An employee covered by this Agreement shall have the right to be represented by the **F.O.P.**, or may waive such right, in the determination of grievances arising under the terms and conditions of employment covered by this Agreement.

13.2 Definition

A grievance is defined as a dispute involving the interpretation or application of this Agreement. Any grievance filed shall refer to the specific provision(s) of this Agreement alleged to have been violated, and shall adequately set forth the date and the facts pertaining to the alleged violation and the remedy sought.

13.3 Any grievance not processed within the time limits provided in this Article shall be considered abandoned. Provided, however, the time limits set forth in this Article may be extended by joint agreement of the **Employer** and the **F.O.P.** (or the employee if appropriate) that is confirmed in writing. The parties may mutually agree in writing to waive any time limits or provisions of the grievance procedure.

13.4 In computing any period of time prescribed or allowed by this Article, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included unless it is a Saturday, Sunday, or holiday recognized by this Agreement, in which event the period shall run until the end of the next day which is neither a Saturday, Sunday, or holiday recognized by this Agreement.

13.5 Any grievance that is filed by or on behalf of a bargaining unit member shall be filed on the approved Grievance Form which is attached at "Attachment B".

13.6 **Step 1.** Within ten (10) days of the occurrence or within ten (10) days after the employee could reasonably have known of the occurrence (whichever is later), the aggrieved employee shall reduce his/her grievance to writing, sign it, and present it to their Captain/Division Commander. This Captain/Division Commander shall obtain the facts concerning the grievance and shall within five (5) days of receipt of the grievance conduct a meeting with the grievant and the grievant's representative. The grievant may be accompanied at this meeting by an **F.O.P.** representative. The immediate supervisor shall submit a written response to the grievant (with a copy to the **F.O.P.**) not later than five (5) days following the Step 1 meeting.

13.7 **Step 2.** If the grievance is not settled at the first step, the grievant may present the grievance to the Police Chief. The grievance must be presented to the Police Chief within five (5) days of receipt of the Step 1 response or, if a timely Step 1 response is not received, within five (5) days from the day the Step 1 response was due. The Police Chief shall obtain the facts concerning the grievance and shall within five (5) days of receipt of the grievance conduct a meeting with the grievant and the grievant's representative. The grievant may be accompanied at this meeting by an **F.O.P.** representative. The Police Chief shall submit a written response to the grievant (with a copy to the **F.O.P.**) not later than five (5) days following the Step 2 meeting.

13.8 Arbitration

A. If the grievance is not settled in accordance with this Article, the **F.O.P.** (on behalf of the grievant) may request arbitration, by providing a written request to the City of Pensacola Human Resources Director or his/her designee not later than thirty (30) days after receipt of the Step 2 response or, if a timely Step 2 response is not received, within thirty (30) days from the day the Step 2 response was due. The

request shall set forth the specific provision(s) of the Agreement claimed to have been violated. If the request to arbitrate is not received by City of Pensacola Human Resources Director or his/her designee within the thirty (30) day limit, the **Employer's** Step 2 response shall be final and binding upon the grievant and the **F.O.P.**

B The parties to this Agreement will request that an impartial neutral panel of seven (7) arbitrators that reside in the State of Florida from the Federal Mediation and Conciliation Service be assigned to hear the matter. The parties may mutually agree to select an arbitrator without utilizing FMCS. However, if they can't mutually agree on an arbitrator within a reasonable amount of time then the parties will utilize FMCS. This Grievance procedure and the arbitration shall be exclusive to the **F.O.P.** Therefore, subject to Sections 447.301 and 447.401, Florida Statutes or other applicable laws, no bargaining unit member may file a grievance or request arbitration without the written authorization from the Union. The arbitration shall be conducted under the rules set forth in this Agreement. Subject to provisions contained herein, the arbitrator shall have the jurisdiction and authority to decide a grievance as defined in this Article, and to enforce compliance with the terms and conditions of the Agreement.

(1) **Arbitrability:** Issues of arbitrability shall be bifurcated from the substantive issues(s) and, whenever possible, determined by means of a hearing conducted by conference call. The parties may jointly select an arbitrator or utilize FMCS to obtain an arbitrator for this conference call hearing. However, if the parties can't mutually agree on an arbitrator then either party may request a panel list of seven (7) arbitrator names from FMCS. The strikeout method shall be utilized with the person requesting said panel to strike first. The arbitrator shall have ten (10) days from the hearing to issue a decision on arbitrability. The parties agree that the non-prevailing party at the arbitrability hearing shall be solely liable for the arbitrator's fees not to exceed \$1,000.00 and if said arbitrator's fee exceeds \$1,000.00 then that excess amount shall be equally split between the parties and attorney's fees of the prevailing party up to \$500.00. If the issue(s) is/are judged to be arbitrable, a different arbitrator may then be selected using the above method to hear the substantive issue(s) in accordance with the provisions of this agreement. All other provisions of this agreement shall remain in full force in effect.

