ABOUT SURF & TURF THERAPY

Surf & Turf Therapy is a nonprofit dedicated to improving lives through innovative therapy that incorporates surfing and horseback riding. Our physical and speech therapy programs help participants with disabilities develop strength, balance, coordination, and communication skills in a unique, engaging environment. Special needs siblings and caregivers are always welcome, fostering a supportive family experience.

Nearly 40% of our weekly participants rely on financial assistance, made possible by fundraising events like Chukkers for Charity. Your sponsorship ensures that children and adults in need continue to receive these life-changing services.

ABOUT CHUKKERS FOR CHARTIY

Hosted in partnership with Orange County Polo Club, our 6th annual Chukkers for Charity will be an unforgettable evening of polo, dining, dancing and community celebration. 100% of proceeds directly fund Surf & Turf Therapy programs and scholarships.

Why Sponsor?

Chukkers for Charity is Surf & Turf Therapy's largest annual fundraiser, raising over 25% of our total budget. This year, we aim to raise \$150,000 to continue providing scholarships for families in need.

Your Impact

Your sponsorship directly provides therapy and support for children like Alyna, whose surf therapy sessions help her improve motor control and confidence, all while having FUN! Fees alone are not enough to cover program expenses. Additionally, nearly 40% of our participants rely on financial aid—your contribution ensures those in need can continue to access these life-changing services.

As a sponsor, you will receive brand visibility not just during the event, but throughout the year on our website, annual report, and donor acknowledgments. Most importantly, you will make a lasting impact on our community and the sustainability of Surf & Turf Therapy's programming for generations to come.

Thank You!
