The Niagara-on-the-Lake Sailing Club has designed their guest privileges to consider the challenges we face because of our unique location.

NOLSC offers reciprocity of 1-night free stay to members of LOCCA and other participating clubs. (see list of reciprocal clubs on our website).

Check out time is 10:30. We ask visitors do not arrive before 12:00

The Club staff will allocate mooring locations for visiting boats at their sole discretion.

Washing of dishes and/or clothing in NOLSC washrooms is not permitted.

Visitors will dispose of waste and recycling in the designated area only (not in washrooms, clubhouses etc.)

Ice located at the gas dock and blue A-frame building

Washrooms & showers, picnic tables, barbecues, decks and clubhouses may be used.

Visitors are required to maintain the club facilities by observing the same standards of cleanliness and good order that they observe at their own clubs.

Visitors are required to assist in energy conservation by reducing the waste of water and power.

Visitors with dogs are to use the north fence line to do their business. It is mandatory that owners pick up after their own dogs and appropriately dispose of waste in proper designated area. Dogs must always be on leash.

Niagara-on-the-Lake Sailing Club reserves the right to prohibit entry or terminate a visitors stay whose behaviour contravenes the bylaws and policies of the club, or which is harmful or injurious to the interests of the members of NOLSC.
