15561071	1	Wyatt Murrieta	Signal Peak Livestock 4-H	This lamb is very well presented and looks like a show lamb. He has muscle shape and definition, good bone and structure, and appears to be fresh handling. I would like to make him a little wider based.
15560701	2	Dania Ortega	Coolidge FFA	This lamb is level over his top line, has good muscle definition, good extension, runs up hill, and has a clean front end. However, he doesn't shape or freshen to get over the first place.
15560181	3	Jacy McDowell	Combs FFA	This lamb has adequate muscle shape, he is extended, and has a good hip. However, to move up in class he needs to be strengthened in his structure and pastures.
15560601	4	Addysyn Smith	Casa Grande FFA Chapter	This lamb has a fresh appearing loan, he is clean fronted, and level topped. But to move up in class he needs more muscle definition and to tie in better at his neck set.
15560833	5	Logan Everhart	Signal Peak Livestock 4H	This wether has great extension through his front end, adequate muscle definition, and has a pretty profile. However, to move him up in class he needs more base width, and more muscle shape.
15560775	6	Lillie Lopez	Signal Peak livestock 4H	This ewe has great extension through her front end and adequate muscle. However, to move her up in class she needs more base width, bone and foot size, muscle shape, and to be trimmed up.

CLASS # 2

VSS ID #	PLACE	EXHIBITOR	CLUB	JUDGES COMMENTS
15561356	1	Schuyler Glover	Coolidge clovers	Great wether, great presentation. Love his muscle shape and definition, great base width, great overall balanced wether. I would like to clean up his front end and Ake him more extended from stifle to stifle.
15561127	2	Claire Murrieta	Signal Peak Livestock 4-H	I thought this wether would easily be my class winner when I saw him. He is great on his feet and legs, great jacket shape and definition, and very well presented. However, he does need to be extended for stifle to stifle and fill out over his loan.
15561509	3	Morgan marie jones	Casa Grande lamb chops	Unfortunately, this is a good sheep in a tough class. He has great ,jacket shape, appears fresh over his top, and is wide based. But loses muscles definition compared to one and two, and needs to be straightened over his top line.
15561452	4	Gunner Manterola	Signal Peak Livestock Club (4-H Club)	This wether has great extension through his front end, adequate muscle definition, and has a pretty profile. However, to move him up in class he needs more muscle shape, need to be stronger through his pastures and travel better off his back wheels.
15561943	5	Leann King	CG Lamb Chops	This wether has great extension through his front end, and adequate muscle definition. However, to move him up in class he needs more base width, more muscle shape, and to be loosened up off his back legs.
15562006	6	Bradin King	CG Lamb Chops	This ewe has great extension through her front end And is wide based. However, to move her up in class she needs more muscle definition and shape, and to be straightened out over her top line.

CLASS # 6

VSS ID #	PLACE	EXHIBITOR	CLUB	JUDGES COMMENTS
15563632	1	Kaylin Decker	Signal Peak 4H	This lamb won it on profile view for me, he is simply more up-fronted and extended through his front in than the lamb in second. He has great muscle shape and definition, he is wide based, and is presented very well.
15563483	2	Cohen Decker	Signal Peak 4H	This wether is extremely thick from end to end, great base width, but he needs to be more upfronted to get around the first place in this class.
15563429	3	Chloe Lyons	Casa Grande FFA	This one is thick from end to end, has great foot and bone size, and great muscle shape and definition. However, to move up in class we need to strengthen her top line, and clean her up in jer front one third.
15563526	4	Karli Decker	Signal Peak 4H	He is up fronted and has great muscle shape over his top line, but he needs more overall muscle definition, and to be fresher and filled out over his loin.
15563404	5	Alana Sanchez	Coolidge FFA	This wether has great extension, but simply needs more time to fill out. He need more muscle and top shape to move up in this class.
15563586	6	Qwamay Z. Hall	CG Lamb Chops	This wether has great extension through his front end. However, to move him up in class he needs more base width, more bone and foot size and more muscle shape and definition.
