We, the junior exhibitor and parent/guardian, certify that we have read, acknowledge, accept and will abide by all of the rules of the Pinal County Jr. Livestock Committee (PCJLC). We acknowledge that the Exhibitor has not and will not sell an animal in any other Arizona County Fair.

The Junior Livestock Committee makes every effort to establish a fair and non-threatening environment for all participants. It is the Committee's goal that all participants in the Pinal County Junior Livestock Program enjoy a positive experience, and gain responsibility, leadership and business skills that will assist them in a life of success.

1. All exhibitors, leaders, parents and resource volunteers participating in the Pinal County Junior Livestock Program are expected at all times to conduct themselves in a manner that is respectful towards others and towards animals.
2. All participants will exhibit positive behavior including honesty, and courtesy, by interacting with others in an appropriate and positive fashion. This behavior includes the demonstration of good sportsmanship by being modest in winning and being generous in defeat.
3. All participants will obey all federal, state and local laws including equal opportunity and anti-discrimination statutes.
4. At no time will any exhibitor use any illegal drugs, alcohol or tobacco products while participating in the Pinal County Junior Livestock Program.
5. Exhibitors will wear REQUIRED 4-H, FFA or Association dress while showing and selling their livestock projects. Exhibitors not following the dress code will not be allowed into the show or sale ring.
6. Exhibitors will care for and groom their animals while at the Pinal County Fair. All animals will be fed and watered each and every day that the animal is on the fairgrounds without exception!
7. Animals are the responsibility of the exhibitor, therefore the exhibitor assumes full responsibility for any damage, injury, or loss incurred to, or caused by their animal while at the Pinal County Fair.
8. The Pinal County Junior Livestock Committee reserves the right to deny participation to anyone who does not adhere to the rules and regulations of the Pinal County Junior Livestock Program. The Pinal County Junior Livestock Committee also maintains, at its discretion, the right to remove any participant from the Pinal County Fair that is determined to be in blatant violation of any of the rules or regulations of the Pinal County Junior Livestock Program.

9. Only approved PCJLC Volunteers that meet all requirements, Pinal County Jr. Livestock Exhibitors, or PCJLC Committee Members are allowed to ASSIST the exhibitor in filling and overall care of their project animal(s). The exhibitor must be present and physically **engaged at ALL times** while assistance is being offered. (Physical presence is NOT considered active participation or physically engaged). The intent of this rule is to have the exhibitor, more experienced exhibitors, or approved PCJLC volunteers help the exhibitor along with their learning process. Those deemed trying to violate the intent of the rule shall be penalized as outlined in section E, rule #2.
1. An approved PCJLC Volunteers is defined as any adult, 18 years of age or older, who have completed the Pinal County Junior Livestock Committee Volunteer Registration PROCESS, residing in Pinal County. Absolutely NO fitters, feeders, or consultants will be allowed that are not an approved PCJLC Volunteer.

It is expressly prohibited for any exhibitor or exhibitor's parents or anyone acting for the exhibitor, to have any direct contact with a judge after the announcement and prior to the arrival at fair (i.e. phone, email, mail, text, Facebook, twitter, social media, online chat, face to face, etc.). exhibitors in violation of this ruling will be prohibited from participation at the fair, in addition, all awards, fees, and sale premiums will be forfeited. Any Breeder, fitter, person who sold or placed livestock in Pinal County Fair is expressly prohibited from contacting, or trying to influence the judges in any way. If they do so they will be subject to sanctions and corrective actions by the PCJLC.
11. All exhibitors must comply with the USDA Wholesome Meat Act and the Wholesome Assurance Statement as published below. Health Regulations of the United States Department of Agriculture require that animals treated with drugs, pesticides or any other chemical must go through the prescribed withdrawal period as listed on the label. Therefore, it is important that exhibitors determine the type of treatments used if the animals must be dipped or treated prior to leaving the point of origin.
- USDA WHOLESOME MEAT ACT - The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the Pinal County Fair as follows:
- A. Animals must be in good health and carcasses free of drug or chemical residues.
 - B. Antibiotics and sulfonamides have required withdrawal periods.
 - C. Before administering antibiotics and/or sulfonamides, consult a licensed practicing veterinarian, or label directions of the drug.
 - D. Drug label directions for use and withdrawal periods must be followed.
 - E. If drug or other chemical residues are found in tissue of carcasses, the entire carcass may be condemned. If drug or other chemical residues are found in the urine, blood or tissue from an animal sold through a sale connected with the Pinal County Fair, the PCJLC or the Fair will in no way be liable or responsible for the condition of the carcass or sale price of animal. Exhibitor will forfeit all rights to the sale proceeds.
- WHOLESOME ASSURANCE STATEMENT - The use of animal drugs or other substances by non-veterinarians in any manner other than in accordance with the labeling approved by FDA, is a violation of federal law.* Food animals must not exceed FDA/EPA/USDA established tolerances for any foreign substance including drugs, pesticides, feed additives, or other chemicals. Violation results of residue testing are subject to investigation by USDA and FDA for prosecution. Any misrepresentation of a food animal that can potentially affect the acceptability of the carcass or milk will be considered fraud. * Note: Abuse of the extra-label privilege by veterinarians is unethical and is subject to serious consequences such as license revocation. (PLEASE CONSULT YOUR PROJECT LEADER IF YOU DO NOT UNDERSTAND ANY OF THESE STATEMENTS.)
