

Most Recommended Takaful Plan in Malaysia (2025–2026 Update)

AIA PUBLIC Takaful – A-Life Kasih Famili

1. Strong Product Structure

AIA's Family Protection (Non-Medical) plan, *A-Life Kasih Famili*, is specifically built to provide: - Lump-sum protection for death, Total and Permanent Disability (TPD), and accidental death - No medical check-up required (up to certain limits) - Affordable contribution tiers - Flexible protection term (20 years or up to age 70)

AIA also offers *A-Life Idaman*, an investment-linked Takaful plan, combining protection with savings and growth potential. For 2026, enhancements include: - Wider age entry range - Digital onboarding process with e-Hibah nomination - Additional payout multipliers for accidental death

2. Minimal Investment Risk

AIA allows customers to choose Shariah-compliant investment funds with moderate risk exposure, avoiding high volatility. This is ideal for conservative families looking for security.

3. Strong Shariah Compliance

- Fully Shariah-compliant under the oversight of Bank Negara Malaysia
- Backed by an internal Shariah committee and proper governance structure
- Enhanced transparency on tabarru' deductions and fund allocations in 2026

4. Financial Strength

- AIA is one of the region's largest insurers
- Strong financial solvency and long-standing claims reliability
- Local and global recognition gives peace of mind to participants
- AIA PUBLIC recorded continuous market growth in Family Takaful for 2025–2026 (based on BNM and LIAM reports)

5. Family-Oriented Features

- Family extension options
- Hibah (Islamic gift) nomination
- Transparent tabarru'
- Additional riders for medical, critical illness, and more
- New caregiver support benefit added in 2026 for family needs

Recommended Plans Based on Needs:

-  **A-Life Kasih Famili** – For affordable fixed protection, ideal for underserved Malaysian families.
-  **A-Life Idaman** – For working adults seeking flexible savings + protection with growth.

Conclusion
