Scavenger Hunt Rules

Welcome to the RL Scavenger Hunt! We are excited to have some fun and get in a little friendly competition.

The Rules: (please read carefully)

- * The scavenger hunt will be live on Sunday, January 29th , from 11am until 4pm. Complete as many missions as you can during that time frame.
- *What is a mission? Here are examples... Take a selfie in front of a post office. Take a video of a team member going down a slide.
- * DO NOT download pictures or videos from the internet. Those won't count. Make sure you charge your phone!
- * All submitted pics and videos must be taken and emailed by someone in your car during the time frame of the Hunt!
- * Each team will be referred to as their **last name** so when you text each picture or video, indicate last name AND number of the mission it goes with. For example: Tufaro Mission 14. You can complete the missions in any order.
- * Once everyone registers, we will let you know who you will be sending your pics and videos of the missions to. Stay tuned!
- *Be safe – Drive carefully – Have Fun!

About 15 mins prior to 11am, you'll receive an email that lists out all the missions.

If at any time you have any questions, feel free to contact Melanie Tufaro and Annette Vani at mtufaro7911@gmail.com

The Scavenger Hunt will end at 4pm. We will not accept any more submissions after that time.

After we tally up all the points, we will announce the winners via email. There will be prizes for the top 3 teams!

Thank you again for your participation and let's have some fun!