C. Once an arbitrator has been notified of his/her selection, the date for the arbitration hearing will be set as soon as practicable.

D. All testimony given at the arbitration hearing shall be under oath.

E. Post-hearing briefs may be filed at the request of either party or the arbitrator.

F. The arbitrator shall render his/her decision within thirty (30) days of receipt of post-hearing briefs or of the close of the hearing, whichever is later.

G. The arbitrator shall have jurisdiction and authority to decide the grievance, as defined in this Article. However, the arbitrator shall have no authority to change, modify, amend, ignore, add to, subtract from, or otherwise alter or supplement the Agreement or any part thereof or any amendment thereto.

- H. The arbitrator shall consider only the specific issue(s) submitted to him/her in writing by the parties, and shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration, or which is not specifically covered by this Agreement.
- I. Any event that occurred or failed to occur prior to the effective date of this Agreement shall not be the subject of any grievance hereunder, nor shall the arbitrator have the power to make any decision concerning such a matter.
- J. The arbitrator's decision shall be exclusively based upon specific findings of fact and conclusions which shall be the predicate for any decision. In rendering any decision, the arbitrator shall only consider the written, oral, or documentary evidence submitted at the hearing.
- K. The arbitrator may not issue declaratory or advisory opinions. The arbitrator shall be confined exclusively to the issue(s) presented to him/her, which issue(s) must be actual and existing.
- L. The decision of the arbitrator shall be final and binding on all parties, subject to those challenges permitted by law. However, the authority and responsibility of the **Employer** as provided by Chapter 447, Florida Statutes, and the Charter of the City of Pensacola shall not be usurped in any manner unless specifically amended or modified by this Agreement.
- M. Each party shall bear the cost of its own witnesses and representatives. The parties shall bear equally the cost of the arbitrator. Any party requesting a copy of the transcript of the arbitration hearing shall bear the cost of it.
- N. It is specifically and expressly understood that taking a grievance to arbitration constitutes an election of remedies and a waiver of any and all rights by the appealing party and all persons whom it represents.

ARTICLE 14 FILES

- 14.1 All files maintained by the City of Pensacola concerning any law enforcement personnel covered by this collective bargaining agreement will, upon written request to the Chief of Police, be purged in accordance with state law.

Files and other materials purged pursuant to this section may not be used as evidence by either party in any disciplinary proceeding.

Upon the completion of any internal investigation, the officer on whom the complaint was made shall be notified. Should the internal file be requested by any public party, every reasonable effort will be made to notify the involved officer(s). If, however, said officer(s) cannot be notified within twenty-four (24) hours, the requested information will be provided within the limits of governing statutes, court orders, etc. In such cases, officers will be notified that information from their files was released.

- 14.2 The **Employer** will comply with applicable court orders and Florida Statutes, regarding the release of home address, telephone number, social security number, or photograph of active enforcement personnel.

It shall be the right of any bargaining unit member, at reasonable times, to inspect and make a copy of his or her personnel records or internal file. The Human Resources Director and Department personnel shall keep personnel matters confidential within the terms of this Article and applicable statutes.

ARTICLE 15 TOBACCO USAGE

- 15.1 The Surgeon General of the United States has determined that smoking tobacco contributes to the development of a number of heart and lung diseases.
- 15.2 After September 9, 2003, the City will hire as police only those individuals who do not use tobacco products, and such individuals will continue to not use tobacco products for the duration of their employment. New hires may not have used tobacco products for a period six (6) months prior to the date of application for employment.
- 15.3 All bargaining unit employees who were hired before September 9, 2003, shall not smoke or use tobacco products on duty while in direct contact with the public, when in uniform in public view, in city vehicles, or in any area designated as a "tobacco free" area.
- 15.4 Employees covered by this agreement are discouraged from tobacco usage and the City agrees to make reasonably available courses to help stop the use of tobacco for those employees wishing to quit.

ARTICLE 16 SAFETY AND HEALTH

- 16.1 The **Employer** agrees that it will conform to and comply with laws as to safety, health, sanitation and working conditions properly required by Federal, State and local law. The Employer and the **F.O.P.** will cooperate in the continuing objective of eliminating safety and health hazards where they are shown to exist.
- 16.2 Protective devices, wearing apparel, and other equipment necessary to protect employees from injury shall be provided by the **Employer** in accordance with established safety practices. Such practices may be improved from time to time by the **Employer** and the **F.O.P.** Such protective devices, apparel, and equipment, when provided by the **Employer**, shall be encouraged to be used.
- 16.3 Employees involved in specialized activities within the department requiring the use of specialized equipment (i.e. self-contained breathing apparatus) may be required to undergo an applicable periodic physical examination to determine fitness to wear the required equipment.

