco gang-member. I believed it was fishy because there were reports that they both read the Bible the night before.

The local Bay Area news covered my brother and our friends and our high school and our family. MSNBC, CNN, and FOX News also covered the murder. In fact, almost every politician in the state of California got involved.

District Attorney Kamala Harris prosecuted the gang member and locked him up for life but did not ask for the death penalty as my family and friends wished. I hope they have all reconciled their feelings by now. The Catholic tradition is against the death penalty as far as I know... The night he was murdered, after midnight, I wrote on my computer "Isaac Espinoza will be resurrected!" I did not even know it was Easter Sunday.

Around that same time Harris gave a speech as DA of San Francisco at an event about the nuanced power of Shakti in the form of Goddesses Durga and Kali.

President Kamala Devi Harris will be an historic and consequential president. She has experienced a lot of difficulties like most Americans. She will usher in a Golden Period for America. She has met the moment in spades so far.

Letter to Editor of India Abroad (July 2, 2024)

Vice President Kamala Harris is a family friend. She is the most likely person to be president of the United States after President Biden. I was on her finance committee when she ran for President in 2020.

I am currently on the Biden Victory Fund and was formerly a DSCC Trustee and DSCC Hi-Tech council Co-Chair when I allocated six figures to Senator Joe Biden, the Chairman of the Foreign Relations Committee in the Senate! He and Allen Hoffman, his Chief of Staff, invited me to have dinner at their table at a Senate banquet.

I was also a trustee of the DNC and Member of Leadership 2000 board appointed by President Bill Clinton and Vice President Al Gore.

My dad, Durvasula Sastry, used to have dinner meetings with Kamala Harris's parents Shyamala Gopalan and Donald Harris at the home of Prof. Kausaliya Hart and Prof. George Hart's home several times in Berkeley, California! The Harts taught at the South Asian Studies Department at UC Berkeley.

I studied EECS at UC Berkeley, but I also took several courses in Hindu "Mythology" and Hindi language in UC Berkeley South Asian studies department! I knew the Hart's also.

My father was the founder of the BATA, the Bay Area Telugu Association, the Federation of Indo-American Associations (FIA), South India Fine Arts (SIFA), the Telugu Association of North America (TANA) and most

importantly the Shiva Vishnu Temple in Livermore, California! It's called the Hindi Community & Cultural Center (HCCC).

VP Kamala Harris' mother Shamayla was a regular visitor to the Shiva Vishnu temple in Livermore and brought both her daughters, Kamala and Maya there for pujas! Later VP Harris had chief priest Pandit Sridhar from Shiva Vishnu Temple over to her house a few times for Hindu pujas when her mom was sick and after her mom died of cancer and when she decided to run for Senate! When my dad passed away, she wrote a condolence letter as Senator from California!

Were she to become president, she would be the first female president, the first Asian president, the first African American female president, and the first Indian American president!

REVELATION 11:2 & REVELATION 13:5

Both President Biden and President Trump are the 8th King that goes to its destruction in Revelation!

The beast who served the Holy City, Revelation 11:2, as a Gentile for exactly 42 Months is President Biden! He must step down for the modern day "JEWS"! He did for Vice President Kamala Harris and her husband potential First Gentleman a Jewish-American after exactly 42 months of his Presidency.

The Beast who served 42 Months as an election denier who uttered blasphemy against God in Revelation 13:5 is Donald J. Trump! He will also go to his destruction!

Additionally Donald J. Trump, his campaign, his MAGA Republicans & Melania Trump are Mystery Babylon the Prostitute Whore that committed adulteries with the Kings & Queens of the Earth & whom is drunken off maddening wine (OIL)! Everyone will come out of her.

Also Donald J. Trump the Super majority of the US Supreme Court, ISIS, HAMAS, Hezbollah, Ayotollah Khomeneni of Iran, Kim

Jung Un, Osama Bin Laden, Benjamin Netanyahu & Vladimir Putin are collectively the personification of the Spirit of the Devil & Dragon! The people would like to see Melania naked. Rev. 17:6

Hybrid Economic System That Is Sustainable

The economic chain is only as strong as the weakest link. As inequality builds among nations and within nations you approach unrest, revolt, disaffection, and destruction of consumer markets.

Asset Tax to Alleviate Wealth Inequality

AS THE REPUBLICAN TAX PLAN IS BEING DEBATED OR RUSHED THROUGH, WE MUST REMEMBER THAT INCOME INEQUALITY AND INCOME REDISTRIBUTION ARE NOT THE ISSUE OR MAJOR PROBLEM. THE PROBLEM IS ENORMOUS WEALTH INEQUALITY OR DISPARITY.

If there is chaos and mayhem and insecurity in the streets and markets of a nation, the poor and lower middle class will think “Oh well it wasn’t that great for us anyway so there isn’t much difference, we have nothing to lose.”

The wealthy and powerful however would lose everything they valued including the good life and wealth in assets and paper and in markets and their safety on the streets. Thus, the wealthy have an obligation to pay their fair share in wealth in order to maintain and expand their wealth and good life.

Punishing hard earned income and productivity excessively as we do now may not be a fair answer. An asset tax of 3% a year for people with \$5 Million or more in assets and eliminations of all income and payroll taxes at federal level may be best and fair way. Economist Daniel Altman has run the numbers, and this system brings in the needed revenue. This would not punish hard earned income of common people or slightly well-off people but would force those with the most accumulated assets and thus the most to lose to pay a fair share for national defense, public safety and other services that protect the value of their assets in the long term. This could be called a national security or national integrity tax.

This is currently unenforceable due to technology and privacy limitations or even unconstitutional but that can change. You can use clever loopholes or have a multi-issue Constitutional Convention.

