In Memoriam -- Classmates Who Are No Longer With Us

A half century after graduating in August 1969, when most of us were in our seventies, 50th Company began to reconnect. Wonderful reunions were held in 2017 and 2019. Regrettably, but not surprisingly, age has taken its toll, and some of our classmates are missing from the 50th Company formation. One of our goals as a group is to remember and honor those who have passed.

In addition to our reaching out to the spouse and children of classmates who have recently passed away, we have created a separate “In Memoriam” page which is dedicated to all who are no longer with us. Our intent is to remember and honor them. This includes two, Jim DuPont and Tom Edgren, who were killed in action in Vietnam and have been recognized in a special 2019 ceremony at the Vietnam Memorial Wall. (Our ceremony is captured in a video on a separate “Eulogy at the Wall” page.) At last count, we have lost 30 classmates, and two members of the Company’s cadre. We have done our best to provide meaningful obituaries, but some contain only minimal information.

Go to the “In Memoriam” page and click on the individual names to find information on those whom we have lost.