**ARTICLE 17
FITNESS FOR DUTY**

- 17.1 All members of the department shall maintain good physical condition so they can handle the strenuous physical contacts often required of a law enforcement officer.

**ARTICLE 18
COMPREHENSIVE DRUG AND ALCOHOL ABUSE POLICY AND PROCEDURES**

The City and the F.O.P. agree to follow the provisions of the Florida Drug Free Workplace Act, Florida Statutes 112.0455, except as modified by Appendix C to this Agreement.

**ARTICLE 19
EMPLOYEE BENEFITS**

19.1 Death Benefits

Any alleged violation(s) of this article are not subject to the grievance/arbitration procedure but through competent court of jurisdiction.

19.2 Training and Education

A. Training and Travel Policy

All requests for training/travel should be submitted on the Request/Report of Training and Travel Funds Form (PF-210PC) ("Training and Travel Form").

Requests for training and travel must be **pre-approved** by the Department Director or designee on the Training and Travel Form. Training and travel requests for Department Directors must be **pre-approved** by the City Administrator or designee on the Training and Travel Form. In addition, employees, who are not regular, full-time employees of the City, must obtain Training and Travel pre-approval from the Human Resources Director or designee. Reimbursement by the City may be denied absent advanced approval.

The Training and Travel Form must include all expenses and list all RPs billed or paid separately and have all required signatures. If funds are being requested in advance, the Training and Travel Form should be submitted to the Financial Services Department for check processing at least fifteen (15) days prior to travel.

Reconciliation of the Training and Travel Form is due within ten (10) working days after return. The reconciled Training and Travel Form must be signed by the employee and submitted to the Department Director for approval and signature. The reconciled Training and Travel form for Department Directors must be approved and signed by the City Administrator or designee. The City's Finance Director will review and determine if the reconciliation should be approved for reimbursement. The final determination of the amount paid for training and travel shall be made by the Finance Director or designee.

Expenses are calculated as follows:

Hotel/Motel:	Single, at cost (double at single rate is acceptable). Receipt required. City does not pay Florida State Sales Tax on lodging within the state.
M&IE:	General Services Administration (GSA) per diem rates for the travel destination city shall be used. GSA per diem rates are for meals and incidental expenses (M&IE) when total travel and training time exceeds 12 hours. No M&IE per diem is allowable for total travel and training time that is 12 hours or less. M&IE per diem rates for travel destination cities are available on the GSA website at www.gsa.gov/perdiem . The Breakdown of M&IE per diem rates for the first and last day of travel shall be utilized. Incidental expenses incorporated in the M&IE per diem include but are not limited to all tips given to parking attendants, porters, baggage carriers and hotel staff.
Transportation:	<p><i>Airfare:</i> reimbursed at cost for coach fare only; receipt required.</p> <p><i>City vehicle:</i> reimbursement for fuel at cost for travel within the State of Florida only; receipts required.</p> <p><i>Private vehicle:</i> reimbursement at mileage rate set by City, not to exceed cost of airfare and ground transportation. Form PF210PC reflects mileage rate.</p> <p><i>Cabs, buses, taxis, parking:</i> reimbursed at cost; receipt required.</p>
Tuition/Registration:	Reimbursed at cost; receipt required.

Baggage: When an airline charges a fee for baggage, reimbursement will be made at cost for one bag only; if the first bag is free, no reimbursement will be made. If your personal bag exceeds the restrictions and you are charged extra, the City will not reimburse.

Fly vs Drive: If flying is less expensive than driving and the employee chooses to drive, the mileage reimbursement may be limited to the airfare and ground transportation calculation. As a tip - when comparing flying to driving, the flight cost should be based on departure in and out of the Pensacola International Airport given your flight parameters with at least two weeks' advanced ticketing.

An accounting of monies is required within 10 working days after return. Itemized receipts must accompany report of funds spent. In the event that the 10 working day settlement cannot be met, the employee will be precluded from receiving advances and/or reimbursements for subsequent travel until settlement of the previous trip.

The final determination of the amount paid for training and travel shall be made by the Finance Director or designee.

B. Educational Reimbursement Plan

The educational reimbursement program encourages personal development through formal education so that employees can maintain and improve job related skills or enhance their ability to compete for reasonably attainable jobs within the City of Pensacola. Individual courses that are part of a degree, licensing, or certification program must be related to the employees current job duties or a foreseeable future position. The City of Pensacola may reimburse employees for the costs of obtaining undergraduate or graduate degrees in a position with the City of Pensacola. Employees should contact Human Resources for more information about educational reimbursement.

