An Organizational Update

Welcome to the Virginia Association of Minority PAs second newsletter of 2024! We are excited to share the latest organizational updates.

We extend our utmost gratitude to all of our PA, PA student, and Pre-PA members for your support. Your dedication and commitment to increasing diversity, equity, and inclusion in the PA profession does not go unnoticed.

We continue to actively recruit members, and we are opening applications for the 2024 mentorship program. Additionally, we are looking for volunteers to join our committees. Our organization relies on the kindness and support of our community, and we are reliant on those who donate their time or resources.

We have some exciting events coming up within the next couple months that we will share in this newsletter. Together, we can make a difference in the lives of those who need it most. Thank you for your continued support!