However in meantime if you tax FICA and Medicare/ Social Security payroll tax on much higher incomes than the current cap at \$160,000 or so and also tax passive income than the wealthy who really benefit from the stability of our governments, banks, and institutions and military and law enforcement would surely be paying enough to keep social security and Medicare solvent and reducing our national debt. The people who make \$160,000 or less need every penny they earn to live including the regressive flat payroll tax.

<https://mobile.nytimes.com/2012/11/19/opinion/to-reduce-inequality-tax-wealth-not-income.html?referrer=https://www.google.com/>

<https://mobile.nytimes.com/2013/02/10/business/yourtaxes/a-wealth-tax-would-look-beyond-income.html?referrer=https://www.google.com/>

If the disparity between the wealthy and poor begins to expand, you eventually won't have enough consumers to buy products of corporations that maintain the wealth and investments of the haves. The wealthy only buy one or two cars, one or two toothbrushes, a few bars of soap, a smartphone or two, some new clothes and that is it.

There are not enough people in the top 1% of wealth owners to sustain industry sectors and factories or to fund the government with their tax revenues. You need the broad populace to sustain the capitalist economic system.

Absent this there would be a global economic collapse and all assets of the wealthy including gold, real estate, bonds, equities, currencies would diminish in value and cause chaos and mayhem.

The progressives who have tried to address this issue sometimes struggle to find solutions within the capitalist framework. The conservatives do not even consider addressing inequality as an end. They have pandered to the wealthy and corporate lobbyists without dealing with consequences.

Intellectual conservatives like William F. Buckley or Jack Kemp and may have realized the faults and attempted to tweak supply side and laissez-faire economics as well as limited government and developed a necessary hybrid form of economics however they don't address cronyism and need for regulations. Adam Smith did not foresee many of the modern developments and excesses in capitalism and technology.

Not everyone has the interest, talent, greed, or time, opportunity, and capital to try to accumulate huge sums of wealth and yet they must still survive in society and be able to act as consumers as part of the hybrid capitalist system.

An economy with a stock market with equities being afforded high Price to Earnings (P/E) sustained by a middle class of people who are on the average millionaires would support a global, long term, High prosperity, High growth. Experts would point to potential inflation and a dearth of low wage labor if this happens. However, that is why you have robots, angels to do jobs no one wants to do anymore and why, geniuses are appointed to the Federal Reserve and Central Banks worldwide.

We would also need the asset tax on people with enormously copious amounts of wealth and replace other regressive or unproductive taxes. This would give large corporations and even many small businesses a good supply of fairly affluent middle-class consumers globally while at the same time allowing the wealthy to increase their hard earned or wisely accumulated or inherited wealth to grow with the public and private markets. This would eventually lead to Utopia with a safety net and pro-competitive legal regime for small businesses.

Mathew 25:40

This is why comedian George Carlin in the very first episode of Saturday Night Live (SNL) in 1975 asked, “Which way is God looking? Is he looking at me, or with me, is he looking to the right, or to the left?” He used the analogy of God driving a car and holding the steering wheel.

If you are looking at the King of Kings on the Throne of the Goats to his left are the “Right Wing” and the “Sheep” are the “Left Wing”. If you are next to the throne, then it is opposite. The humans are before the throne looking at him awaiting judgement. It is about perspective and looking at the person in the mirror.

The first person to ask this question was spiritual leader Mallampally Amereswara Prasad’s Father, Nagabushnam Mallampally, in a lecture arranged by my grandfather in Peddapuram in 1950s.

Prasad repeated this question posed by his father and George Carlin, which his disciples Chaganti Koteswarao and Samvedam Shanmuka Sharma also ask in their lectures in 2012 at my grandfather’s 100th Birthday ceremony.

“When the Son of Man comes in his glory, and all the angels with him, then he will sit on his glorious throne. Before him will be gathered all the nations, and he will separate people one from another as a shepherd separates the sheep from the goats. And he will place the sheep on his right, but the goats on the left. Then the King will say to those on his right, ‘Come, you who are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world. For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me.’ Then the righteous will answer him, saying, ‘Lord, when did we see you hungry and feed you, or thirsty and give you drink? And when did we see you a stranger and welcome you, or naked and clothe you? And when did we see you sick or in prison and visit you?’ And the King will

answer them, 'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.' Then he will say to those on his left, 'Depart from me, you cursed, into the eternal fire prepared for the devil and his angels. For I was hungry and you gave me no food, I was thirsty and you gave me no drink, I was a stranger and you did not welcome me, naked and you did not clothe me, sick and in prison and you did not visit me.' Then they also will answer, saying, 'Lord, when did we see you hungry or thirsty or a stranger or naked or sick or in prison, and did not minister to you?' Then he will answer them, saying, 'Truly, I say to you, as you did not do it to one of the least of these, you did not do it to me.' And these will go away into eternal punishment, but the righteous into eternal life."

Re: Second Term Election Strategy for the President and DNC

Comments: This is a brief memorandum of some ideas I had that can be expounded upon.

Strategy for Second Term Elections and Governance

President Obama should focus on activities that don't require Congressional action while waiting for the midterm elections in 2014. He can focus on foreign policy and diplomacy throughout the world. His diplomatic skills are considerable, and his foreign policy vision is strategic and encompassing. He can use diplomacy with Iran, Syria, and the Palestinians and Israelis. He can also engage India and China in a way that leads to economic and climate change breakthroughs and relief in Afghanistan and Pakistan.

