

Fall Sailing: Fun-on-Fridays are officially over. We will be looking towards Sunday afternoons on a weather dependent schedule. Tentative schedule will be rigging and sailing about 3pm. We have 7 boats ready to sail on the dock, so there is room for everyone. RSVP Please. Daylight savings ends November 3rd, we will have some ideal fall sailing days between now and then.

Last 'Regatta' of the season: Evie Engnoth and I sailed September 8th in Olympia. There were 14 boats including 5 Lidos. We sailed 4 races in very good wind and sunny skies. I hope we can get more sailing between our fleet and the Lidos in Olympia.

Looking toward 2025: The exciting good news is our Don Kimball Regatta will also be our District 6 (PNW) Lido Championships. We will be in Port Orchard on Father's Day weekend. Plan accordingly.

Final Notes: To enhance communication, we now have a Google Groups for Lido14, Fleet 82 communication. We will continue to use the Facebook page and some text messaging, however not everyone has Facebook or an iPhone, I'll risk saying everyone associated with Lidos has an email address. It's Lido Fleet #82 - Tacoma
