

Approved by the Lido 14 Board of Directors; April 19th, 2023

Wind strength policy

The Lido 14 Board of Directors has reviewed the requests for a top wind strength policy for racing Lido 14 sanctioned events. The Lido 14 Board has come to the conclusion that there is good reason to limit racing Lido 14's to less than 20kts sustained wind speeds. The Racing Rules of Sailing and applicable race documents (NOR and SI) will take precedence, and the Lido 14 Class Association reminds Lido sailors it is the Skipper and Crew's responsibility to decide whether the conditions are safe to sail.

Intent: The intent of this policy by the current Lido 14 Board of Directors and Executive Officers is to create a safe enjoyable racing environment for the crews of the Lido 14's and to promote and sustain the longevity of the Lido 14 sailboats.