Employees requesting educational reimbursement must prior to registration, submit an application for reimbursement on the Application for Education Benefits Form (PF-202), to the Director for approval prior to class registration. The Director will determine if funds have been budgeted and are currently available in the Department's budget. The City will budget \$30,000 toward the educational reimbursement annual total for members of the all three FOP collective bargaining units (Officer, Sgt, and Lt). If 75% of the funds are allocated during a fiscal year, the Pensacola Police Department Budget and Planning Specialist will notify the FOP Lodge 71 President. Each course must be part of a curriculum related to an employee's present position with the City of a reasonable promotional objective as determined by the Human Resources Director. Once this determination has been made, then the approved request form (PF 202) will be submitted by the Director to the Human Resources Department, before course registration commences.

In order to receive reimbursement, an employee must submit a copy of his or her final grades within forty-five (45) days of completion of the course, to the department director to be forwarded to the Human Resources Director for final review and payment.

When an employee has received advance approval for education reimbursement, following the receipt of grades at the end of a course, the employee must have achieved a grade of "C" or better. If a collective bargaining unit member receives payment from another source, the City will only reimburse the amount of tuition not otherwise covered.

The City encourages all employees to utilize courses offered by the University of West Florida or Pensacola State College. Approved reimbursement will be made at the prevailing hourly course rate for "in state" students, utilized at the University of West Florida or at Pensacola State College, respectively.

Employees who otherwise meet the educational reimbursement criteria set forth above but who elect to attend a college or university other than the University of West Florida or Pensacola State College may receive reimbursement in an amount not to exceed the higher rate of the University of West Florida or Pensacola State College. The City will not be responsible for payment to that institution, if the rate exceeds the prevailing "in state" rate of the University of West Florida or Pensacola State College.

Employees seeking to receive educational reimbursement from the City of Pensacola shall accept a contractual employment condition obligating the employee to remain in the employment of the City of Pensacola for a period of six months for each fifteen (15) hours of paid reimbursement. This obligation shall be cumulative in nature. Employees who

voluntarily sever employment with the City of Pensacola prior to fulfilling the employment obligations set forth above shall reimburse the City of Pensacola for any remaining balance of educational reimbursement, and employees will be obligated to consent to pay such balance from any funds in the possession of or managed by the City of Pensacola before any remaining balances are paid to the terminating employee.

Employees receiving tuition payment for vocational credits such as enrollment in the fire or police academy are subject to a repayment agreement to be executed by the employee prior to entering into the vocational education program. In the event that such an employee should voluntarily terminate his or her employment with the City within two (2) years of receipt of the amount paid by the City to attend the fire or police academy, the employee shall be contractually responsible for repayment to the City of the cost incurred to attend such school. Employees will be required to consent in advance to allow the City to recoup such funds from any funds in the possession of or managed by the City of Pensacola prior to the employee receiving the balance of such funds after reimbursement has been made.

(1) **Required Courses**

The City will reimburse 100% of the tuition, books, and fees for any employee attaining a "C" grade or better in a course that is required by the City. Upon completion of the course, all books or course material will become property of the City.

(2) **Voluntary Job-Related Courses**

The City will reimburse 100% of the tuition only for any employee who voluntarily takes a course which is directly related to their job, and who attains a "C" grade or better in the approved course. Department Directors will be the signing authority on determining if a course is job related, along with review by the Human Resources Director for reimbursement purposes.

(3) **Non-Job Related Courses**

The City will reimburse 50% of tuition only for any employee who voluntarily takes a course and who attains a "C" grade or better even though that course is not job related.

(4) **High School Diploma**

Any employee wishing to obtain their high school diploma or G.E.D. will be reimbursed 100% for any tuition, book, or fee expenses they may incur.

(5) **Tax Status**

All educational reimbursements are subject to income tax laws and regulations as determined by the Internal Revenue Service. Employees may have to report any amounts received under the Education Reimbursement Plan as taxable income.

19.3 **Reimbursement for Use of Personal Vehicle**

Where an employee is required to use his personal automobile in the performance of his duty, said employee will be reimbursed as prescribed by Section 20.2.

19.4 **Comprehensive Medical Coverage**

The insurance programs will be optional to all eligible employees. For those employees electing to participate in the program, the City will make contributions towards the cost of such insurance, in the same amounts as it makes for all other non-managerial City employees. Those employees who elect to participate in the City's group insurance programs will pay a share of the total premium through deductions from payroll, for the cost not paid by the City.

19.5 The Union will be notified of any change in insurance carriers, nature or scope of coverage or amount of coverage and increased amounts to be paid by employees under this Article.

**ARTICLE 20

 5. All employees who attend voluntary training and fail to successfully complete that training without sufficient justification in the opinion of the Chief or his designee, shall reimburse the department for all tuition expenses incurred by the department on their behalf.

The employee shall have the right to retain an attorney of his choice at the employee's expense to defend the employee in any individual claim.

ARTICLE 23 SECONDARY EMPLOYMENT

- 23.1 Off-duty employment of a security nature conducted according to the procedures set forth below is authorized by the Pensacola Police Department because it confers a substantial benefit upon citizens by allowing an expanded law enforcement presence at minimal expense to the City.

