

SURF & TURF THERAPY

CHUKKERS FOR CHARITY

A night at the OC Polo Club to support Surf and Turf Therapy

Thursday, September 1st 5:30 – 9:30 p.m.

Orange County Polo has partnered with Surf and Turf Therapy to host our 3rd annual evening of chukkers, chow, and cheer! All funds raised will directly support Surf and Turf Therapy programs and financial aid for those in need.

Surf and Turf Therapy is an organization committed to bettering lives through non-traditional therapeutic activities. Our physical, occupational and speech therapy services target functional goals using non-traditional approaches, including surfing and horseback riding. These unique approaches offer unparalleled opportunities to address deficits in strength, balance, body awareness, and language for our participants. Our special needs siblings are always invited to join in and we host various caregiver events, which makes for a rich experience providing support for the entire family.

30 years in the making, the Orange County Polo Club is a venue unlike any other. Although the ranch is located only thirty minutes from Newport Beach, you'll immediately find yourself transported as you drive through the rolling hills and winding roads of Silverado Canyon. OC Polo is a family affair, with many members, management, staff, and owners being multi-generational polo players.

Evening to feature:
