

# think big, wedgwood

what does it mean to 'think big'?

- ask questions & keep learning
- accept there are things you don't know that you don't know
- don't allow yourself to stay fixed in your 'way' of thinking
- ask a kid what their point of view is
- make a new friend that doesn't look like your other friends
- imagine a new outcome & create it
- don't accept the way things are
- help someone just because you can
- show gratitude daily
- apologize & try again
- use your privileges to help others rise, there is abundance for all of us
