STORYBOOK ISLAND

To our anonymous Supporters...

Though we may not know your names, we feel the impact of your generosity every day at Storybook Island. Your kindness helps keep the magic alive, providing children and families with a safe, joyful place to play, imagine, and create cherished memories together.

Your support, given without the need for recognition, is a true testament to the spirit of giving. From the bottom of our hearts, thank you for believing in our mission and for making a difference in ways that will be felt for generations to come.

Restoration of beloved sets...

We are hard at work behind the scenes restoring set pieces. Each piece is sand blasted revealing only the structure beneath. Next we paint and seal the set bringing it back to life and ready to bring joy to families for the next few years. We will repeat the process again once the weather and elements wear down the set's finish.

SPONSOR SPOTLIGHT

Since the very beginning, the Rotary Club of Rapid City Rushmore has played a vital role in the success of Storybook Island. Rotarians helped open the park in 1959, and ever since, their dedication has helped carry on our mission of providing a free, safe, and educational space for children. Their support extends beyond financial contributions—they volunteer at our special events, including Christmas Nights of Light, assist with set restoration throughout the park, and help raise essential funds to sustain this magical place. We are incredibly grateful for their continued commitment to keeping the magic alive for generations to come!
