CLASS # 3

VSS ID #	PLACE	EXHIBITOR	CLUB	JUDGES COMMENTS
15561158	1	brianna avila	coolidge FFA	sorts himself to the top relatively easy profiles nicely from the side deep ribbed from forerib to flank level topped and good in his pinset good built at the ground could use some more muscle shape from behind
15561750	2	Makena Myers	Country Kickers 4-H	one you got to compliment for actually having true muscle shape from behind especially in that lower 1/3 good spring of rib would like his bone to match his muscle and make him smoother in his shoulder
15560663	3	Easton Schroeder	Maricopa Trailblazers	one of the truer muscled calves in class good foot and bone adequate spring of rib comes in more pieces when hes pulled on the lead
15561971	4	Audrey Calloway	Coolidge FFA	one that balances up nicely and is good built on the go hes smooth shouldered appreciate his lower 1/3 muscle shape to me just needs some more feed as he gets outpowered by the steers in front of him
15561957	5	Faith Huish	Maricopa Trailblazers 4H group	this one reads good from his shoulder on back deep sided wide in his pinsets level down his top unfortunately comes in more pieces when pulled on the lead
15561517	6	Nicole Austin	Coolidge FFA	one you really got to appreciate from the side balances up nicely and is built correct simply just needs more time on feed gets outpowered in this class

CLASS # 5

VSS ID #	PLACE	EXHIBITOR	CLUB	JUDGES COMMENTS
15562913	1	Nevaeh Quiroz	Signal Peak Livestock 4-H	combination steer in class hes not the heaviest muscled or the best looking from the side but hes the most complete, good down his topline adequate in his muscle shape sound off both ends of his framework and is the stoutest structured in class
15562699	2	Zayne Coates	Signal Peak Livestock 4-H	good showman, most attractive calf from the profile smooth shouldered, long bodied, sound off both ends could use a tad more center body and a touch more bone in comparison to the class winner, good top pair
15562778	3	Amira Quiroz	Signal Peak Livestock 4-H	good showman got to appreciate this one from a show and market standpoint opened up in terms of his rip shape stays true down his topline has some shape in his lower 1/3 just doesn't balance up as nicely as the two in front of him
15562840	4	Deziray Wheeler	Signal Peak Livestock 4H	one you got to appreciate from a carcass standpoint good shape down his top and from behind good spring of rib just like to see him balance up better from the profile
15563026	5	Hannah Hartman	Signal Peak Livestock 4-H	attractive, well balanced sound and good on stoutness of bone simply needs more time on feed as he was the most green steer in class
15562893	6	Lucas Wheeler	Signal Peak Livestock 4H	long bodied level topped good structured unfortunately he is the narrowest at the ground and lightest structured
