Turn your 2023
Lido 14 Class
Championship
Regatta into
an Oregon
Getaway.

Come for a regatta, stay for the scenery. Come early or stay later to enjoy the Oregon Coast or check out Crater Lake.

- Bring family and friends. There's plenty for them to do while you are sailing.
- Drop your boat off early or pick it up later while you explore Oregon. We'll keep it safe at EYC for you.
- Kids will enjoy our playground and swim beach.
- Anyone not on (or in) the water will want to visit local wineries or check out Saturday Market
- While you are beating to windward, your shore crew can walk the extensive River Trail system.
- Pets are not allowed on EYC grounds, but you can camp next door at Richardson Park.
- We'll have breakfast and dinner available each day.

EYC Amenities

If you haven't sailed at Eugene Yacht Club before, it is worth making your first trip.

There is ample room to park and camp on the secure club grounds. We have a lawn-with-a-view for tents campers. There is room for RV parking.

We have two boat hoists and 3 launch ramps.

Air compressors, tool shed, and spray washers, for any of your last minute "go-fast" needs.

Clean restrooms, showers, and laundry available on grounds.

Our dining hall will be staffed by volunteers from EYC and WSC to serve breakfast and dinner. You will be able to order extra meal plans for your vacation group.

If you would like to bring kids, we are exploring the idea of hosting a kid's camp so parents can sail together. Let us know if that appeals to you.

If some of your crew would prefer to fly, Eugene Airport is only 10 minutes away from EYC.

When the sun finally shines, Oregonians like to pack in as much activity as we can. Keep an eye on this website for a full calendar of area events:

2023 Lido 14 Class Championship Regatta

Sailing at Eugene Yacht Club

Plan on a fun and professionally run regatta. Our PRO will be Rich Johnson. He has run more national and local regattas than we can count, including past Lido 14 Class Championship Regattas.

We are sending this information out to you early so you can plan your trip. Look for emails and registration details at the beginning of 2023. We are trying to keep the costs low and the sailing spectacular.

Eugene Yacht Club and Willamette Sailing Club are providing all the volunteers for this regatta. However, if you have friends or family who would like to volunteer while you are on the water, we would love to put them to work. Just let us know. There is always room to help in the kitchen or for someone to take photos from a safety boat.

If you have any questions, please contact Marty Parisien at Lido14Championship@gmail.com

Don't forget to save the date! Thursday, July 27 through Sunday, July 30. See you then.
