ABOUT SURF & TURF THERAPY

Surf & Turf Therapy is a nonprofit dedicated to improving lives through innovative therapy that incorporates surfing and horseback riding. Our therapy and recreational programs help participants with disabilities develop strength, balance, coordination, and communication skills in a unique, engaging environment. Special needs siblings and caregivers are always welcome, fostering a supportive family experience.

Because less than half of our revenue comes from service fees, we rely on the generosity of our community to make our programs possible. As our largest annual fundraiser, Chukkers for Charity plays a critical role in helping Surf & Turf Therapy continue providing life-changing services to children and adults with disabilities in need.

ABOUT CHUKKERS FOR CHARTIY

Hosted at the beautiful Orange County Polo Club, our 7th annual Chukkers for Charity will be an unforgettable evening of polo, dining, dancing and community celebration. 100% of proceeds directly fund Surf & Turf Therapy programs.

Why Sponsor?

Chukkers for Charity is Surf & Turf Therapy's largest annual fundraiser, raising over 25% of our total budget. This year, we aim to raise \$175,000 to continue providing services for families in need, regardless of their ability to pay.

Your Impact

Your sponsorship directly supports therapy and adaptive recreation for children and adults with disabilities, helping participants build strength, improve motor control, increase confidence, and experience the joy of meaningful movement, all while having FUN!

For many families, Surf & Turf Therapy is more than a weekly appointment. It is a place where siblings can participate, parents can feel supported, and everyone can grow in an environment that celebrates their abilities.

Fees alone do not cover the full cost of our programs, and over 35% of our participants rely on additional support through financial aid. Your contribution helps ensure families in need can continue accessing these life-changing services.

Thank You!
