

Thank you for your help! We are honored to work together with you to make a difference. We know so many are itching to do something to help out during the global pandemic we are now facing. Your help matters!

This kit contains materials for masks that will be donated to a predetermined organization. All masks are delivered to us so they can be washed, counted, and donated utilizing specific protocols.

Please return the kit to a designated Mustang Mask distribution location.

- Locate distribution locations and hours here: <https://mustangmasks.org/weekly-meet-up-schedule>

- Locate instructions and videos online: <https://mustangmasks.org/create-mask>

- Got Questions? Join our community of volunteers on Facebook:
<https://www.facebook.com/groups/mustangmasks>

 We love seeing photos of our volunteers as they work on the project. Please feel free to share photos with us on Facebook or Instagram.

The Mustang Masks project is made possible through the generosity and support of our sponsors:

intuit.

Mustang Masks

Simple Adjustable Mask

1. Place front and back cotton pieces right sides together.

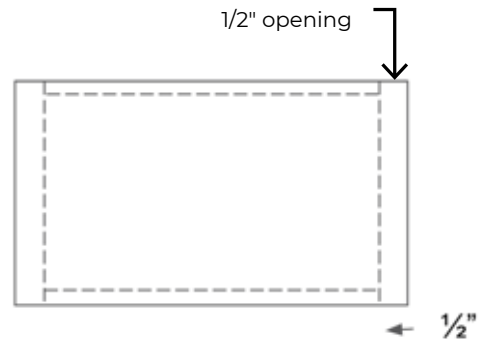

2. Stitch across the top and sides. Leave a one inch opening on each corner.

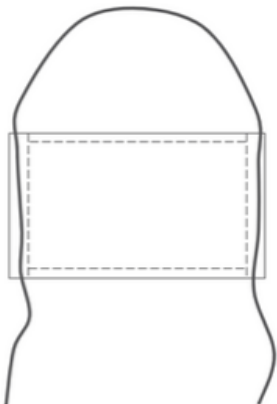

3. Turn right side out and iron flat.

4. Sew the sides leaving a 1/2" space on each end. Top stitch the top. Be careful not to sew beyond the 1/2" space on each side.

5. Pull the tie through the opening on each side.
