

LIDO 14 CLASS CHAMPIONSHIP REGATTA

Join Fleet 6 in sunny and bright Long Beach, California this summer! We have wind, good vibes, and more importantly, world class and former Lido Champion, Bruce Golison as our PRO. Trust us when we say that he knows how to run a great race course. Double down on that trust when we say that ABYC knows how to throw a good party! On shore, you can expect a rockin' band, finger lickin' good food, and all sorts of surprises.