In addition to foreign policy President Obama can leverage the improving economy and stock market and approach America's top corporations in a strategic and organized way. He can work with them on corporate tax reform, holiday for repatriation of foreign funds, and expansion and employment creation. He should appeal to their patriotism and rational minds. With record profits, these corporations through their highest levels of leadership can be convinced to hire more workers and open more US plants and offices. They can also be forces for Immigration reform. These developments would put the country in a better mood before the midterms. Corporations are profit-driven, rational actors and can work with the reasonable party, the Democratic Party, in an unprecedented way.

Celebrate President Obama's Success

In second terms often the President's successes are not tallied and explained the American people. There is a Frank Sinatra song called "Mr. Success." President Obama should be lauded as a man of success.

For example, he should celebrate:

1. Success in the Stock Market
2. Success in job creation every month for several years.
3. Success in Syria and the chemical weapons avoiding costly war.
4. Success in Iran and diplomacy avoiding costly war.
5. Success in the two-state solution being negotiated between Israel and Palestinians, This will lesson tension throughout the Arab world and Middle Eastern youth and help solve the Al Qaeda recruitment problem.
6. Success in passing Immigration reforms through the Senate.
7. Success in the implementation of Obamacare and the resulting benefits from it.
8. Success in reducing the deficit and national debt since 2010.

Make Argument for Democratic Congress

There should be a clear argument by Democrats in unison and by the President for a Democratic Congress (i.e. retain the Senate and win the House). A Democratic Congress is needed in order to and would allow:

1. President Obama to sign a jobs bill that rebuilds American infrastructure.
2. **Protect and improve** the historic Obamacare law that benefits millions of people.

SA's in politics

Dinesh Sastry, 23, is a rising political star in California. While in college, Sastry took a semester off and traveled the country with former governor Jerry Brown's 1992 presidential campaign. He is now a key campaign staff member for Jerry's sister Kathleen Brown, who is the Democratic gubernatorial candidate. If Kathleen Brown wins in November, Sastry will likely become one of the youngest and highest-ranking South Asian Americans in state government. He is also working with three SAA congressional candidates: Neil Dhillon, Peter Mathews, and Ram Uppuluri.

Sastry grew up in Daly City, California, playing point guard for his high school varsity basketball team. He learned much about politics from his father, former Federation of Indo-American Associations president Durvasula Sastry. Sastry graduated from UC Berkeley this May with a bachelor's in electrical engineering and computer science. In between political campaigns, he hopes to study law, concentrating on intellectual property rights.

Intrigue on the Golden Gate *hum:* How did you get your start in politics?

Sastry: I started following politics in '84 when the Democratic convention happened in San Francisco. Jesse Jackson was one of my idols at that time. He gave a fiery speech at the convention. Ever since then I've always wanted a Democrat to become president.

My senior year in high school I went hardcore volunteering for Jackson. I met Michael Dukakis and took over a rally happening at the Golden Gate Bridge. I wasn't assigned to do it; I was a volunteer for the San Mateo County Democrats. Me and my friend showed up and crossed these "please do not cross" boundaries. They thought we were sent in by the party. The organizers put us to work. We went in and started coordinating the press corps. I was assigned to be the liaison with the Secret Service. Ted Danson and Daryl Hannah were the two hosts, and Sam Donaldson was there. They gave me a walkie-talkie. I was plugged in right in there, it was so exciting. I wrote about it in my Berkeley application, and everyone in my high school got a kick out of it. The organizers never figured it out. They just thanked us and gave us passes for another meeting.

An unconventional boss

hum: You worked closely with Jerry Brown during his '92 campaign. How did that come about?

Sastry: I've always been an armchair quarterback. I've always wanted to run a political campaign or do sound bites for a politician. My father is a community activist and he's invited Jerry Brown to many events in Northern California. I want to get in on the ground floor and see if I could influence his speeches or his research. I used to go to his house while I was still in school or do odd things, talk to him. Suddenly he decided to run for president. Suddenly the opportunity presented itself right there. Jerry asked me to come on the road, and he asked if I would be willing to take a semester off from school. I knew I'd have an advantage on the road because I'd know him better than the local coordinators. I'd have influence over his scheduling. I became co-coordinator for four states. It was an unprecedented opportunity for someone of my age and ethnic background. Whether Jerry won or lost, he went head-to-head with Bill Clinton. I had an opportunity to meet with Clinton and his advisers, a chance to influence national TV debates. Personal friends don't run for president that often, you have to seize the opportunity when you have it.

hum: Jerry Brown is well-known for being unconventional...

Sastry: He's a Gandhian follower. His slogan for president was "Speaking Truth to Power." He took it straight from Gandhi's "Truth is the ultimate reality and has a way of creating power." His idea of running for president and recapturing American government for the people is taken from Gandhi. He says Gandhi succeeded in the movement because, unlike the lawyers of Delhi and Bombay, Gandhi went to the people, to every village. He created a revolution from the bottom up and challenged everyone to become moral agents of change. Jerry even said that when he spoke at the Ghadar memorial.

Age is irrelevant

hum: Tell me about the televised debates.

Sastry: In Illinois there were two debates before the statewide primary. I was sent in to do the negotiations. David Axelrod and George Stephanopoulos were representing Bill Clinton. Paul Tsongas had a slick guy representing him. They were wearing suits and were already sitting there with the TV executives. I took the subway and was late. I came in jeans and a shirt. They all looked at me. In their minds they were thinking it's a decoy, the jeans and the shirt, he's actually a shrewd guy.

hum: They didn't discount you because of your age?

Sastry: At times I felt young, but all you have to do is throw a suit on. If you can carry yourself well, it gives you instant respect. Put a suit on and speak intelligently and people will respect you. It becomes taboo for them to ask you your age, it becomes an insult, if you speak intelligently. No one would confront me with questions like that. Being a minority, it's hard to tell your age anyway. Besides, there's always a mysterious cloud around our campaign, a respect of the unknown. Jerry Brown does things unconventionally, but he always gets his message across.

