

# 4 QUESTIONS TO ASK IN Parent-Teacher Conferences

---

1

## Alignment of School and Home

How can I incorporate what you teach at home for school?

2

## Concept-Based Question

Here are the concepts that we are learning in this grade level. What resources do you want me to provide to help you and your child when reviewing at home?

3

## Progress of Mastery

I measure your child progress of mastery [number of times]. How do you want to measure your child's progress of the concepts at home?

4

## Open Communication Question

What is the best time and way to communicate with you?
