

# HOW TO: mobilize your vision plan

## EYEMED MEMBERS APP

Our member app was the first of its kind. But innovation – like your life – never stops. The EyeMed Members App is packed with ahead-of-the-game resources wherever you are. Before, during and after your eye appointment.

Get the latest EyeMed Members App:

- 1. DOWNLOAD** – Search “EyeMed Members” in your App store, iTunes or Google Play.
- 2. OPEN** – You can use some features right away; others unlock once you register.
- 3. REGISTER** – You’ll need your member ID or the last four digits of your social security number.
- 4. LOG IN** – If you’ve already registered on eyemed.com, you can log onto the app the same way.

|                                      | Ready when you download | Unlocked when you register |
|--------------------------------------|-------------------------|----------------------------|
| Find nearby network providers        | ●                       |                            |
| On-the-fly appointment scheduling    | ●                       |                            |
| Turn by turn directions and map      | ●                       |                            |
| Eye exam and contact lens reminders  |                         | ●                          |
| Electronic ID card for office visits |                         | ●                          |
| Save vision prescriptions*           |                         | ●                          |
| Benefit plan details                 |                         | ●                          |
| Answers to common questions          | ●                       |                            |
| Special offers and discounts         |                         | ●                          |
| Direct line to EyeMed support        | ●                       |                            |

## SEE THE GOOD STUFF

Register on [eyemed.com](http://eyemed.com) or grab the member app (App Store or Google Play) now.

\* Take a picture of your prescription and store it in your app. No need to type in the numbers.