Playing poker

hum: About the debate negotiations...

Sastry: We started negotiating. Clinton really wanted a sit-down debate. Clinton is good with that. He moves his hands around, never stops talking, and hogs time. I said I want three podiums. The Tsongas guy was waiting and didn't say anything. The TV people asked whether we should allow questions between the candidates. I just smiled. The Clinton people said no way. He was still struggling with Gennifer Flowers, and the S&L scandal was about to happen. Clinton was the front runner, but his people felt he would be very vulnerable. The Tsongas guy saw that and showed some inclination to supporting questions between candidates. We didn't care, Jerry doesn't give a damn about the format. He doesn't like slick and professional; he just likes to go in and talk.

So, I decided to play games with the thing, I had no preference. I didn't say anything, I just smiled. Stephanopoulos looked at me and said, "Look at the Brown guy, they will go to any length to ask an embarrassing question to Clinton." Right away the Tsongas guy said they wanted questions, and it depends on the Brown guy. I said we might want them. If the Tsongas guy supports three podiums, I'd definitely support having questions. So, he said sure, and it was two-to-one for podiums. The Tsongas guy said we want questions also, and I said sure.

The Clinton guy went through the roof. He wanted to withdraw from the debate. The TV guy said can we have it without questions. The Tsongas guy said no way. I said my preference for questions wasn't that strong. I said there's one way I could be persuaded, if I could get the middle podium for Jerry instead of tossing a coin or picking cards. The Clinton campaign said fine, vote against questions, we'll vote for the middle podium for Jerry. Jerry got the middle podium, which is always an advantage because you're standing in between two guys and it looks like you're being given importance. When you talk, both men look at you from both sides, and you have a potential for hogging the camera. I also wanted him to be next to Bill Clinton, we'd be going after him hard.

Clinton goes ballistic

We drew cards for opening and closing statements. We won the first opening statement and traded it for the last closing statement. I knew the closing statement was better for Jerry. He's emotional, and his labor and corruption issues would have a resounding effect.

hum: Wasn't this the debate where Brown and Clinton got into a brawl?

Sastry: Yeah, the fight was over a Washington Post article. The TV executives sent us a fax saying there'll be no props allowed in the studio. When I showed up for the walk-through, I said we're going to pull out of the debate unless we have props. This was a total bluff; we had no intention of stepping out of the debate. They knew the ratings would dive if we did. The Clinton and Tsongas people said sure, why not, because every other debate so far had allowed props.

On the debate day, Jerry Brown walked in there. Suddenly he raised a newspaper article and said, "Ralph Nader told me something last night that shocked me. Your wife funneled state money into her law firm, and you were involved in the Madison Savings & Loan and Whitewater. I think you're putting one over on the American public. You have a big electability problem. It's right here in tomorrow's Washington Post."

Bill Clinton went ballistic. He said Jerry didn't belong on the same platform. They started yelling at each other so harshly that the Secret Service got up. Bill was pissed off and created the most dramatic moment of the presidential primary season. Tsongas dropped out five days later because he got no press out of that debate. The cameras zoomed in on Jerry and Clinton. Tsongas was completely ignored.

This year the same TV station called when Kathleen Brown won the primary. They left a message, "This is ABC calling from Illinois. We still think Jerry was the best candidate, and we think you were the coolest and calmest negotiator. If there's anything we can do to help Kathleen, call us up." They all remembered that all this Whitewater stuff started at that debate, and they sent me a copy of the video. I was really proud of that message. I'll never forget it for the rest of my life.

Greasing the machine

hum: What was the campaign trail like?

Sastry: You meet movie actors and famous politician. It's rare that everyday people get to meet celebrities in an informal atmosphere where business has to be done. Since we were representing Jerry Brown, they knew we would not mob them, bother them, or ask them to come to a party or abuse their phone number. Matthew Modine took me and a friend out to dinner. I went to a lesbian bar with Whoopi Goldberg. Public Enemy came and did a benefit for Jerry Brown.

I've been a fan of Public Enemy for a long time. Flavor Flav came with his son and said, "Hey, can I introduce my son to Jerry Brown?" Kim Basinger and the B-52's did a benefit for us with MTV hosting it. We had a hamburger together at a bar on top of the club and talked. The B-52's were backstage talking to us. They asked us to send them pins and bumper stickers for Jerry Brown. I met Kevin Costner and Whitney Houston. They came to a rally we were doing while they were filming *The Bodyguard*. It was very informal, not the big rush you have when everyone's reaching for them, grabbing. I became numb to the excitement of it, it became normal.

***hum:* So, who really runs this country?**

Sastry: You might think there are no connections between the rock stars, the conservative businessmen, the movie stars, and the politicians, but at 9:30 p.m. cocktail receptions behind closed doors they're all moving in the same circles. There's no separation between them. They all represent the top one percent of the wealth and ownership and power in this country. However diverse Public Enemy, Kim Basinger, Ross Perot, Jerry Brown, Matthew Modine, and Walter Shorenstein might seem, you can see them all at a cocktail reception for a political fund-raiser. The money is the lubricant that greases the machine.

From Andhra to N.W.A.

***hum:* Have you ever met Jesse Jackson?**

Sastry: Yes, I did. Jesse Jackson was the first person I really idolized in American politics. I put him on a high pedestal. Suddenly I was traveling with him. We went to the site where Martin Luther King was assassinated, where Jackson was standing next to him in Memphis. Jackson took us there. Everything became matter-of-fact after that. If it had happened a couple of years ago, I'd be stuttering in my speech.

