

PROFESSIONAL SERVICES CAPABILITY STATEMENT

DUNS: 112926735

MISSION STATEMENT

Siebert Enterprise's mission is to provide our customers with a premier experience. Assuring safety, quality, and integrity through craftsmanship in all that we do.

EXECUTIVE SUMMARY

Siebert Enterprises is a licensed, fully insured, and bonded electrical construction, vegetation management, and technical services contracting company based in Lake Villa, IL. We can serve out of state locations across the United States providing knowledge along with our experience.

TECHNICAL SERVICES

Our customer focus is the utility industry and vegetation management. We specialize in performing overhead/underground electrical distribution construction and maintenance (new construction build, line maintenance, reconductoring), directional boring, fiber optics, storm restoration, storm clean up, street lighting, line clearance, hydrovac excavation, and technical services.

DEDICATED TEAM

Siebert Enterprises recognizes that we are a new name to your company as a potential service provider. We take pride in our team's experience. Our employees in key positions have immense knowledge from working across vast entities of the Electrical Utility industry. We are looking for the opportunity to prove our abilities to serve your company and exceed the needs of your strong safety and diverse culture.

We received our Service-Disabled Veteran Enterprise (SDVOB) certification through National veteran-owned Business (NaVOBA).
