

## Social Media / Marketing Consent Form

Surf and Turf Therapy would like your permission to use images/video taken of you/your child and share their stories to showcase their extraordinary accomplishments on our website, social media (Facebook, Instagram) and marketing materials. We are happy to share with you copies of all images/video taken upon request.

Building awareness and educating the public about these non-traditional services will:

- Help the community grow
- Cultivate donors to support programs and provide scholarships/financial aid
- Inspire collaboration with universities and researchers, to build evidence and ultimately support from insurance

Please initial below the following areas which you consent to the use of the picture and personal information for myself/my child (print participant name)\_\_\_\_\_.