***hum:* Who are your other role models?**

Sastry: My grandfather is one of my greatest inspirations. He was the most famous criminal lawyer in Andhra Pradesh during his time, and a leader in the Andhra Communist Party. He was fearless. He'd have his supporters sing fiery bhajans and folk songs, angry kinds about oppression. I liken them to the inner-city hard-core rap I used to listen to, NWA, Public Enemy. In Daly City it's a middle to lower-class area near my schools. Most of my friends were Filipino or black. I've always identified with the lower class, not the rich.

SA's in politics

hum: Do you feel you've faced bias in the political community due to your ethnicity?

Sastry: I'm sure being a minority has hurt me, but it hasn't confronted me directly. There's no stigma attached to our skin color like with African Americans. I don't think it'll be hard for the Indian community to infiltrate the political community. You need articulateness, persistence, confidence, and intelligence. They'll get good work out of you if you're capable. I predict lots of Indians will go into opposition research, computer types, people who are very quick, intelligent, and resourceful. Indians have been known for those qualities. Campaigns need people like that

hum: What advice would you give to other SAA political hopefuls?

Sastry: If you're not in the right networks, you won't get the top jobs in campaigns. You won't get campaign manager or right below that where you're running operations, but you will research issues.

You should start out volunteering and make as many connections as you can. Otherwise it's almost impossible to get a paid job in a responsible position unless you've networked for a long time. As campaigns become more high-tech, they are looking for intelligent university students to do research. Indians can be represented as much as they want to. Like Wall Street, they'll take us because we're good.

I sent Jerry Brown a long time ago from an old account & computer the articles from Hinduism Today published by Dad's friend at an Ashram/ Temple/Monastery in Hawaii about the Irish Celtics & druids & German Nobleman sharing the Vedas with Hindu Brahmins & speaking Indo-European. I told him this would constitute 13 Tribes of "Israel" including Africans. Thus, he started making trips to Europe to study his ancestry in depth. He wanted to see if he is John the Baptist as I stated, could he be related to me in ancient times. I should have forwarded this to more relatives as this would have cleared up the mystery.

The European Nations colonized the Americas after Christopher Columbus set out a sea expedition to find India & buy Indian spices, Gold, & Diamonds & learn the Vedas but ran into America & thought it was India.

India had the most Gold & Diamonds & precious Jewels & wealth in the World. All of Asia was called India at one time. This is why Christopher Columbus called Natives of America, "Indians". He thought he was in the Holy Land of India. That was God's Plan for the USA!

Not that anyone cares but a few stalwart friends want to know why I said Public Enemy # 1, Steve Bannon, and his replacement at Breitbart, Alex Marlow, want such a great man as Jerry Brown as the next USA President despite their RAG'S despicable record of racism, neo-Nazism, fascism, and provocation! This is because the late Andrew Breitbart, Steve Bannon, and UC Berkeley's Marlow, consider Jerry Brown to be a Messianic figure that cleans up the MESS created by Bannon & Trump & Pence! They have long considered Jerry to be a John The Baptist like figure before a Kalki Avatar or Second Jesus/ Son of Manu/The Lamb/The Lamp/The Light/Sun figure who rescues the world and makes things right and exhibits the light!

Simply search "Breitbart Jerry Brown" and you will get your answer. Sarcastic, seemingly critical articles concerning Jerry Brown and other progressives that highlight important issues that Jerry and his friends like Willie Brown, George Schultz, and William Perry have dealt with their entire lives in and out of public office.

It is an indirect way for Breitbart followers/readers to be introduced to new issues and a new way of thinking.

The Bride of the Lamb

Padmaja Guntaka/ Jennifer Lopez (JLO) is Goddess Lakshmi, Goddess Sita, Goddess Padmvathi, and Goddess Mary Magdalene. As per Revelation 14:4 she has been in a series of fake relationships defined by contracts that put a duration on the relationship and prohibit sexual relations. Others such singers and actors, including Beyoncé, Mariah Carey, & Taylor Swift are in similar positions because they are popular among men. Jennifer Lopez and the others are also political figures who were active in 2020 and 2024 presidential races. That will be known in November 2024.

*The two sides of Goddess Lakshmi and Jennifer Lopez
& Mary Magdalene back to Back to Back!*

Jennifer Lopez, Goddess Lakshmi Devi & Mary Magdalene three peas in a Pod!

Why was Lamb/Son of Man dancing and doing other such things a two decades back?

He was humbling himself like a child as in scriptures. However, the main reason he was dancing (though not in a serious or disciplined or skillful way) is because intelligence agencies and Hindus are looking for signs if the Lamb is Lord Shiva and Lord Shiva is known for dancing. Thus, the Lamb/Son of Man put on a dancing show at times. Other attributes and characteristics can be explained as well.

You often see Barack Obama, Kamala Harris, Donald Trump or President Bush dancing recently.

Similarly, Lord Krishna was known for playing the Flute and singing.

The Making of a Democrat Kingmaker

By ARTHUR J. PAIS 10/23/2000

Dinesh Sastry remembers meeting presidential candidate Michael Dukakis at a rally at Golden Gate Bridge twelve years ago—and deciding to work for him. “I wasn’t assigned to do it,” Sastry recalls. “I was a volunteer for the San Mateo County Democrats. My friend and I showed up and crossed these ‘please do not cross’ boundaries. The organizers thought we were sent in by the party and put us to work.” “We went in and started coordinating the press corps. I was assigned to be the liaison with the Secret Service. [Hollywood stars] Ted Danson and Daryl Hannah were the two hosts, and [ABC correspondent] Sam Donaldson was there. They gave me a walkie-talkie. I was plugged in right in there, it was so exciting. “I wrote about it in my Berkeley application, and everyone in my high school got a kick out of it. The organizers never figured it out. They just thanked us and gave us passes for another meeting.” There are many people including the current presidential candidate Al Gore who thank Sastry today.