However, officers engaged in off-duty security employment should remain constantly aware that they are law enforcement officers utilizing equipment provided by the City of Pensacola while engaging in such activities, and they are perceived by the public as on-duty officers. Therefore, all officers are directed to conduct their behavior while working off-duty in exactly the same manner and following all applicable policies and procedures as though they were working on their scheduled tour of duty. The compensation is provided by an entity other than the City of Pensacola does not diminish an officer's responsibilities and can never be allowed to present a conflict of interest between the entity providing compensation and the paramount responsibility as a police officer.

Under no circumstance will any officer working off-duty disregard any law enforcement responsibility or violate any policy or procedure of the Pensacola Police Department at the request or at the direction of an off-duty employee. Independent judgment as a law enforcement officer must prevail in every situation.

A police officer is authorized by Florida Law (F.S.S. 790.052) during off-duty hours – at discretion of their superior officer – to perform law enforcement functions normally performed during work hours. Pensacola Police officers are authorized by the Police Chief to carry firearms off-duty and to perform law enforcement functions for off-duty employment normally performed during duty hours.

**ARTICLE 24
LIFE INSURANCE**

- 24.1 The Employer will provide a basic life insurance of \$10,000 for employees covered by this agreement.

Additional life insurance is optional for employees covered by this agreement and their dependents.

- 24.2 The City reserves the right to reduce or increase the benefits payable under coverages, to alter or cease any coverages, to raise or lower any “out-of-pocket” amounts and to raise or lower any deductibles and otherwise determine the coverage to be made available and the premium costs of the same, provided that such benefits, coverages, amounts and deductibles remain the same as those made available to all other non-managerial City employees.

- 24.3 The Union will be notified of any change in the insurance carriers, nature or scope of coverage or amount of coverage and increased amounts to be paid by employees under this Article.

**ARTICLE 25
INJURY-IN-LINE-OF-DUTY/DISABILITY BENEFITS**

- 25.1 **Compensation for Job – Incurred Injury or Illness**

A. General

The State of Florida has a Worker’s Compensation statute to which the City of Pensacola adheres. The purpose of this coverage is to provide some degree of payment to those employees who become temporarily or permanently disabled due to illness or injury incurred on the job. The following rules will serve to delegate responsibility for proper handling of all such cases, claims, and relevant forms.

In compliance with the Federal Americans with Disabilities Act, the Family Medical Leave Act, and other applicable federal and state laws, each employee injured in a job-related accident will be assured of their job when released to return to duty. If the employee is unable to return to their normal job, every reasonable effort will be made to ensure that the employee will be placed in another position within the City structure commensurate with their physical limitations.

Upon injury or illness and filing of the First Notice of Injury or Illness report where lost time from work or medical expenses are incurred, a letter will be sent to the injured employee notifying the employee that in the event they are unable to resume their usual duties due to physical limitations from the injury or illness, every reasonable effort will be made to ensure that they will be placed in another position within the City structure commensurate with their physical limitations.

B. Report of Injury and Examination

Each incident involving bodily injury sustained on the job by a City employee shall be reported to the employee's supervisor during the course of the shift in which the accident occurred. The employee shall be referred to the City Clinic where a preliminary examination will be made and the Injury or Illness Report is initiated. A copy of this report shall be returned immediately to the employee's supervisor and the Human Resources Department. In cases of severe injury or extreme emergencies the injured employee should be taken to the nearest hospital emergency room and the supervisor should notify the City Clinic.

If in the opinion of the nurse or physician the injury requires more advanced or specialized treatment, the employee will be referred to the physician chosen by the City. The attending physician upon examination shall then determine, in conjunction with the City Physician:

- (1) the need for further examination or treatment,
- (2) the extent to which the employee may work,
- (3) the need for loss of time from work for treatment, rest, hospital care, or a combination of these.

The City Clinic shall keep the employee's supervisor informed as to the condition of the employee and estimated length of time that the employee will be off duty. Where loss of time from work is indicated, the City Clinic, with assistance from the Human Resources Department, shall arrange for continuation of proper medical care and supervision. The City Clinic must approve all time off from work.

When transitional duties or accommodations are indicated or appropriate, these shall be arranged by the City Clinic, the supervisor, and/or Department Director with approval of the Human Resources Director. If the employee is unable to return to their normal duty due to physical limitations set forth by their physician, in accordance with the Americans with Disabilities Act, every reasonable effort will be made to ensure that the employee will be placed in another position with the City structure that accommodates their physical restrictions.

In all cases, the City Clinic shall arrange for the initiation of proper State Compensation forms as required (these are mandatory in all cases regardless of loss time or incurrence of medical expense).

C. Temporary Total or Temporary Partial Disability

All time off work due to a job-related injury/illness must be approved by the City Physician/City Nurse.

