

Pinal County Jr. Livestock Committee

Representing 4-H, Association & FFA Exhibitors

Beef * Goat * Lamb * Swine * Veal * Carcass

Dear Friends,

As we are approaching the 2020 Pinal County Junior Livestock (PCJL) Fair we are always faced with the task of providing a financial opportunity for those youth exhibitors that are less fortunate and may not have the resources when it comes to our livestock auction.

Therefore, we are seeking donations through our Blue Ribbon Fund to help those youth exhibitors during the sale of their animal during the auction.

With your financial support/donation the Blue Ribbon Fund's mission is to provide financial help to these youth exhibitors during the auction to bring them to a breakeven point at the sale of their animal. The 4-H and FFA youth exhibitors in our community put in a lot of hard work and dedication each year and your financial support will help our future leaders of this country.

The PCJL Committee's mission is to provide many worthwhile experiences and opportunities for the livestock exhibitors. It teaches skills and encourages safe handling of animals offering a learning emphasis on success, but not determined by competition.

The PCJLC is a 501c3 non-profit organization and in addition your donation is completely tax deductible.

Auction day is Saturday March 28th, please help us invest into our youth of Pinal County. You can make checks payable to PCJLC – Blue Ribbon Fund Account and mail to PCJLC P.O. Box 12535 Casa Grande, AZ 85130.

Thank you for your generous support
Sincerely,

Carlos Gamez

Auction Sales Chairman