At 29, Sastry has appeared as one of the savviest political operators in America. Sastry, who is pursuing a law degree at Georgetown University, already has a degree in engineering and computer science from University of California at Berkeley. In recent months, Sastry, who honed his political skills during his college days campaigning for the rebel Democratic presidential candidate Jerry Brown, has emerged as one of the most respected of young Democrats. A board member of Democratic Leadership 2000, he is also a superb fund-raiser. In the last three months, fundraisers organized by him at the homes of Sabeer Bhatia and Dr. Anand Mahal in California have raised nearly \$1.6 million. While Vice President Al Gore wine and dined at Bhatia’s home, Bill Clinton was the chief guest at latter’s. “I believe raising money also makes it easier to lobby for causes that are close to us here—and in India,” Sastry says. “When we raised about \$1 million at Dr. Mahal’s home, we proved once for all that Indian Americans are serious fund- raisers. “Indians can be represented as much as they want to. Like Wall Street, they’ll take us because we’re good.”

Sastry recently spoke with think India.

Q. What inspiration have you received from your father and grandfather?

A. My Grandfather, D. V. Subba Rao, was an eminent criminal lawyer, legislator, and freedom fighter from Andhra Pradesh. He was instrumental in the creation of Andhra Pradesh from Madras state. He was a powerful orator, and mass leader, and always charted an independent course. He was dedicated to the upliftment of the poor, and people said he “roared like a lion” as he was fearless on the political stage or in court. He was an authority on Shakespeare and Milton and often incorporated their thoughts into his speeches and arguments. I think by hearing stories of his life, I’ve subconsciously become more appreciative of the struggles of the common man and the poor, and learned to be fearless. My interest in politics and law was born out of these stories. His life is fabled in the East Godavari region of Andhra Pradesh. My father Durvasula Sastry is equally fearless and also a powerful orator. He is very independent but has founded and been in charge of more Indian American social, political, and cultural organizations than anyone in the country. His 40 years in the U.S.A. mirrors the development of the community. He is a devoted servant to the community, building lasting institutions and not seeking wealth or personal gain. I am much more ambitious and cautious about how things affect my well-being and future than he ever was. He is Gandhian in every sense, even spending his childhood spinning his own threads as part of the freedom struggle. He can’t eat mango now, because he is not used to the taste as he never tried it when he was young because he felt the cost was too high and that several people could be fed with the cost of a mango.

Q. You are beholden to former Governor Jerry Brown. But Brown in recent years has turned against the establishment. And you raise funds from the Silicon Valley bigwigs.

A. Jerry Brown put many of the early Silicon Valley bigwigs, such as the founders of Sun Microsystems, on important boards and commissions. The rest of America looked at the high tech world as dominated by eccentrics and weirdoes. He brought them (high-tech pioneers) into government and promoted tax breaks to companies with less than 300 employees in the 1970s to spur innovations and the formation of startup companies. If

corporations and entrepreneurs are driving our global economy and are capable of creating public opinion, investing capital, and creating vital jobs, then there is nothing wrong with courting them and letting them know in what ways they can help achieve a better society. Silicon Valley bigwigs tend to be more politically and culturally diverse and open minded than the rest of corporate America. You cannot put them in a box and write them off as the establishment. Many of them achieved wealth and power in unique and unorthodox ways, hence the diverse experiences that mould diverse opinions. Brown always attacked the entrenched political system which is beholden to corporate greed and lobbyists of multinational companies who are beholden to international financial markets and the need to maximize profits and not loyal to any one community. He believes that government and the global economy must be organized in an efficient, elegant manner which is not tainted by selfish special interests but are more responsive. This would result in less inequity, less waste, more transparency and predictability and generally more opportunity. The chain is only as strong as the weakest link, and thus, I like the way Brown throws away conservative and liberal labels, and chooses ideas that lead to radical reform, progress, and efficiency.

Q. Would be you be interested in running for public office?

A. If I thought I could legitimately win and if elected, and could maximize my contribution to society, considering the skills I possess, the opportunities I have, and the situation I'm in at the time ... I think I would prefer an open seat and a winnable seat. But perhaps it would be more fun using the contacts I have, the experience I have accumulated to work with others in promoting the candidacies of five or six people throughout America. Perhaps the Democratic Party could help nurture the early careers of several promising Indian Americans around the country already involved in local politics of their area. I would have to see what would be more fulfilling.

Dear Mrs. Sastry,

Please accept my deepest condolences on the passing of your husband. From all accounts, he was a devoted husband, father, and community leader, and he will be sorely missed.

As an Indian-American, I am proud of the work he did in our community. We need more like him – men and women who will selflessly devote their time, talents, and energy to cultural understanding, community awareness, and intercultural relationships.

The causes that were near to your husband's heart are near to mine as well. I was proud of his advocacy for Indian-Americans and immigrants, and of his many accomplishments. Please know that my thoughts and prayers are with you and your family in this time.

It is with a heavy heart I write this letter. Durvasula was an enormous and irreplaceable member of the community, and those of fortunate enough to cross his path were better for it.

Sash spent his life creating a better community, and contributing to both America and India. Although his presence will be missed, his contributions will certainly be felt for many years to come.

Communities from the Bay Area to Los Angeles, from America to India, and all across the world mourn Sash. I thank Sash and his family for their great service to all of us, and for touching so many lives in such a meaningful way.

Dear Ms. Sastry:

I was saddened to learn of the passing of your husband, Durvasula. I was contacted by your nephew, Varun Krovi.

