

WARREN NWS AUTOMATED ACCOUNT PAYMENT

- Warren NWS Automated Payment is easy and convenient.
- We will post payments the net amount due from your square account on the 20th day of the month and e-mail to you a courtesy copy of your utility bill for your records.
- Following these easy steps:
 1. Complete, sign and return the attached authorization agreement authorizing the Warren NWS to charge your card for utility services.

I authorize the Warren NWS to begin charging from my card entered below in the amount of my monthly utility bill. I understand that I may discontinue enrollment in the automated bank draft at any time by sending my request in writing to the Warren NWS Utility Services Department. I understand that as an automated card charge customer, I will continue to receive my monthly payment statement for review only. I understand that both my financial institution and the Warren NWS have the right to terminate this charge account or my participation therein. I also understand that the Warren NWS will not reimburse me for any fees charged by the bank for stop payments, non-sufficient funds, etc. Accounts are charged on the 20th day of every month, except on weekends and holidays when the accounts will be drafted the following business day.