If loss time is incurred, continuation of salary under Florida Statute requires that a compensable injury or illness be paid for at the rate of 66 2/3 % of the employee's average earnings to a maximum as established by the State. However, the City will compensate in the following manner for each temporary total or temporary partial disability caused by an initial on the job injury. In determining the period of time listed below, all absences shall be cumulative calendar days.

- (1) The injured employee may be paid 100% salary for no longer than ninety (90) day, without using accumulated leave.
- (2) During the above ninety (90) day period of 100% compensation, the employee will receive all workers' compensation monies and those amounts will be deducted from the employee's normal salary.
- (3) After the ninety (90) day period, an employee may at their option use up to thirty (30) days accumulated PTO leave. The employee will then keep their Worker's Compensation checks without further payroll deductions. To qualify for compensation from the City funds, the employee must present sufficient evidence of their disability and the City Physician shall determine the eligibility of such claims. At the end of the ninety (90) day loss time period for an "on-the-job" injury, when no other leave is available, the employee must return to full active duty or be placed in another position within the City structure that is commensurate with their physical restrictions. This is to be determined by the City Physician, in conjunction with the Human Resources Director.
- (4) At the end of the ninety (90) day period, plus the expiration of accumulated PTO leave, used at the employee's option, an employee must have returned to work in his/her normal duty or other duty within the City structure commensurate with their physical restrictions. It is the intent of this section that no employee shall remain off work and be on the regular payroll for any more than ninety (90) days, plus a maximum or thirty (30) days of accumulated PTO leave due to an on-the-job injury.

D. Recurring Injuries

For recurring complications relevant to a particular previous lost-time injury following a return to active duty, the City of Pensacola will begin compensation as of the first day of the recurrence provided the employee has reported such on the first day of the recurrence to the City Clinic, and the City Physician or City Clinic has given authorization for leave.

25.2. Disability Benefits

Any alleged violation(s) of this article are not subject to the grievance/arbitration procedure but through competent court of jurisdiction.

ARTICLE 26
PERSONAL TIME OFF (PTO) LEAVE

26.1 Leaves of absence.

(1) Purpose.

Personal time off (PTO) is established for the purpose of providing employees leave for a variety of reasons such as vacation, personal business, illness, medical or dental appointments, and family. It replaces leave formerly known as sick and annual leave.

(2) Employee responsibility.

Lieutenants will request personal time off (PTO) from their Division Commander.

- a. In any case of absence on account of illness, an employee may be required by his department to file a doctor's certificate with the city clinic, and all absences due to illness or injury of more than three (3) days' duration shall require the employee to provide a doctor's certificate to the city clinic stating:
 1. The nature of illness or injury;
 2. That the employee was incapacitated for work for the duration of his absence;
 3. The employee is physically able to return to work and perform his duties;
 4. That the employee has no contagious disease, which would jeopardize the health of other employees.
- b. If an employee is habitually or chronically absent, a supervisor may require medical evidence to be provided to the city clinic concerning any illness or injury beginning with the first day of absence.
- c. If an employee is absent and an excuse is felt necessary, an activity head or department director may request the city nurse to verify the reason for absence.

(3) Record keeping.

No employee will be granted personal time off leave unless the time requested has already accrued prior to the leave period. Personal time off leave request shall be for a period of not less than one (1) hour and shall be in increments of not less than one (1) hour.

(4) Accrual of time.

Employees covered by this agreement will be credited twenty-four (24) hours personal time off for each month of service. Hours of PTO leave will be available for immediate use as soon as accrual has been posted. Lieutenants may not accumulate more than 500 hours of Personal Time Off (PTO) during any calendar year. On the first day of the pay period beginning in January of each year, the employee will have the option of carrying over unused PTO as follows: as to

accrued PTO over 500 hours, a maximum of 250 hours may be banked in the auxiliary PTO leave account to be used for any purpose, and any accrued leave remaining will be placed in the FMLA leave bank. Employees will be able to use this leave for FMLA qualifying absences or may donate this leave. This does not alter the existing policy that leave payout cannot exceed 500 hours. This does not alter the existing provision that approval of leave is a management right and the issue is not subject to being grieved.

(5) **Separation from service.**

Employees who are separated from the service of the city in good standing by retirement, resignation, or layoff shall be paid the balance of their accrued PTO, but at no time shall that payout exceed the maximum of 500 hours. The employee may not be paid for any hours remaining in their auxiliary PTO account or their FMLA leave bank upon leaving the City.

**ARTICLE 27
LEAVE SHARING**

27.1 A leave sharing program is hereby established for all permanent City employees. The Mayor or designee shall establish the procedure by which the Human Resources Director shall administer the leave-sharing program. This leave-sharing program shall be administered in keeping with the area practices and within the financial limits as set forth by the council. Unless otherwise provided for by the council or by law, shared personal time off (PTO) leave of more than 30 days shall be considered non-salaried supplement, and shall not be utilized in the calculation of pensions, deferred compensation(s) and other benefits.