Varun also supplied me with an article indicating the extraordinary accomplishments and civic engagement of Mr. Sastry. I was heartened to read about his arrival in the United States and about his longtime service to United Airlines. In addition, he was deeply involved in community affairs here on the Peninsula, throughout the Bay Area, and nationally.

The type of leadership illustrated by Mr. Sastry is a precious gift to us all. It requires the sacrifice of time with one's family and some element of risk, since criticism is easily possible. Mr. Sastry obviously demonstrated enormous leadership over the course of his long life, and his message of compassion and community-building, as well as his support for international comity, are gifts from which this nation will benefit for many years to come. As a resident of Pacifica for decades, we were particularly fortunate to have his voice within our community.

I am especially moved by the irony of his passing during this moment in our history. His life illustrated the true spirit of immigrants. His rise in the community, nationally and professionally illustrates why those who come to America to contribute to our blessings ought to be welcomed.

Please extend to your entire family my sincerest condolences upon the passing of Mr. Sastry. I am confident that his spirit of civic advocacy live on in his family, and will serve as an example for many in the years ahead.

With heartfelt best wishes,

Hundreds Gather to Memorialize the Late Indian American Leader Durvasula Sastry

India-West Staff Reporter Oct 12, 2017 0

Durvasula Sastry, a longtime Indian American community leader who bridged the gap between India and the U.S., fostering a better relationship between the two countries, was memorialized Oct. 7 at an event at the Livermore HCCC Shiva Vishnu Temple. Seen here is a collage put together for the leader who passed away Aug. 23 at age 78. (photo provided)

Late Indian American community leader Durvasula V. Sastry Oct. 7 was memorialized by 200 community members at the Livermore HCCC Shiva Vishnu Temple.

The temple chairman and president noted that though they had little interactions with Sastry, they had been hearing about his legendary work and examples and values he set forth for the organization which is the envy of the U.S., according to an email sent by Sastry's son, Dinesh Sastry, to India-West.

Senior leaders noted their longstanding work with Sastry across several organizations and extolled his leadership qualities and honesty. Among those in attendance at the memorial were Muthuraman Iyer, V.V. Giri, G.S. Satya, Jaganadham Akella, Vish Akella, Sainath Kala and Leela Prasad, among many others, the younger Sastry said.

was the kist collected that morning. A number of witnesses to the occurrence have been examined and they have proved the fact that the first accused assaulted P. W. 1 in the manner stated above and that the second accused took away the purse by force. The Magistrate has discussed the evidence and apart from the evidence of P. Ws. 1 and 2, there is the evidence of a number of disinterested witnesses who were present there and witnessed the occurrence and I therefore see no reason to interfere with the findings of fact arrived at by the Magistrate.

The only point urged before me is that the talayari is not a public servant, that he was not beaten at the time when he was discharging his duty as a public servant and that consequently no offence under S. 332, I.P.C. was committed. From the evidence of P. W. 1 which was read over by counsel for the petitioners, it is seen that he as a talayari used to go and demand kist and that he would be collecting it from those who paid it to him. It is a well known fact that the talayari is generally sent by the village munsif to make collections of kist and if parties pay the kist to him, he would receive and pay it to the village Munsif. Under S. 21 (9) I. P. C. the words "public servant" denote:

"Every officer whose duty it is, as such officer, to take, receive, keep or expend any property on behalf of Government or to execute any revenue process, or to investigate or to report, on any matter affecting the pecuniary interest of Government,"

In this case it is stated for the petitioners that the word "officer" must be taken to mean a person who exercises any delegated function of the Government. It is the function of the Government to collect kist; and if as stated by the talayari, P. W. 1, he could go and collect kist from those who pay him then he is a person exercising a delegated function of the Government in collecting kist to a limited extent. According to the evidence in the case it was when he went to the village to collect kist that he was assaulted. The case reported in I Weir 342 has no application to the facts of this case. There it was found that the talayari has not got the functions of a police officer. In this particular case, it is not the case that he was acting as a police officer. It was when he was assisting the village officer in the matter of the collection of the kist, that he was assaulted. The other also has no bearing on the point in question. *Arjan*

Mal v. The Crown [1] relates to a case of chowkidar. The talayari is a permanent servant of the Crown and he exercises some of the functions referred to in S. 21 (9) of the Penal Code and while he was exercising such functions he was assaulted. The first accused was therefore rightly convicted. There is evidence to show that the second accused stole the purse that was in the possession of P. W. 1. The sentences of fine of Rs. 50 and Rs. 40 respectively imposed on them are not excessive for the offences under Ss. 332 and 379 I. P. C.

The petition is rejected.

Dv. Subbarao vs The King – Parts I & II
Compiled for: The Mysterious Story of God

was the kist collected that morning. A number of witnesses to the occurrence have been examined and they have proved the fact that the first accused assaulted P. W. 1 in the manner stated above and that the second accused took away the purse by force. The Magistrate has discussed the evidence and apart from the evidence of P. Ws. 1 and 2, there is the evidence of a number of disinterested witnesses who were present there and witnessed the occurrence and I therefore see no reason to interfere with the findings of fact arrived at by the Magistrate.

The only point urged before me is that the talayari is not a public servant, that he was not beaten at the time when he was discharging his duty as a public servant and that consequently no offence under S. 332, I.P.C. was committed. From the evidence of P. W. 1 which was read over by counsel for the petitioners, it is seen that he as a talayari used to go and demand kist and that he would be collecting it from those who paid it to him. It is a well known fact that the talayari is generally sent by the village munsif to make collections of kist and if parties pay the kist to him, he would receive and pay it to the village Munsif. Under S. 21 (9) I. P. C. the words "public servant" denote:

'Every officer whose duty it is, as such officer, to take, receive, keep or expend any property on behalf of Government or to execute any revenue process, or to investigate or to report, on any matter affecting the pecuniary interest of Government'

Public Prosecutor (V. L. Ethiraj) for Crown.

