- Vector Control options, we didn't get anyone put in for the position. Outsourcing would cost too much. Stu Burgess said he might be willing. Craig Delarm said he would be interested and would bring in a resume.
- It was suggested that we get new locks and keys for the Community Center, way too many out there unaccounted for, and doors keep getting left unlocked.
- Stu Burgess wanted to commend Robert Davis for cleaning up after the firework show on the 4th of July.

- **Public Appearances:** Duane Graham bought the trailer park from Robert Davis and he wants to keep half the homes that are already there and then build little cabins and half would be for rent, and the others would be like Air B&B's. All the spots already have power, water and sewer so there wouldn't be any extra permits. Keith Harra wants to read into the ordinances just to make sure about the guidelines. Duane Graham will be back at the next meeting.
- **Executive Session** None
- **Adjournment** Meeting adjourned at 7:02 pm.