A. Scope and Purpose

The leave sharing program will allow employees to donate unused Personal Time Off (PTO) leave to co-workers who are seriously ill or have family members who are ill, and have exhausted their own leave.

This leave-sharing program operating on a case-by-case donation basis encourages employees with unneeded leave to donate leave to employees coping with personal tragedy.

B. Eligibility

The employee requesting donations of leave must have:

1. Worked for a minimum of six (6) months; and
2. Exhausted all earned leave

C. Leave Use

Request for leave can be made for:

1. the employee's own serious health condition as defined by the federal Family and Medical Leave Act, or
2. the serious health condition of a family member, defined, as spouse, children, stepchildren, parent, stepparent, brothers, sisters, stepbrothers, stepsisters, mother-in-law, father-in-law, grandparents, grandchildren, aunt or uncle.

D. Leave Donation Restrictions

Employees can donate up to half the leave they have available in their PTO, Auxiliary PTO and FMLA Leave bank accounts. Employees may receive up to nine (9) months maximum of donated leave. Donated leave of more than 30 days will be considered a non-salaried supplement and shall not be utilized in the calculation of pensions, deferred compensation(s), and accrual of time credited to an employee's longevity. The city will continue to pay their portion toward the group insurance plans, social security replacement, and longevity pay. Donated leave is not considered time worked, and the employee receiving the donation will not accrue leave in their PTO account while on donated leave. Donated leave must be submitted in advance for use and cannot be used retroactively.

E. Administration

An employee donating leave must complete a leave transfer form (PF-306) and turn the form into the Human Resources Office for verification of leave balance. This form will be forwarded to the Finance Department for processing. Employees receiving leave will be awarded leave hours based on the "cash value" of the donated leave.

F. Tax Treatment

Employees who donate leave are not subject to any taxes because of their donation. However, employees who receive donated leave are subject to regular income tax and it will be reported as income.

**ARTICLE 28
FUNERAL LEAVE**

- 28.1 Employees may be granted time off without loss of pay to attend the funeral of an employee of the Police Department so authorized by the Police Chief or designee.
- 28.2 At the time of a death of a member of the employee's immediate family, an employee may be granted up to three (3) days off without loss of pay as bereavement leave, not otherwise chargeable. The term, "immediate family", as used in this section, shall mean an individual's spouse, children, mother, father, brothers, sisters, half-brothers, half-sisters, aunts, uncles, grandparents, grandchildren, mother-in-law, father-in-law, brothers-in-law, sisters-in-law, sons-in-law, daughters-in-law, step-parent, step-children, and other relatives who permanently reside with the individual. Special consideration may also be given by the Police Chief to any other person who has had a close, long-standing, personal relationship with the employee where such a person acted similar to and/or stood in the place of a mother, father, brother, sister, or grandparent of the employee.

**ARTICLE 29

- (4) Upon resumption of active employment with the City of Pensacola, the employee will be given credit for acceptable service performed prior to entering the military for seniority purposes, and for pension purposes when the pension law is complied with. Time spent on extended military duty shall count for longevity purposes and without loss of vacation leave, pay, time, or efficiency rating, except in the case of pensions whereby authorized. Said employee shall be given benefit of any range increases granted for the position vacated during military absence.
- (5) Employees on extended military leave are entitled to two hundred forty (240) hours at full pay in any one annual calendar period. In addition, per each military activation the City will:
 - (a) Supplement the employee's military salary to the extent that will equal the amount earned at the time they were called to active duty. The supplement would continue for a period up to six months.

- (2) Effective July 1, 2010, Florida Statute 115.07 gives a maximum period of 240 hours in any one annual calendar year period for this type of leave of absence. Administrative leaves of absence of periods in excess of 240 hours are to be without pay.

City of Pensacola, FL

Drug Free Workplace Policy

Drug Free Workplace Policy

The City of Pensacola strives to provide a safe environment for both employees and the public. In this regard, the City considers the abuse of drugs and alcohol on the job to be unsafe and counter-productive. Therefore, the City has established a policy regarding the use, possession, and sale of illegal drugs and alcohol at work consistent with Florida Statutes, Section 440.102; Federal Motor Carrier Safety Administration Controlled Substance and Alcohol Use and Testing Program, 49 C.F.R. Part 382; and USDOT Pipeline and Hazardous Materials Safety Administration Drug and Alcohol Testing Regulations, 49 C.F.R. Parts 192 and 199. A complete list of the illegal drugs that will be tested for may be provided through the City Clinic as requested.

It shall be a condition of employment for all employees to refrain from working with the presence of illegal drugs or alcohol in his/her system and to submit to the testing requirements set forth in this policy. Pursuant to the provisions of the Florida Drug-Free Workplace Program requirements, employees found to be in violation of this policy may be denied workers' compensation medical or indemnity benefits under Chapter 440, Florida Statutes.

