

Packages and Pricing

Every event is unique, and I build custom entertainment experiences that match your style, venue and celebration vibe. Below are popular packages - and I'm always happy to tailor something specifically perfect for you. Bundled packages offer added value and convenience compared to selecting services individually.

*Please Note: All packages include Bilingual MC Services if needed. Packages are based on a 5 hour reception - which include Cocktail Hour and Dinner. Extended hours are also available. Extra hourly rates depend on the package selected.