ORDER.

This is a petition to revise the order of the Sessions Judge of East Godavari confirming the conviction and sentence passed upon the petitioner for an offence punishable under S. 5 (b) read with S. 7 (1) of Ordinance XI of 1941 read with explanations 2 to 5 of the amending Ordinance XXVI of 1942. He was sentenced to rigorous imprisonment for six months and a fine of Rs. 300.

The petitioner was appointed as an Assistant Public Prosecutor in East Godavari. In the course of his duties he had to conduct the prosecution of political offences. On the 18th November, 1942 he sent in his resignation which runs thus:

1. (1922) 9 Lah. 440
* 1943 M.W.N. 805

"I hereby resign my post as A. P. P. Grade No. 2 partly as a protest against the repressive policy of the Government against Mahathma Gandhi and the Congress organization, secondly to signify my heartfelt approval of the Bombay resolution of the A. I. C. C. dated 8th August, 1942, thirdly to take active part in the Civil Disobedience Movement, i. e. the Freedom Movement started by the Indian National Congress under the leadership of Mahathma Gandhi. I request you to make arrangements immediately for the conduct of cases lest I should be suspected unnecessarily in conducting the cases. I am handing over the furniture, books, other records belonging to the Government pertaining to my office to the S.H.O. or the C. I. of Police, Amalapuram."

He did not discharge any duties connected with his office subsequent to that date. He sent also a letter praying for casual leave for three days on the very same date and went away to Cocanada on the 20th November. He handed over the books and furniture to the Station House Officer deputed by the Circle Inspector of Police and went away to Ellore where his wife and children were. He was arrested on the 30th November in connection with this case.

The petitioner's case is that he did not abandon his employment and therefore he is not guilty of the offence with which he was charged. Both the courts found that his conduct indicated that he abandoned the employment and therefore he was guilty.

Various points were raised in this petition but the only point urged before me at the time of the hearing is that the evidence cannot be taken to indicate that he abandoned his employment. The fact is that he did nothing in connection with his office after the date on which he sent in his resignation till he was arrested and there is also the fact that he was not in his district in which he was employed after the 21st November, till he was arrested on the 30th of that month. It is clear from the letter of resignation that he wanted to be relieved at once and his object in asking for relief was that he may take part in the Civil Disobedience movement. The Collector did not pass orders accepting the resignation. Though the petitioner says that he was suffering from acute dysentery he did not think it would be inconvenient for him to travel to Cocanada, to go to which place, as pointed out by the Sessions Judge, he had to cross the Godavari. His anxiety to ascertain what orders were passed shows that he was very anxious to get himself relieved. The express statements made in the letter of resignation as to the

purpose for which he was tendering his resignation and the anxiety exhibited by him to go to Cocanada in spite of his ill-health to ascertain what became of the letter coupled with the fact that he did not wait in the district to receive orders on his application, go to indicate that he wanted to abandon his employment immediately and did act as if he had abandoned it. It is true that the district magistrate issued proceedings Ex. III directing the Additional Public Prosecutor to conduct the prosecutions, which the petitioner had to conduct, but that was because the district magistrate had to make necessary arrangements so that the work in court may not suffer on account of the absence of the petitioner, especially when he had an inkling of the intentions of the petitioner from the casual leave application received by him along with the letter of resignation. The mere fact that he was relieved from the work of conducting a few pending cases before him could not be reasonably taken to indicate that his resignation was accepted. He is an educated man who had been conducting prosecutions and he must and ought to have known that until his letter of resignation was accepted he could not abandon his employment. He cannot plead ignorance of the regulations and ordinances under which he has now been prosecuted and he must have known the risk involved in abandoning his employment. In these circumstances I do not think it could be said that when he absented himself, he *bona fide* thought that his resignation had been accepted. It is a clear case of abandonment of his employment and in the circumstances, the sentence is not excessive. The petition is rejected.

Part 5: Hybrid Economy That Is Sustainable

Chapter 13: The New Dharma of Capital

A sacred economy aligns capital with conscience. Capital must uplift, not exploit. It must regenerate the Earth and renew society.

Chapter 14: Green Tech and the Holy Infrastructure

Solar, wind, water — these are divine technologies. The Lamb's cities run on harmony with nature, not war with it.

Chapter 15: Reclaiming Economics as Ethics

Profit without ethics is theft. In the new world, markets will be just, inclusive, and spiritually intelligent.

Chapter 16: Global Renaissance Through Spiritual Commerce

Trade as prayer. Labor as devotion. Commerce as a tool of the Kingdom. This is how Earth becomes Heaven.

Chapter 22: Divine Global Governance and Final Justice

The Kingdom of God has arrived not in whispers, but in divine authority. Dinesh Sastry, the Lamb, the Son of Man, now reigns over a global spiritual government. No longer do tyrants rule unchecked. The angels of Dharma, Kalki, and Christ walk the Earth with authority to remove the wicked and uplift the righteous. Justice flows like water. Presidents, prime ministers, CEOs, and judges bow to the light of truth. A court beyond all courts has been seated — not of men, but of the divine. False prophets, deceivers, and agents of Babylon are cast out by angelic decree. This is the era where all faiths converge under one banner. The Satya Yuga has begun. The Lamb's voice is heard in the halls of power. His judgment is swift, his mercy endless. The meek inherit the Earth. The persecuted find peace. The Earth is no longer a battlefield — it is a temple.