A. No Discrimination

Employees with addictions are encouraged to participate in an alcohol and drug rehabilitation program. The City will not discharge, discipline, or discriminate against an employee solely upon the employee's voluntarily seeking treatment while in the employ of the City, provided that the employee has not previously tested positive for drug use and has entered an employee assistance program for drug-related problems or entered a drug rehabilitation program.

Employees assigned to work in a mandatory testing position and who voluntarily enter an employee assistance program or a drug rehabilitation program will be reassigned to a position other than a mandatory testing position if one is available or will be allowed to use accumulated leave or leave without pay while in the program. Employees employed in special risk positions participating in an employee assistance program or drug rehabilitation program may not be allowed to continue to work in any special risk position but may be assigned to a position other than a mandatory testing position or placed on leave while the employee is participating in the program; however, the employee shall be permitted to use any accumulated annual leave before leave without pay may be required. The City may require the employee to submit to drug test(s) as a follow up to such program as permitted by law.

B. Procedures

As part of this program, the City will conduct pre-employment drug testing for special-risk or mandatory-testing positions, reasonable suspicion testing, post-accident testing, random testing, and return-to-duty/follow-up testing in accordance with state and federal law. City personnel and contractors shall comply with all of the technical standards, chain-of-custody procedures, confirmation testing, and employee appeal provisions of applicable law pertaining to drug testing of public employees.

All job applicants who have applied for a position with the City of Pensacola and have been offered employment conditioned upon successfully passing a drug test will be scheduled for drug testing, generally conducted at the City Clinic, pursuant to the protocols established by state and federal law pertaining to applicants for special risk occupations.

Prior to testing, each applicant will be provided with a copy of the City's written policy statement on drug testing.

The drug test will be conducted in accordance with the written policy statement and the procedures provided by law, including an opportunity for the applicant to contest the result or provide an explanation to the City when a positive, confirmed test result has been obtained. Employees covered by a collective bargaining agreement may have a right to appeal an adverse decision by the City to the Public Employees Relations Commission or applicable court.

Blood, breath, saliva, and/or urine samples will be given at the Clinic or approved collection facility as designated by the City Clinic. Samples are handled in accordance with State and Federal rules and regulations. Results will be reviewed by a Medical Review Officer (MRO) to assure accuracy. The employee/applicant may consult with the MRO after testing. No physician-patient relationship is created by this program.

If a test is not collectable because of tampering or adulteration, a second test is requested, which will be observed. If a test is rejected because of purposeful adulteration, the employee will be terminated.

Employees will be subject to drug testing when the City has reasonable suspicion to believe that the employee is using or has used drugs in violation of the City's policy where this suspicion is based upon specific and articulable facts and reasonable inferences drawn from those facts in light of experience. Reasonable suspicion drug testing will require the recommendation of a supervisor who is at least one level of supervision higher than the immediate supervisor of the employee and it must be confirmed by a second supervisor. The observing and confirming supervisors must prepare written documentation of the facts and circumstances which formed the basis for their recommendation, and a copy of this documentation shall be given to the employee upon request. The original documentation shall be kept confidential as exempt from public records law and must be retained by the City for at least one (1) year. The facts and inferences upon which the recommendation for testing may be made include, but are not limited to, the following:

- Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug
- Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance
- A report of drug use, provided by a reliable and a credible source, which has been independently corroborated
- Evidence that an individual has tampered with a drug test during employment with the City
- Information that an employee has caused or contributed to an accident while at work
- Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on the City's property or while operating the City's vehicle, machinery, or equipment

The selection of employees for random drug testing will be conducted based on a sample drawn

by a computer-generated program operated by an independent third party. The random sample may not constitute more than ten (10) percent of the total employee population. Random drug testing will be conducted as follows:

- when the employee is employed in a position where random drug testing is authorized by law and the position is managerial
- when the employee is employed in a position where random drug testing is authorized by law and the employee is covered by a collective bargaining agreement which authorizes random drug testing
- when the employee is employed in a position where random drug testing is required by law, such as those defined as special-risk positions involving law enforcement and fire protection services, and those requiring commercial drivers' licenses or pertaining to the installation and maintenance of natural gas pipelines

The documentation of a positive drug test result will be placed in an employee's confidential file, the employee will be notified, informed of the result, consequences, and options available. When tested for reasonable suspicion, documentation is placed in the employee's confidential file.

C. Discipline

It is the City's policy to discipline an employee, up to and including termination, who is found to have engaged in the conduct described below:

- utilizing, possessing, or trafficking in any unlawful drug or other substance while on or off duty, or while utilizing any city vehicle or other equipment, or while on any city property.
- refusing to submit to drug testing when properly required to do so pursuant to the protocols of state or federal law.
- providing test results which are verified, confirmed, positive evidence of violation of this policy pursuant to the procedures mandated by the Florida Agency for Health Care Administration.
